Presentation to the Board
10/8/19

As the new school year began, we hit the ground running at Lindhurst High School. It seemed like we had never left. For a number of staff and students, that was close to the truth. This past summer, we were fortunate enough to offer summer school for those students who not only fell short in a class or two, but also offer some enrichment courses for students as well. Lindhurst was able to enroll and maintain 191 students that were able to earn 227 semester classes worth of units. This made a significant difference with those students who had started to or are credit deficient and not on track to graduate.

Our front line for student achievement is our Tier I instruction. Through the training and implementation of our transformation into Professional Learning Community, this Tier I instruction is getting stronger. We have established a Guiding Coalition here at Lindhurst comprised of 18 staff members from teachers, counselors, and administrators. The goal of the Lindhurst High School Guiding Coalition is to support student learning and achievement through learning, sharing, and implementing the true Professional Learning Community process with teachers and staff. To that end, this coalition meets regularly to discuss and research best teaching practices to then adapt and bring them to the faculty and staff of Lindhurst High School, share successes and best practices as identified during the regular teacher collaboration time, review data to drive our next steps, and identify our areas of needs/focus.

In addition to using CAASPP scores in Math and English as measures for academic growth and student achievement, the latest scores indicated slight growth in both English and Math, we are using other measures to track and gauge the student success in learning. Those measures include: increase/decrease in school overall G.P.A., students' progress on the CCI dashboard, grade level overall on track credit completion, students who meet our Rising Star criteria (any student who raises their G.P.A. by 1 full point) Advance Placement testing data as well as ELPAC data and subsequent reclassifications. The long term look into student academic growth and student achievement shows that for the most part student achievement has plateaued. We recognize that to obtain increased results, we must look at instruction differently or we will stay in a perpetual cycle of status quo. This is what has reaffirmed that the Professional Learning Community model is the best practice for student learning and achievement. To that end, in addition to researching and implementing best Tier I practices, we are working on developing

Blazers for Life

the framework for creating an effective Tier II intervention/acceleration for Lindhurst High School.

Student climate and moral is strong this year. Lunch time activities and student government events are well attended and very positive. There is a big support from our staff. That shouldn't be a surprise since 27 of 109 employees here at Lindhurst High School are also alumni. That is the greatest testament to the care and devotion we have for our students. "We CHOSE to come back."

We are very pleased with some of the new partnerships that we have developed with the community in recent months. A long term community agency is the Yuba Water Agency. We are very excited to partner with them on various projects relating to water conservation and health. One of the newest members to our community is the Hard Rock Café. We are proud to say that we have three members from the Hard Rock Café on our Culinary Advisory Board including their Michelin Star Chef, Chef Richard. To prove that partnerships are two-way streets, the Hard Rock Café used our culinary arts kitchen to hold its interviews and tastings for their perspective head chefs of their various restaurants. That was an amazing experience to be a part of, and their head pastry chef is looking forward to coming and presenting to our classes later this year.

Overall, we are very pleased with the start of the school year and the direction we are heading. Every day is a great day to be a Blazer!

AUTHORIZATION FOR MASTER CONTRACT AND GENERAL PROVISIONS

1. MASTER CONTRACT

This Master Contract is entered into on September 16, 2019 between Marysville Joint Unified School District, hereinafter referred to as the local educational agency ("LEA"), a member of the Yuba County SELPA and Odyssey Learning Center (nonpublic, nonsectarian school or agency), hereinafter referred to as NPS/A or "CONTRACTOR" for the purpose of providing special education and/or related services to students with exceptional needs under the authorization of California Education Code sections 56157, 56361 and 56365 *et seq.* and Title 5 of the California Code of Regulations section 3000 *et seq.*, AB490 (Chapter 862, Statutes of 2003) and AB1858 (Chapter 914, Statutes of 2004). It is understood that this agreement does not commit LEA to pay for special education and/or related services provided to any student, or CONTRACTOR to provide such special education and/or related services, unless and until an authorized LEA representative approves the provision of special education and/or related services by CONTRACTOR.

Upon acceptance of a student, LEA shall submit to CONTRACTOR an Individual Services Agreement (hereinafter referred to as "ISA"). Unless otherwise agreed in writing, these forms shall acknowledge CONTRACTOR's obligation to provide all services specified in the student's Individualized Education Plan (hereinafter referred to as "IEP"). The ISA shall be executed within ninety (90) days of a student's enrollment. LEA and CONTRACTOR shall enter into an ISA for each student served by CONTRACTOR. As available and appropriate, the LEA shall make available access to any electronic IEP system and/or electronic database for ISA developing including invoicing.

Unless placement is made pursuant to an Office of Administrative Hearings (hereinafter referred to as "OAH") order, a lawfully executed agreement between LEA and parent or authorized by LEA for a transfer student pursuant to California Education Code section 56325, LEA is not responsible for the costs associated with nonpublic school placement until the date on which an IEP team meeting is convened, the IEP team determines that a nonpublic school placement is appropriate, and the IEP is signed by the student's parent.

2. CERTIFICATION AND LICENSES

CONTRACTOR shall be certified by the California Department of Education (hereinafter referred to as "CDE") as a nonpublic, nonsectarian school/agency. All nonpublic school and nonpublic agency services shall be provided consistent with the area of certification specified by CDE Certification and as defined in California Education Code, section 56366 *et seq.* and within the professional scope of practice of each provider's license, certification and/or credential. A current copy of CONTRACTOR's nonpublic

school/agency certification or a waiver of such certification issued by the CDE pursuant to Education Code section 56366.2 must be provided to LEA on or before the date this contract is executed by CONTRACTOR. This Master Contract shall be null and void if such certification or waiver is expired, revoked, rescinded, or otherwise nullified during the effective period of this Master Contract. Total student enrollment shall be limited to capacity as stated on CDE certification and in Section 24 of the Master Contract.

In addition to meeting the certification requirements of the State of California, a CONTRACTOR that operates a program outside of this State shall be certified or licensed by that state to provide, respectively, special education and related services and designated instruction and related services to pupils under the federal Individuals with Disabilities Education Act (20 U.S.C. Sec. 1400 et seq.).

