Once the programs reach maximum capacity, there will be a waiting list established for each school site. After May 20th, enrollment forms may be found online, at your child's school office, STARS/ASES classrooms and the STARS office located in the District Office. STARS/ASES Programs start on the first day of school and are open Monday through Friday from the end of the school day until 6:00 PM. The program is open on minimum days. The program is closed on school holidays, non-student attendance days and June 5, 2020. Students enrolled at a STARS/ASES school site and who are entering grades 1st-8th in the fall are eligible. Students will attend the program at the school site that they attend during the regular school day.

While the STARS/ASES Programs accept applications year-long, enrollment begins at 6:00 PM on May 10, 2019 for all STARS/ASES locations. **For parents who do not have internet access, paper forms will be available at the STARS/ASES school sites on May 10th starting at 6:00 PM.** If it is at all possible, it is recommended to request enrollment online.

After the Request for Enrollment Forms are submitted:

- Parents/Guardians will be notified that their child is confirmed to attend the program by May 24, 2019.
- Once it is confirmed that a student can attend the program, a detailed enrollment form must be submitted to the school site or STARS office (District Office) by June 7, 2019. Enrollment forms will be available online, at your child's school office, STARS/ASES classrooms and the STARS office (Rm 205) located in the District Office beginning May 20, 2019. Failure to submit an enrollment form by June 7, 2019 will result in loss of placement in STARS/ASES.
- If parents/guardians are not notified by May 24, 2019 that their child has secured a slot in the program, then their child(ren) will be placed on the waitlist. Once a space becomes available, the school site lead will contact the parent/guardian. An enrollment form will need to be submitted prior to the student(s) attending the program.
