

SchoolMessenger call to MJUSD parents

Hello, this is Gay Starkey, Superintendent of the Marysville Joint Unified School District.

I'm calling to ask for your input in updating our Local Control Accountability Plan for the 2019-20 school year. This plan outlines priority areas of accountability in shaping the district's budget to help all students achieve academic success.

There are three options to take the survey:

1. The district website online survey at **mjustd.com**. There is a link under "**Announcements**" on the home page.
2. Print copy from website and submit.
3. Hard copies available at every school office.

Thank you for taking the time to complete the survey. This message is also available on the website as well.