If CONTRACTOR is a licensed children's institution (hereinafter referred to as "LCI"), CONTRACTOR shall be licensed by the state, or other public agency having delegated authority by contract with the state to license, to provide nonmedical care to children, including, but not limited to, individuals with exceptional needs. The LCI must also comply with all licensing requirements relevant to the protection of the child, and have a special permit, if necessary, to meet the needs of each child so placed. If the CONTRACTOR operates a program outside of this State, CONTRACTOR must obtain all required licenses from the appropriate licensing agency in both California and in the state where the LCI is located.

With respect to CONTRACTOR's certification, failure to notify the LEA and CDE of any changes in: (1) credentialed/licensed staff; (2) ownership; (3) management and/or control of the agency; (4) major modification or relocation of facilities; or (5) significant modification of the program may result in the suspension or revocation of CDE certification and/or suspension or termination of this Master Contract by the LEA.

3. COMPLIANCE WITH LAWS, STATUTES, REGULATIONS

During the term of this contract, unless otherwise agreed, CONTRACTOR shall comply with all applicable federal, state, and local statutes, laws, ordinances, rules, policies and regulations. CONTRACTOR shall also comply with all applicable LEA policies and procedures unless, taking into consideration all of the surrounding facts and circumstances, a policy or policies or a portion of a policy does not reasonably apply to CONTRACTOR. CONTRACTOR hereby acknowledges and agrees that it accepts all risks and responsibilities for its failure to comply with LEA policies and shall indemnify LEA under the provisions of Section 16 of this Agreement for all liability, loss, damage and expense (including reasonable attorneys' fees) resulting from or arising out of CONTRACTOR's failure to comply with applicable LEA policies (e.g., those policies relating to; the provision of special education and/or related services, facilities for individuals with exceptional needs, student enrollment and transfer, student inactive status, corporal punishment, student discipline, and positive behavior interventions).

CONTRACTOR acknowledges and understands that LEA may report to the CDE any violations of the provisions of this Master Contract; and that this may result in the suspension and/or revocation of CDE nonpublic school/agency certification pursuant to California Education Code section 56366.4(a).

4. TERM OF MASTER CONTRACT

The term of this Master Contract shall be from September 16, 2019 to June 30, 2020 (Title 5 California Code of Regulations section 3062(a)) unless otherwise stated. Neither the CONTRACTOR nor the LEA is required to renew this Master Contract in subsequent contract years. However, the parties acknowledge that any subsequent Master Contract is to be re-negotiated prior to June 30, 2019. In the event the contract is not renegotiated by June 30th, an interim contract may be made available as mutually agreed upon for up to 90 days from July 1 of the new fiscal year. (Title 5 California Code of Regulations section 3062(d)) No Master Contract will be offered unless and until all of the contracting requirements have been satisfied. The offer of a Master Contract to a CONTRACTOR is at the sole discretion of the LEA.

The provisions of this Master Contract apply to CONTRACTOR and any of its employees or independent contractors. Notice of any change in CONTRACTOR's ownership or authorized representative shall be provided in writing to LEA within thirty (30) calendar days of change of ownership or change of authorized representative.

5. INTEGRATION/CONTINUANCE OF CONTRACT FOLLOWING EXPIRATION OR TERMINATION

This Master Contract includes each Individual Services Agreement and they are incorporated herein by this reference. This Master Contract supersedes any prior or contemporaneous written or oral understanding or agreement. This Master Contract may be amended only by written amendment executed by both parties.

CONTRACTOR shall provide the LEA with information as requested in writing to secure a Master Contract or a renewal.

At a minimum, such information shall include copies of teacher credentials and clearance, insurance documentation and CDE certification. The LEA may require additional information as applicable. If the application packet is not completed and returned to District, no Master Contract will be issued. If CONTRACTOR does not return the Master Contract to LEA duly signed by an authorized representative within ninety (90) calendar days of issuance by LEA, the new contract rates will not take effect until the newly executed Master Contract is received by LEA and will not be retroactive to the first day of the new Master Contract's effective date. If CONTRACTOR fails to execute the new Master Contract within such ninety day period, all payments shall cease until such time as the new Master Contract for the current school year is signed and returned to LEA by CONTRACTOR. (California Education Code section 56366(c)(1) and (2)). In the event that this Master Contract expires or terminates, CONTRACTOR shall continue to be bound to all of the terms and conditions of the most recent executed Master Contract between CONTRACTOR and LEA for so long as CONTRACTOR is servicing authorized students at the discretion of the LEA.

6. INDIVIDUAL SERVICES AGREEMENT

This contract shall include an ISA developed for each student to whom CONTRACTOR is to provide special education and/or related services. An ISA shall only be issued for students enrolled with the approval of the LEA pursuant to Education Code section 56366 (a)(2)(A). An ISA may be effective for more than one contract year provided that there is a concurrent Master Contract in effect. In the event that this Master Contract expires or terminates, CONTRACTOR, shall continue to be bound to all of the terms and conditions of the most recent executed ISAs between CONTRACTOR and LEA for so long as CONTRACTOR is servicing authorized students.

Any and all changes to a student's educational placement/program provided under this Master Contract and/or an ISA shall be made solely on the basis of a revision to the student's IEP. At any time during the term of this Master Contract, a student's parent, CONTRACTOR, or LEA may request a review of a student's IEP subject to all procedural safeguards required by law.

Unless otherwise provided in this Master Contract, the CONTRACTOR shall provide all services specified in the IEP unless the CONTRACTOR and the LEA agree otherwise in the ISA. (California Education Code sections 56366(a) (5) and 3062(e)). In the event the CONTRACTOR is unable to provide a specific service at any time during the life of the ISA, the CONTRACTOR shall notify the LEA in writing within five (5) business days of the last date a service was provided. CONTRACTOR shall provide any and all subsequent compensatory service hours awarded to student as a result of lack of provision of services while student was served by the nonpublic school or agency.

