PUBLIC COMMENTS

Persons wishing to address the Board are requested to fill out a "Public Comments" card before the start of the meeting and give it to the secretary, board president, or superintendent. The public may address topics not on the agenda during this section of the agenda or ask they be heard during a specific agenda item. **Comments are limited to a maximum of three minutes per speaker — 20 minutes total time for public input on each item per Board Bylaw 9323.**

The Ralph M. Brown Act prevents the Board of Trustees from responding to these comments with the exception of clarifying questions. The California Government Code, Section 54954.2.a states, "No action or discussion shall be undertaken on any item not appearing on the posted agenda, except that members of a legislative body or its staff may briefly respond to statements made or questions posed by persons exercising their public testimony rights under Section 54954.3"

How do I get an item placed on a meeting agenda for discussion?

If members of the public wish to have an item agendized for discussion or action, they are required to (1) submit a letter describing the issue to be agendized in as much detail as possible; (2) speak with the board president or other board members, or; (3) speak with the superintendent. In all cases, the request must be received no less than nine business days prior to a board meeting. The Board will determine how and when to agendize the request. The Board may not legally place an item on the agenda at a meeting except in emergency situations or where immediate action must be taken [Government Code Sections 54954.2.b.(1) and (2)].

SCHOOL BOARD MEETING FORMAT

What is a School Board Meeting?

A School Board Meeting is the normal business meeting of the governing board at which district business is conducted. It is not a public meeting where questions and discussion come from the audience. Members of the audience may address their comments to the Board during the *time at which the Board is discussing the agenda item*. A five minute time limit will be imposed *except for special presentations approved in advance*.

Notification of Meetings

To provide the public with information about what will be on each board meeting agenda, a public notice is published in the newspaper on the Thursday prior to a regularly scheduled board meeting listing items of interest being considered by the Board. In addition, a copy of every board meeting agenda is posted at all schools, sent to each school PTA President and School Site Council Chairperson, posted on the district website, and available for review at the following locations: District Office “Public Notice Bulletin Board,” Yuba County Library, and the Chamber of Commerce.
