School Description

Loma Rica Elementary School prides itself on its small, tight-knit community. Upon stepping onto campus, one immediately recognizes a culture of school-wide support that focuses on the well-being of our children. As a school community, we celebrate our successes and address our challenges. Our team, consisting of teachers, support staff, parents, community members, and administration, is continually dedicated to meeting the unique needs of each child who attends our school.

Each week, our entire school gathers to recognize students and celebrate accomplishments that define our school's culture: Be safe, Be Kind, Be Responsible!

Loma Rica's Mission Statement is as follows:

We believe our students have the ability to meet grade level expectations and receive enrichment so that they may develop the desire and confidence to become lifelong learners.

We believe our students can learn to accept responsibility for their actions and, through guidance, make adjustments so that they can build positive relationships with others.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest Web page at <http://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district, the county, and the state. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

Professional Development provided for Teachers

The Marysville Joint Unified School District Board of Trustees believes that, in order to maximize student learning and achievement in all subgroups, certificated staff members must be continuously engaged in learning and improving their skills through deep professional learning and collaboration. The district offers a program of ongoing professional development which includes opportunities for teachers to enhance their instructional and classroom management skills and become informed about changes in teaching strategies and subject matter. Along with ongoing grade level articulation and trainings scheduled during and after school, teachers participate in 7 days of professional development on non-instructional days.

About the SARC

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC Web page at <http://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF Web page at <http://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school at (530) 741-6144 or the district office.

2014-15 Student Enrollment by Grade Level	
Grade Level	Number of Students
Kindergarten	12
Grade 1	13
Grade 2	21
Grade 3	14
Grade 4	18
Grade 5	13
Total Enrollment	91

2014-15 Student Enrollment by Group	
Group	Percent of Total Enrollment
Black or African American	2.2
American Indian or Alaska Native	8.8
Asian	1.1
Hispanic or Latino	18.7
White	67
Two or More Races	2.2
Socioeconomically Disadvantaged	53.8
English Learners	4.4
Students with Disabilities	18.7
Foster Youth	6.6

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the Basic State Priority (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

Teacher Credentials			
Loma Rica Elementary School	13-14	14-15	15-16
With Full Credential	5	5	5
Without Full Credential	0	0	0
Teaching Outside Subject Area of Competence	0	0	0
Marysville Joint Unified School District	13-14	14-15	15-16
With Full Credential	♦	♦	354
Without Full Credential	♦	♦	7
Teaching Outside Subject Area of Competence	♦	♦	0

Teacher Misassignments and Vacant Teacher Positions at this School			
Loma Rica Elementary School	13-14	14-15	15-16
Teachers of English Learners	0	0	0
Total Teacher Misassignments	0	0	0
Vacant Teacher Positions	0	0	0

* "Misassignments" refers to the number of positions filled by teachers who lack legal authorization to teach that grade level, subject area, student group, etc. Total Teacher Misassignments includes the number of Misassignments of Teachers of English Learners.

Core Academic Classes Taught by Highly Qualified Teachers

2014-15 Percent of Classes In Core Academic Subjects Core Academic Classes Taught by Highly Qualified Teachers		
Location of Classes	Taught by Highly Qualified Teachers	Not Taught by Highly Qualified Teachers
This School	100.0	0.0
Districtwide		
All Schools	95.6	4.4
High-Poverty Schools	95.6	4.5
Low-Poverty Schools	100.0	0.0

* High-poverty schools are defined as those schools with student eligibility of approximately 40 percent or more in the free and reduced price meals program. Low-poverty schools are those with student eligibility of approximately 39 percent or less in the free and reduced price meals program.

Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2015-16)

State law, effective July 29, 2009, delayed all instructional materials adoptions and the development of curriculum frameworks and evaluation criteria until the 2015-16 school year. Since then specific legislation has authorized the State Board of Education to conduct adoptions in mathematics (Assembly Bill 1246) and English language arts/English language development (Senate Bill 201). The state adopted mathematics in January 2014, and English language arts/English language development is scheduled to be state adopted in 2016. The Marysville Joint Unified School District provided new state adopted mathematics curriculum beginning in 2014-15 and is slated to provide new English language arts/English language development curriculum in 2016-17.