To the fullest extent allowed by law, CONTRACTOR shall indemnify and hold LEA and its Board Members, administrators, employees, agents, attorneys, volunteers, and subcontractors ("LEA Indemnities") harmless against all liability, loss, damage and expense (including reasonable attorneys' fees) resulting from or arising out of this Master Contract or its performance, to the extent that such loss, expense, damage or liability was proximately caused by negligence, intentional act, or willful act or omission of CONTRACTOR, including, without limitation, its agents, employees, subcontractors or anyone employed directly or indirectly by it (excluding LEA and LEA Indemnities). The duty and obligation to defend shall arise immediately upon tender of a claim or lawsuit to the CONTRACTOR. LEA represents that it is self-insured in compliance with the laws of the state of California, that the self-insurance covers district employees acting within the course and scope of their respective duties and that its self-insurance covers LEA's indemnification obligations under this Master Contract.

17. INDEPENDENT CONTRACTOR

Nothing herein contained will be construed to imply a joint venture, partnership or principal-agent relationship between the LEA and CONTRACTOR. CONTRACTOR shall provide all services under this Agreement as an independent contractor, and neither party shall have the authority to bind or make any commitment on behalf of the other. Nothing contained in this Agreement shall be deemed to create any association, partnership, joint venture or relationship of principal and agent, master and servant, or employer and employee between the parties or any affiliates of the parties, or between the LEA and any individual assigned by CONTRACTOR to perform any services for the LEA.

If the LEA is held to be a partner, joint venturer, co-principle, employer or co-employer of CONTRACTOR, CONTRACTOR shall indemnify and hold harmless the LEA from and against any and all claims for loss, liability, or damages arising from that holding, as well as any expenses, costs, taxes, penalties and interest charges incurred by the LEA as a result of that holding.

18. SUBCONTRACTING

CONTRACTOR shall provide written notification to LEA before subcontracting for special education and/or related services pursuant to this Master Contract. In the event LEA determines that it can provide the subcontracted service(s) at a lower rate, LEA may elect to provide such service(s). If LEA elects to provide such service(s), LEA shall provide written notification to CONTRACTOR within five (5) days of receipt of CONTRACTOR's original notice and CONTRACTOR shall not subcontract for said service(s).

CONTRACTOR shall incorporate all of the provisions of this Master Contract in all subcontracts, to the fullest extent reasonably possible. Furthermore, when CONTRACTOR enters into subcontracts for the

provision of special education and/or related services (including, but not limited to, transportation) for any student, CONTRACTOR shall cause each subcontractor to procure and maintain insurance during the term of each subcontract. Each subcontractor shall furnish the LEA with original endorsements and certificates of insurance effecting coverage required by Section 15. The endorsements are to be signed by a person authorized by that insurer to bind coverage on its behalf. The endorsements are to be on forms as required by the LEA. All endorsements are to be received and approved by the LEA before the subcontractor's work commences. The Commercial General Liability and Automobile Liability policies shall name the LEA/SELPA and the LEA Board of Education as additional insured.

As an alternative to the LEA's forms, a subcontractor's insurer may provide complete, certified copies of all required insurance policies, including endorsements affecting the coverage required by this Master Contract. All Certificates of Insurance may reference the LEA contract number, name of the school or agency submitting the certificate, indication if NPS or NPA, and the location of the school or agency submitting the certificate. In addition, all subcontractors must meet the requirements as contained in Section 45 Clearance Requirements and Section 46 Staff Qualifications of this Master Contract.

Unless CONTRACTOR and LEA otherwise agree in writing, LEA shall neither execute an ISA with CONTRACTOR nor amend an existing ISA for a student when a recommendation for special education and/or related services is based in whole or in part on assessment(s) or reports provided by CONTRACTOR to the student without prior written authorization by LEA. This paragraph shall apply to CONTRACTOR regardless of when an assessment is performed or a report is prepared (i.e., before or after the student is enrolled in CONTRACTOR's school/agency) or whether an assessment of the student is performed or a report is prepared in the normal course of the services provided to the student by CONTRACTOR. To avoid conflict of interest, and in order to ensure the appropriateness of an Independent Educational Evaluation (hereinafter referred to as "IEE") and its recommendations, the LEA may, in its discretion, not fund an IEE by an evaluator who provides ongoing service(s) or is sought to provide service(s) to the student for whom the IEE is requested. Likewise, the LEA may, in its discretion, not fund services through the evaluator whose IEE the LEA agrees to fund. When no other appropriate assessor is available, LEA may request and if CONTRACTOR agrees, the CONTRACTOR may provide an IEE.

When CONTRACTOR is a Nonpublic Agency, CONTRACTOR acknowledges that its authorized representative has read and understands Education Code section 56366.3 which provides, in relevant part, that no special education and/or related services provided by CONTRACTOR shall be paid for by LEA if provided by an individual who was an employee of LEA within the three hundred and sixty five (365) days prior to executing this contract. This provision does not apply to any person who is able to provide designated instruction and services during the extended school year because he or she is otherwise employed for up to ten months of the school year by LEA.

CONTRACTOR shall not admit a student living within the jurisdictional boundaries of the LEA on a private pay or tuition free "scholarship" basis and concurrently or subsequently advise/request parent(s) to pursue funding for the admitted school year from the LEA through due process proceedings.

LEA shall provide low incidence equipment for eligible students with low incidence disabilities when specified in the student's IEP and ISA. Such equipment remains the property of the SELPA/LEA and shall be returned to the SELPA/LEA when the IEP team determines the equipment is no longer needed or when the student is no longer enrolled in the nonpublic school. CONTRACTOR shall ensure that facilities are adequate to provide LEA students with an environment which meets all pertinent health and safety regulations. CONTRACTOR may charge a student's parent(s) for services and/or activities not necessary for the student to receive a free appropriate public education after: (a) written notification to the student's parent(s) of the cost and voluntary nature of the services and/or activities; and (b) receipt by the LEA of the written notification and a written acknowledgment signed by the student's parent(s) of the cost and voluntary nature of the services and/or activities. CONTRACTOR shall adhere to all LEA requirements concerning parent acknowledgment of financial responsibility.

Voluntary services and/or activities not necessary for the student to receive a free appropriate public education shall not interfere with the student's receipt of special education and/or related services as specified in the student's IEP and ISA unless the LEA, CONTRACTOR, and PARENT agree otherwise in writing.

The nonpublic agency providing Behavior Intervention services shall develop a written plan that specifies the nature of their nonpublic agency service for each student within thirty (30) days of enrollment and shall be provided in writing to the LEA. Upon prior written approval by an authorized LEA representative, class size may be temporarily increased by a ratio of 1 teacher to fourteen (14) students when necessary during the regular or extended school year to provide services to students with disabilities.

