Dear Mr. Carreon,

I am very grateful to have been employed with MJUSD at McKenney School for the past 8 years. I have grown and learned so much from two very strong administrators and feel very fortunate to have been mentored by the both of them.

It is for this reason, I am saddened to announce that I have accepted a position with Sutter County Office of Superintendents as the STEM Coordinator.

This decision has not been easy; however, I am focused on the development of my career and it was an opportunity that I could not pass. Therefore, effective August 1st 2017 I resign my position as a the 7th grade science teacher through MJUSD. Once again, thank you for the the opportunities I have been given through the district.

Sincerely,

Christie Beymer

Dear Dr. Todd,

Please accept this letter as formal notification that I am resigning from my position as Assistant Superintendent, Business Services. I am resigning to relocate back down to Southern California for personal reasons. I am requesting that Tuesday, August 1, 2017 be my last official day of employment.

I cannot thank you and the Board of Trustees enough for the tremendous opportunity provided to me to serve as the Assistant Superintendent, Business Services on two occasions. Through both of my tenures here at MJUSD, the support provided by fellow administrators, staff, the Board and you has been extremely generous. The district and the community will always be near and dear to my heart. I am deeply disappointed that I will not be able to serve here for many years as originally intended. I sincerely hope I was able bring about positive changes that will benefit the district well into the future. It was an absolute honor to serve the district's incredible students.

I intend to provide any and all assistance needed during this transition and again, cannot thank you enough for this opportunity.

Warmest regards,

Ryan DiGiulio

5.3 SCOPE OF WAIVER: No waiver of any default or breach under this Agreement shall constitute a waiver of any other default or breach, whether of the same or other covenant, warranty, agreement, term, condition, duty or requirement contained in this

Agreement. No waiver, benefit, privilege, or service voluntarily given or performed by a Party shall give the other Party any contractual rights by custom, estoppel, or otherwise.