Textbooks and Instructional Materials Year and month in which data were collected: September 2014	
Core Curriculum Area	Textbooks and Instructional Materials/Year of Adoption
Reading/Language Arts	Open Court, SRA/McGraw Hill (2002) High Point, Hampton Brown (2002) The textbooks listed are from most recent adoption: Yes Percent of students lacking their own assigned textbook: 0%
Mathematics	Go Math!, Houghton Mifflin Harcourt (2014) The textbooks listed are from most recent adoption: Yes Percent of students lacking their own assigned textbook: 0%
Science	California Science, MacMillan McGraw Hill (2007) The textbooks listed are from most recent adoption: Yes Percent of students lacking their own assigned textbook: 0%
History-Social Science	History Social Studies for California, Pearson Scott Foresman (2006) The textbooks listed are from most recent adoption: Yes Percent of students lacking their own assigned textbook: 0%

School Facility Conditions and Planned Improvements (Most Recent Year)

School Facility Good Repair Status (Most Recent Year) Year and month in which data were collected: November 2015				
System Inspected	Repair Status			Repair Needed and Action Taken or Planned
	Good	Fair	Poor	
Systems: Gas Leaks, Mechanical/HVAC, Sewer			X	Abnormal LCR readings. Working with Yuba County and Corrosion Specialties.

Overall Rating	Exemplary	Good	Fair	Poor
		X		

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- Statewide assessments (i.e., California Assessment of Student Performance and Progress [CAASPP], Science California Standards Tests); and
- The percentage of pupils who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study

2014-15 CAASPP Results for All Students			
Subject	Percent of Students Meeting or Exceeding the State Standards (grades 3-8 and 11)		
	School	District	State
ELA	30	30	44
Math	40	21	33

* Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

CAASPP Results for All Students - Three-Year Comparison									
Subject	Percent of Students Scoring at Proficient or Advanced (meeting or exceeding the state standards)								
	School			District			State		
	12-13	13-14	14-15	12-13	13-14	14-15	12-13	13-14	14-15
Science	--	52	83	48	48	47	59	60	56

* Results are for grades 5, 8, and 10. Scores are not shown when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Grade Level	2014-15 Percent of Students Meeting Fitness Standards		
	4 of 6	5 of 6	6 of 6
5	33.30	16.70	33.30

* Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

2014-15 CAASPP Results by Student Group	
Group	Percent of Students Scoring at Proficient or Advanced

The achievement level percentages are calculated using students with scores.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the Parental Involvement State Priority (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each schoolsite.

Opportunities for Parental Involvement

Educating our children is a team effort. Parents and guardians, students, school, and the community benefit when there is a shared responsibility for learning. Excellence in education is achieved when parents and the community help educators prepare students to successfully reach their dreams. Loma Rica Elementary School encourages parents to be part of their child's learning experience. Opportunities range from serving on the Site Council, to PTA, to volunteering in the classroom or at one of many school-wide activities. Parents are encouraged to attend events such as Back-To-School Night, Open House and our annual Title I meeting. Please call to find out how you can become involved and demonstrate the importance of education to your child.

Parent involvement coordinator: Kathleen Hansen (530) 741-6144

State Priority: School Climate

The SARC provides the following information relevant to the School Climate State Priority (Priority 6):

- Pupil suspension rates, pupil expulsion rates; and other local measures on the sense of safety.

School Safety Plan

Each school site has adopted a Comprehensive Safe School Plan to ensure our school environment is conducive to academic achievement. It is a working document reviewed on a regular basis and has been developed through our School Safety Planning Committee (SSC). This Planning committee is composed of school staff, district staff, community members, and local law enforcement. We work closely with other school administrators to ensure that all school safety plans are consistent throughout the district. Improvements and revisions are made at our monthly safety meetings with local law enforcement.

Signs are visibly posted throughout the school requiring all non-school employees to register at the office. All staff members are trained to stop and question any person who is not wearing an identifying badge issued from the office. The Site Council formally adopts the Safe School Plan, and it is board approved before March 1 every year. The plan includes the following major elements: safe school goals, school crime assessment, safe school strategies and programs, child abuse reporting procedures, disaster response procedures, suspension and expulsion policy, teacher safety, sexual harassment policy, district tobacco policy - safe school drug and tobacco education, dress code, safety standards for arrival and departure, and school discipline.

The safety of our students is our top priority. Each month, our students and staff participate in safety drills designed to address potential emergencies at our school including fire evacuation, earthquake drop and cover, and lock downs in the event of an on-campus intruder. Catapult EMS is a communication system used during emergencies to inform staff, the District Safety Team, and law enforcement of a school incident or crisis. The system uses real-time student accounting, staff location check-ins, threat report management, and messaging through text messages and emails.

Suspensions and Expulsions			
School	2012-13	2013-14	2014-15
Suspensions Rate	5.52	6.84	3.39

Percent Difference: School Site/ State			26.6	9.1

* Cells with ♦ do not require data.

Types of Services Funded

The district receives revenue limit and other apportionments to provide direct instruction and support to students. These monies pay for teachers, site administration, district office personnel, maintenance, transportation, special education, and all operating expenses. Each site receives a discretionary allocation for site operations. Sites are not responsible for utilities or facility operations. Sites also receive support services such as counseling, health, psychological, and routine maintenance. School sites receive additional monies for supplemental academic interventions directed to targeted students who are not performing at grade level.