In the event a nonpublic school is unable to fill a vacant teaching position responsible for direct instruction to students, and the vacancy has direct impact on the California Department of Education Certification of that school, the nonpublic school shall develop a plan to assure appropriate coverage of students by first utilizing existing certificated staff. The nonpublic school and the LEA may agree to one 30 school day period per contract year where class size may be increased to assure coverage by an appropriately credentialed teacher. Such an agreement shall be in writing and signed by both parties. This provision does not apply to a nonpublic agency.

Those holidays are Labor Day, Veteran's Day, Thanksgiving Day, Christmas Day, New Year's Day, Martin Luther King, Jr. Day, President's Day, Memorial Day and Independence Day. With the approval of LEA, CONTRACTOR may revise the date upon which CONTRACTOR closes in observance of any of the holidays observed by the LEA.

When CONTRACTOR is a nonpublic agency, CONTRACTOR shall be provided with a LEA-developed/approved calendar prior to the initiation of services. CONTRACTOR herein agrees to observe

holidays as specified in the LEA-developed/approved calendar. CONTRACTOR shall provide services pursuant to the LEA-developed/approved calendar; or as specified in the LEA student's IEP and ISA. Unless otherwise specified in the LEA student's ISA, CONTRACTOR shall provide related services to LEA students on only those days that the LEA student's school of attendance is in session and the LEA student attends school. CONTRACTOR shall bill only for services provided on billable days of attendance as indicated on the LEA calendar unless CONTRACTOR and the LEA agree otherwise, in writing. Student must have actually been in attendance and/or received services on a billable day of attendance in order for CONTRACTOR to be eligible for payment. It is specifically understood that services may not be provided on weekends/holidays and other times when school is not in session, unless agreed to by the LEA, in writing, in advance of the delivery of any nonpublic agency service provided by CONTRACTOR. Any instructional days provided without this written agreement shall be at the sole financial responsibility of the CONTRACTOR.

26. DATA REPORTING

CONTRACTOR shall agree to provide to the LEA all data related to student information and billing information with LEA. CONTRACTOR shall agree to provide all data related to any and all sections of this contract and requested by and in the format required by the LEA. It is understood that all nonpublic school and agencies shall utilize the LEA approved electronic IEP system for all IEP development and progress reporting, unless otherwise agreed to by the LEA. Additional progress reporting may be required by the LEA. The LEA shall provide the CONTRACTOR with appropriate software, user training and proper internet permissions to allow adequate access.

The LEA shall provide the CONTRACTOR with approved forms and/or format for such data including, but not limited to, invoicing, attendance reports and progress reports. The LEA may approve use of CONTRACTOR'S provided forms at their discretion.

27. LEAST RESTRICTIVE ENVIRONMENT/DUAL ENROLLMENT

CONTRACTOR and LEA shall follow all LEA policies and procedures that support Least Restrictive Environment ("LRE") options and/or dual enrollment options if available and appropriate, for students to have access to the general curriculum and to be educated with their nondisabled peers to the maximum extent appropriate.

CONTRACTOR and LEA shall ensure that LRE placement options are addressed at all IEP team meetings regarding students for whom ISAs have been or may be executed. This shall include IEP team consideration of supplementary aids and services, goals and objectives necessary for placement in the LRE and necessary to enable students to transition to less restrictive settings.

When an IEP team has determined that a student should be transitioned into the public school setting, CONTRACTOR shall assist the LEA in implementing the IEP team's recommended activities to support the transition.

28. STATEWIDE ACHIEVEMENT TESTING

When CONTRACTOR is a nonpublic school, per implementation of Senate Bill 484, CONTRACTOR shall administer all Statewide assessments within the California Assessment of Student Performance and Progress ("CAASPP"), Desired Results Developmental Profile ("DRDP"), California Alternative Assessment ("CAA"), achievement and abilities tests (using LEA-authorized assessment instruments), the Fitness Gram, , the English Language Proficiency Assessments for California ("ELPAC"), and as appropriate to the student, and mandated by LEA pursuant to LEA and state and federal guidelines.

CONTRACTOR is subject to the alternative accountability system developed pursuant to Education Code section 52052, in the same manner as public schools. Each LEA student placed with CONTRACTOR by the LEA shall be tested by qualified staff of CONTRACTOR in accordance with that accountability program. LEA shall provide test administration training to CONTRACTOR'S qualified staff.

39

CONTRACTOR shall attend LEA test training and comply with completion of all coding requirements as required by LEA.

29. MANDATED ATTENDANCE AT LEA MEETINGS

CONTRACTOR shall attend District mandated meetings when legal mandates, and/or LEA policy and procedures are reviewed, including but not limited to the areas of: curriculum, high school graduation, standards-based instruction, behavior intervention, cultural and linguistic needs of students with disabilities, dual enrollment responsibilities, LRE responsibilities, transition services, and standardized testing and IEPs. LEA shall provide CONTRACTOR with reasonable notice of mandated meetings. Attendance at such meetings does not constitute a billable service hour(s).

30. POSITIVE BEHAVIOR INTERVENTIONS AND SUPPORTS

CONTRACTOR shall comply with the requirements of Education Code section 49005, *et seq.*, 56521.1 and 56521.2. LEA students who exhibit behaviors that interfere with their learning or the learning of others must receive timely and appropriate assessments and positive supports and interventions in accordance with the federal law and its implementing regulations. If the Individualized Education Program ("IEP") team determines that a student's behavior impedes his or her learning or the learning of others, the IEP team is required to consider the use of positive behavioral interventions and supports, and other strategies, to address that behavior, consistent with Section 1414(d)(3)(B)(i) and (d)(4) of Title 20 of the United States Code and associated federal regulations. This could mean that instead of developing a Behavior Intervention Plan ("BIP"), the IEP team may conclude it is sufficient to address the student's behavioral problems through the development of behavioral goals and behavioral interventions to support those goals.

