The Ralph M. Brown Act prevents the Board of Trustees from responding to these comments with the exception of clarifying questions. The California Government Code, Section 54954.2.a states, "No action or discussion shall be undertaken on any item not appearing on the posted agenda, except that members of a legislative body or its staff may briefly respond to statements made or questions posed by persons exercising their public testimony rights under Section 54954.3"

#### *How do I get an item placed on a meeting agenda for discussion?*

If members of the public wish to have an item agendized for discussion or action, they are required to (1) submit a letter describing the issue to be agendized in as much detail as possible; (2) speak with the board president or other board members, or; (3) speak with the superintendent. In all cases, the request must be received no less than nine business days prior to a board meeting. The Board will determine how and when to agendize the request. The Board may not legally place an item on the agenda at a meeting except in emergency situations or where immediate action must be taken [Government Code Sections 54954.2.b.(1) and (2)].

#### ***Background~***

By means of a student's Individualized Education Plan (IEP), and after exhausting resources available within the district and county programs and services, a student can be served/placed in a non-public school.

Recently, a student moved into the MJUSD by means of a foster home placement (change of placement). At the time of this change of residency, this student was placed in the Williams Academy in Sacramento, CA. The professionals responsible for his education, in collaboration with the MJUSD staff, have determined that it is in the student's best interest to remain with the Williams Academy.

#### ***Recommendation~***

Recommend the Board approve the contract.

**1. 2012-13 SINGLE PLANS FOR STUDENT ACHIEVEMENT**

**CONSENT  
AGENDA**

***Purpose of the agenda item~***

The purpose of the agenda item is to request the Board approve the 2012-13 single plans for student achievement and parent involvement components for various school sites.

***Background~***

As required by the California Department of Education, schools that participate in state and federal categorical programs must create a single plan for student achievement. This blueprint for student success aligns school goals with categorical expenditures. The site plan is developed in conjunction with school site councils and must be reviewed annually and updated. Plans must also be reviewed and approved by the Board whenever there are material changes that affect the academic programs.

According to the No Child Left Behind (NCLB) Act of 2001, schools must jointly develop with and distribute to parents a written parent involvement policy and school-parent compact. The documents focus on the process of school review and improvement, coordination, technical assistance, and other support necessary for effective parental involvement to improve student achievement and school performance. The policy is evaluated annually at the site level and approved by the Board.

***Recommendation~***

Recommend the Board approve the single plans for student achievement. (The plan(s) are included in each board member's packet and available to review in the Superintendent's Office.)