CONTRACTOR shall maintain a written policy pursuant to California Education Code section 56521.1 regarding emergency interventions and behavioral emergency reports. CONTRACTOR shall ensure that all of its staff members are trained annually in crisis intervention and emergency procedures as related to appropriate behavior management strategies. Training includes certification with an approved SELPA crisis intervention program. Evidence of such training to applicable or relevant staff shall be submitted to the LEA at the beginning of the school year and within six (6) days of any new hire as referenced above.

Pursuant to Education Code section 56521.1, emergency interventions shall not be used as a substitute for a BIP, and shall not be employed longer than necessary to contain the behavior. Emergency interventions may only be used to control unpredictable, spontaneous behavior that poses clear and present danger of serious physical harm to the individual with exceptional needs, or others, and that cannot be immediately prevented by a response less restrictive than the temporary application of a technique used to contain the behavior. If a situation requires prolonged use of emergency intervention, staff must seek assistance from the school site administrator or a law enforcement agency.

CONTRACTOR shall complete a behavior emergency report when an emergency occurs that is defined as a serious, dangerous behavior that staff has determined to present a clear and present danger to others. It requires a non-violent physical intervention to protect the safety of student, self, or others and a physical intervention has been used; or a physical intervention has not been used, but an injury or serious property damage has occurred. Personal Safety Techniques may or may not have been used. Emergencies *require* a behavior emergency report form be completed and submitted to the LEA within twenty-four (24) hours for administrative action. CONTRACTOR shall notify Parent within twenty-four (24) hours via telephone. If the student's IEP does not contain a Behavior Intervention Plan ("BIP") or Positive Behavior Intervention Plan ("PBIP"), an IEP team shall schedule a meeting to review the behavior emergency report, determine if there is a necessity for a functional behavioral assessment, and to determine an interim plan. If the student already has a BIP, the IEP team shall review and modify the BIP if a new serious behavior has been exhibited or existing behavioral interventions have proven to be ineffective. CONTRACTOR shall schedule with LEA an IEP meeting within two (2) days.

Pursuant to Education Code section 56521.2, CONTRACTOR shall not authorize, order, consent to, or pay for the following interventions, or any other interventions similar to or like the following: (1) Any intervention that is designed to, or likely to, cause physical pain, including, but not limited to, electric-shock (2) An intervention that involves the release of noxious, toxic, or otherwise unpleasant sprays, mists, or substances in proximity to the face of the individual. (3) An intervention that denies adequate sleep, food, water, shelter, bedding, physical comfort, or access to bathroom facilities. (4) An intervention that is designed to subject, used to subject, or likely to subject, the individual to verbal abuse, ridicule, or humiliation, or that can be expected to cause excessive emotional trauma. (5) Restrictive interventions that employ a device, material, or objects that simultaneously immobilize all four extremities, including the procedure known as prone containment, except that prone containment or similar techniques may be used by trained personnel as a limited emergency intervention. (6) Locked seclusion, unless it is in a facility otherwise licensed or permitted by state law to use a locked room. (7) An intervention that precludes adequate supervision of the individual. (8) An intervention that deprives the individual of one or more of his or her senses. (b) In the case of a child whose behavior impedes the child's learning or that of others, the individualized education program team shall consider the use of positive behavioral interventions and supports, and other strategies, to address that behavior, consistent with Section 1414(d)(3)(B)(i) and (d)(4) of Title 20 of the United States Code and associated federal regulations.

All restraint practices must be reviewed and revised when they have an adverse effect on a student and are used repeatedly for an individual child, either on multiple occasions within the same classroom or multiple uses by the same individual. CONTRACTOR shall notify the student's parent/guardian when any type of physical or mechanical restraint or seclusion has been used. Upon the use of any type of physical or mechanical restraint or seclusions of a District student, CONTRACTOR shall complete a BER per the reporting and notification requirements listed above.

31. STUDENT DISCIPLINE

CONTRACTOR shall maintain and abide by a written policy for student discipline that is consistent with state and federal law and regulations.

When CONTRACTOR seeks to remove a student from his/her current educational placement for disciplinary reasons, CONTRACTOR shall immediately submit a written discipline report to the LEA and a manifestation IEP team meeting shall be scheduled. Written discipline reports shall include, but not be limited to: the student's name; the time, date, and description of the misconduct; the disciplinary action taken by CONTRACTOR; and the rationale for such disciplinary action. A copy of the student's behavior plan, if any, shall be submitted with the written discipline report. CONTRACTOR and LEA agree to participate in a manifestation determination at an IEP meeting no later than the tenth (10th) day of suspension. CONTRACTOR shall notify and invite LEA representatives to the IEP team meeting where the manifestation determination will be made.

32. IEP TEAM MEETINGS

An IEP team meeting shall be convened at least annually to evaluate: (1) the educational progress of each student placed with CONTRACTOR, including all state assessment results pursuant to the requirements of Education Code section 52052; (2) whether or not the needs of the student continue to be best met at the nonpublic school; and (3) whether changes to the student's IEP are necessary, including whether the student may be transitioned to a public school setting. (California Education Code sections 56366 (a) (2) (B) (i) and (ii)) and pursuant to California Education Code section 56345 (b) (4).)

If the LEA student is to be transferred from a NPS setting into a regular class setting in a public school for any part of the school day, the IEP team shall document, if appropriate, a description of activities provided to integrate the student into the regular education program, including the nature of each activity as well as the time spent on the activity each day or week and a description of the activities provided to support the transition of the student from the special education program into the regular education program. Each student shall be allowed to provide confidential input to any representative of his or her

IEP team. Except as otherwise provided in the Master Contract, CONTRACTOR and LEA shall participate in all IEP team meetings regarding students for whom ISAs have been or may be executed. At any time during the term of this Master Contract, the parent, the CONTRACTOR or the LEA may request a review of the student's IEP, subject to all procedural safeguards required by law, including reasonable notice given to, and participation of, the CONTRACTOR in the meeting. Every effort shall be made to schedule IEP team meetings at a time and place that is mutually convenient to parent, CONTRACTOR and LEA. CONTRACTOR shall provide to LEA assessments and written assessment reports by service providers upon request and/or pursuant to LEA policy and procedures. It is understood that attendance at an IEP meeting is part of CONTRACTOR'S professional responsibility and is not a billable service under this Master Contract.

It is understood that the CONTRACTOR shall utilize the approved electronic IEP system of the LEA for all IEP planning and progress reporting at the LEA's discretion. The SELPA shall provide training for any NPS and NPA to assure access to the approved system. The NPS and/or NPA shall maintain confidentiality of all IEP data on the approved system and shall protect the password requirements of the system. When a student dis-enrolls from the NPS, the NPS/NPA shall discontinue use of the approved system for that student.

Changes in any student's educational program, including instruction, services, or instructional setting provided under this Master Contract, may only be made on the basis of revisions to the student's IEP. In the event that the CONTRACTOR believes the student requires a change of placement, the CONTRACTOR may request a review of the student's IEP for the purposes of consideration of a change in the student's placement. Student is entitled to remain in the last agreed upon and implemented placement unless parent agrees otherwise or an Interim Alternative Educational Setting is deemed lawful and appropriate by LEA or OAH consistent with Section 1415 (k)(1)(7) of Title 20 of the United States Code.

33. SURROGATE PARENTS AND FOSTER YOUTH

CONTRACTOR shall comply with LEA surrogate parent assignments. A pupil in foster care shall be defined pursuant to California Education Code section 42238.01(b). The LEA shall annually notify the CONTRACTOR who the LEA has designated as the educational liaison for foster children. When a pupil in foster care is enrolled in a nonpublic school by the LEA any time after the completion of the pupil's second year of high school, the CONTRACTOR shall schedule the pupil in courses leading towards graduation based on the diploma requirements of the LEA unless provided notice otherwise in writing pursuant to Section 51225.1.

34. DUE PROCESS PROCEEDINGS

CONTRACTOR shall fully participate in special education due process proceedings including mediations and hearings, as requested by LEA. CONTRACTOR shall also fully participate in the investigation and provision of documentation related to any complaint filed with the State of California, the Office of Civil Rights, or any other state and/or federal governmental body or agency. Full participation shall include, but in no way be limited to, cooperating with LEA representatives to provide complete answers raised by any investigator and/or the immediate provision of any and all documentation that pertains to the operation of CONTRACTOR's program and/or the implementation of a particular student's IEP/Individual and Family Service Plan ("IFSP").

35. COMPLAINT PROCEDURES

CONTRACTOR shall maintain and adhere to its own written procedures for responding to parent complaints. These procedures shall include annually notifying and providing parents of students with appropriate information (including complaint forms) for the following: (1) Uniform Complaint Procedures pursuant to Title 5 of the California Code of Regulations section 4600 *et seq.*; (2) Nondiscrimination policy pursuant to Title 5 of the California Code of Regulations section 4960 (a); (3) Sexual Harassment Policy, California Education Code 231.5 (a) (b) (c); (4) Title IX Student Grievance

Procedure, Title IX 106.8 (a) (d) and 106.9 (a); and (5) Notice of Privacy Practices in compliance with Health Insurance Portability and Accountability Act ("HIPAA"). CONTRACTOR shall include verification of these procedures to the LEA.

36. STUDENT PROGRESS REPORTS/REPORT CARDS AND ASSESSMENTS

Unless LEA requests in writing that progress reports be provided on a monthly basis, CONTRACTOR shall provide to parents at least four (4) written progress reports/report cards. At a minimum, progress reports shall include progress over time towards IEP goals and objectives. A copy of the progress reports/report cards shall be maintained at the CONTRACTOR's place of business and shall be submitted to the LEA and LEA student's parent(s).

The CONTRACTOR shall also provide an LEA representative access to supporting documentation used to determine progress on any goal or objective, including but not limited to log sheets, observation notes, data sheets, pre/post tests, rubrics and other similar data collection used to determine progress or lack of progress on approved goals, objectives, transition plans or behavior intervention plans. The LEA may request such data at any time within five (5) years of the date of service. The CONTRACTOR shall provide this data supporting progress within five (5) business days of request. Additional time may be granted as needed by the LEA.

CONTRACTOR shall complete academic or other evaluations of the student ten (10) days prior to the student's annual or triennial review IEP team meeting for the purpose of reporting the student's present levels of performance at the IEP team meeting as required by state and federal laws and regulations and pursuant to LEA policies, procedures, and/or practices. CONTRACTOR shall provide sufficient copies of its reports, documents, and projected goals to share with members of the IEP team five (5) business days prior to the IEP meeting. CONTRACTOR shall maintain supporting documentation such as test protocols and data collection, which shall be made available to LEA within five (5) business days of request.

The CONTRACTOR is responsible for all evaluation costs regarding the updating of goals and objectives, progress reporting and development of present levels of performance. All assessments resulting from an assessment plan shall be provided by the LEA unless the LEA specifies in writing a request that CONTRACTOR perform such additional assessment. Any assessment and/or evaluation costs may be added to the ISA and/or approved separately by the LEA at the LEA's sole discretion.

It is understood that all billable hours must be in direct services to pupils as specified in the ISA. For Nonpublic Agency services, supervision provided by a qualified individual as specified in Title 5 Regulation, subsection 3065, shall be determined as appropriate and included in the ISA. Supervision means the direct observation of services, data review, case conferencing and program design consistent with professional standards for each professional's license, certification, or credential.

CONTRACTOR shall not charge the student's parent(s) or LEA for the provision of progress reports, report cards, evaluations conducted in order to obtain present levels of performance, interviews, and/or meetings. It is understood that all billable hours have limits to those specified on the ISA consistent with the IEP. It is understood that copies of data collection notes, forms, charts and other such data are part of the pupil's record and shall be made available to the LEA upon written request.

37. TRANSCRIPTS

When CONTRACTOR is a nonpublic school, CONTRACTOR shall prepare transcripts at the close of each semester, or upon student transfer, for students in grades nine (9) through twelve (12) inclusive, and submit them on LEA approved forms to the student's school of residence for evaluation of progress toward completion of diploma requirements as specified in LEA Procedures. CONTRACTOR shall submit to the LEA names of students and their schools of residence for whom transcripts have been submitted as specified by the LEA.

38. STUDENT CHANGE OF RESIDENCE

Within five (5) school days after CONTRACTOR becomes aware of a student's change of residence, CONTRACTOR shall notify LEA of the student's change of residence as specified in LEA Procedures. Upon enrollment, CONTRACTOR shall notify parents in writing of their obligation to notify CONTRACTOR of the student's change of residence. CONTRACTOR shall maintain, and provide upon request by LEA, documentation of such notice to parents.

If CONTRACTOR had knowledge or should reasonably have had knowledge of the student's change of residence boundaries and CONTRACTOR fails to follow the procedures specified in this provision, LEA shall not be responsible for the costs of services delivered after the student's change of residence.

39. WITHDRAWAL OF STUDENT FROM PROGRAM

CONTRACTOR shall immediately report electronically and in writing to the LEA within five (5) business days when an LEA student is withdrawn without prior notice from school and/or services, including student's change of residence to a residence outside of LEA service boundaries, and student's discharge against professional advice from a Nonpublic Schools/Residential Treatment Center ("NPS/RTC").

40. PARENT ACCESS

CONTRACTOR shall provide for reasonable parental access to students and all facilities including, but not limited to, the instructional setting, recreational activity areas, meeting rooms and student living quarters. CONTRACTOR shall comply with any known court orders regarding parental visits and access to LEA students.

CONTRACTOR operating programs associated with a NPS/RTC shall cooperate with a parent's reasonable request for LEA student therapeutic visits in their home or at the NPS/RTC. CONTRACTOR shall require that parents obtain prior written authorization for therapeutic visits from the CONTRACTOR and the LEA at least thirty (30) days in advance. CONTRACTOR shall facilitate all parent travel and accommodations and for providing travel information to the parent as appropriate. Payment by LEA for approved travel-related expenses shall be made directly through the LEA.

CONTRACTOR providing services in the student's home as specified in the IEP shall assure that at least one parent of the child, or an adult caregiver with written and signed authorization to make decisions in an emergency, is present. The names of any adult caregiver other than the parent shall be provided to the LEA prior to the start of any home based services, including written and signed authorization in emergency situations. The parent shall inform the LEA of any changes of caregivers and provide written authorization for emergency situation. The adult caregiver cannot also be an employee or volunteer associated with the NPS/NPA service provider.

For services provided in a pupil's home as specified in the IEP, CONTRACTOR must assure that the parent or LEA approved responsible adult is present during the provision of services. All problems and/or concerns reported to parents, both verbal and written, shall also be provided to the LEA.

41. LICENSED CHILDREN'S INSTITUTION ("LCI") CONTRACTORS AND RESIDENTIAL TREATMENT CENTER ("RTC") CONTRACTORS

An LCI shall not require that a pupil be placed in its nonpublic school as a condition of being placed in its residential facility.

If CONTRACTOR is a nonpublic, nonsectarian school that is owned, operated by, or associated with a residential treatment center (hereinafter referred to as "NPS/RTC"), CONTRACTOR shall adhere to all legal requirements under the Individuals with Disabilities Education Act (IDEA), 20 U.S.C. section 1412(a)(1)(A) and Education Code section 56000, et seq.; amended and reorganized by the Individuals with Disabilities Education Improvement Act of 2004 (IDEIA), 20 U.S.C. section 1401(29); Education Code section 56031; Cal. If CONTRACTOR is a nonpublic, nonsectarian school that is owned, operated by, or associated with a LCI, CONTRACTOR shall provide to LEA, on a quarterly basis, a list of all students, including those identified as eligible for special education. For those identified special education students, the list shall include: 1) special education eligibility at the time of enrollment and; 2) the educational placement and services specified in each student's IEP at the time of enrollment.

Unless placement is made pursuant to an Office of Administrative Hearings order or a lawfully executed agreement between LEA and parent, LEA is not responsible for the costs associated with nonpublic school placement until the date on which an IEP team meeting is convened, the IEP team determines that a nonpublic school placement is appropriate, and the IEP is signed by the student's parent or another adult with educational decision-making rights.

In addition to meeting the certification requirements of the State of California, a CONTRACTOR that operates a program outside of this State shall be certified or licensed by that state to provide, respectively, special education and related services and designated instruction and related services to pupils under the federal Individuals with Disabilities Education Act (20 U.S.C. Sec. 1400 et seq.).

42. STATE MEAL MANDATE

When CONTRACTOR is a nonpublic school, CONTRACTOR and LEA shall satisfy the State Meal Mandate under California Education Code sections 49530, 49530.5 and 49550.

43. MONITORING

CONTRACTOR shall allow LEA representatives access to its facilities for periodic monitoring of each student's instructional program and shall be invited to participate in the formal review of each student's progress. LEA shall have access to observe each student at work, observe the instructional setting, interview CONTRACTOR, and review each student's records and progress. Such access shall include unannounced monitoring visits. When making site visits, LEA shall initially report to CONTRACTOR's site administrative office. CONTRACTOR shall be invited to participate in the review of each student's progress.

CONTRACTOR understands that LEA reserves the right to institute a program audit with or without cause. The program audit may include, but is not limited to, a review of core compliance areas of health and safety; curriculum/instruction; related services; and contractual, legal, and procedural compliance.

PERSONNEL

44. CLEARANCE REQUIREMENTS

CONTRACTOR shall comply with the requirements of California Education Code sections 44237, 35021.1 and 35021.2 including, but not limited to: obtaining clearance from both the California Department of Justice (hereinafter referred to as "CDOJ") and clearance from the Federal Bureau of Investigation (hereinafter referred to as "FBI") for CONTRACTOR's employees and volunteers who will have or likely may have any direct contact with LEA students. CONTRACTOR hereby agrees that CONTRACTOR's employees and volunteers shall not come in contact with students until CDOJ and FBI clearance are ascertained. CONTRACTOR shall certify in writing to LEA that none of its employees, and volunteers, unless CONTRACTOR determines that the volunteers will have no direct contact with students, or subcontractors who may come into contact with students have been convicted of a violent or serious felony as those terms are defined in California Education Code section 44237(h), unless despite the employee's conviction of a violent or serious felony, he or she has met the criteria to be eligible for employment pursuant to California Education Code section 44237 (i) or (j). Clearance certification shall be submitted to the LEA.

The passage of AB 389 amends Education Code sections 44237 and 56366.1 as to the verification that the CONTRACTOR has received a successful criminal background check clearance and has enrolled in subsequent arrest notification service, as specified, for each owner, operator, and employee of the nonpublic, nonsectarian school or agency. Further this bill deletes the exemption for applicants possessing a valid California state teaching credential or who are currently licensed by another state agency that requires a criminal record summary, from submitting two (2) sets of fingerprints for the purpose of obtaining a criminal record summary from the Department of Justice and the Federal Bureau of Investigation. Notwithstanding the restrictions on sharing and destroying criminal background check information, CONTRACTOR, upon demand, shall make available to the LEA evidence of a successful criminal background check clearance and enrollment in subsequent arrest notification service, as provided, for each owner, operator, and employee of the nonpublic, nonsectarian school or agency. CONTRACTOR is required to retain the evidence on-site, as specified, for all staff, including those licensed or credentialed by another state agency. Background clearances and proof of subsequent arrest notification service, as required by California Penal Code section 11105.2, for all staff shall be provided to the LEA upon request.

45. STAFF QUALIFICATIONS

CONTRACTOR shall ensure that all individuals employed, contracted, and/or otherwise hired by CONTRACTOR to provide classroom and/or individualized instruction or related services hold a license, certificate, permit, or other document equivalent to that which staff in a public school are required to hold in the service rendered consistent with Education Code section 56366.1(n)(1) and are qualified pursuant to Title 34 of the Code of Federal Regulations sections 200.56 and 200.58, and Title 5 of the California Code of Regulations sections 3001(y), 3064 and 3065. Such qualified staff may only provide related services within the scope of their professional license, certification or credential and ethical standards set by each profession, and not assume responsibility or authority for another related services provider or special education teacher's scope of practice.

46

CONTRACTOR shall ensure that all staff are appropriately credentialed to provide instruction and services to students with the disabling conditions placed in their program/school through documentation provided to the CDE (5 CCR 3064 (a)).

When CONTRACTOR is a nonpublic school, an appropriately qualified person shall serve as curricular and instructional leader, and be able to provide leadership, oversight and professional development.

CONTRACTOR shall comply with personnel standards and qualifications regarding instructional aides and teacher assistants respectively pursuant to federal requirements and California Education Code sections 45340 *et seq.* and 45350 *et seq.* Specifically, all paraprofessionals, including but not limited to, instructional aides and teacher assistants, employed, contracted, and/or otherwise hired or subcontracted by CONTRACTOR to provide classroom and/or individualized instruction or related services, shall possess a high school diploma (or its recognized equivalent) and at least one of the following qualifications: (a) completed at least two (2) years of study at an institution of higher education; or (b) obtained an associate's (or higher) degree; or (c) met a rigorous standard of quality and can demonstrate, through a formal state or local assessment (i) knowledge of, and the ability to assist in instructing, reading, writing, and mathematics; or (ii) knowledge of, and the ability to assist in instructing, reading readiness, writing readiness, and mathematics readiness, as appropriate. CONTRACTOR shall comply with all laws and regulations governing the licensed professions, including but not limited to, the provisions with respect to supervision.

In addition to meeting the certification requirements of the State of California, a CONTRACTOR that operates a program outside of this state and serving a student by this LEA shall be certified or licensed by that state to provide special education and related services to pupils under the federal Individuals with Disabilities Education Act (20 U.S.C. Sec. 1400 *et seq.*).

46. VERIFICATION OF LICENSES, CREDENTIALS AND OTHER DOCUMENTS

CONTRACTOR shall submit to LEA a staff list, and copies of all current licenses, credentials, certifications, permits and/or other documents which entitle the holder to provide special education and/or related services by individuals employed, contracted, and/or otherwise hired or sub-contracted by CONTRACTOR. CONTRACTOR shall ensure that all licenses, credentials, permits or other documents are on file at the office of the County Superintendent of Schools. CONTRACTOR shall provide the LEA with the verified dates of fingerprint clearance, Department of Justice clearance and Tuberculosis Test clearance for all employees, approved subcontractors and/or volunteers prior to such individuals starting to work with any student.

CONTRACTOR shall monitor the status of licenses, credentials, certifications, permits and/or other documents for all individuals employed, contracted, and/or otherwise hired by CONTRACTOR. CONTRACTOR shall notify LEA and CDE in writing within forty-five (45) days when personnel changes occur which may affect the provision of special education and/or related services to LEA students. CONTRACTOR shall notify LEA within forty-five (45) days if any such licenses, certifications or waivers are expired, suspended, revoked, rescinded, challenged pursuant to an administrative or legal complaint or lawsuit, or otherwise nullified during the effective period of this Master Contract. The LEA shall not be obligated to pay for any services provided by a person whose such licenses, certifications or waivers are expired, suspended, revoked, rescinded, or otherwise nullified during the period which such person is providing services under this Master Contract. Failure to notify the LEA and CDE of any changes in credentialing/licensed staff may result in suspension or revocation of CDE certification and/or suspension or termination of this Master Contract by the LEA.

47. STAFF ABSENCE

When CONTRACTOR is a nonpublic agency and/or related services provider, and CONTRACTOR's service provider is absent, CONTRACTOR shall provide a qualified (as defined in Section 7 of this agreement and as determined by LEA) substitute, unless LEA provides appropriate coverage in lieu of CONTRACTOR's service providers. It is understood that the parent of a student shall not be deemed to

be a qualified substitute for their student. LEA will not pay for services unless a qualified substitute is provided and/or CONTRACTOR provides documentation evidencing the provision of "make-up" services by a qualified service provider within thirty (30) calendar days from the date on which the services should have been provided. CONTRACTOR shall not "bank" or "carry over" make up service hours under any circumstances, unless otherwise agreed to in writing by CONTRACTOR and authorized LEA representative.

48. STAFF PROFESSIONAL BEHAVIOR WHEN PROVIDING SERVICES AT SCHOOL OR SCHOOL RELATED EVENTS OR AT SCHOOL FACILITY AND/OR IN THE HOME

It is understood that all employees, subcontractors, and volunteers of any certified nonpublic school or agency shall adhere to the customary professional and ethical standards when providing services. The names of any adult caregiver other than the parent shall be provided to the LEA prior to the start of any home-based services, including written and signed authorization in emergency situations. The adult caregiver cannot also be an employee or volunteer associated with the NPS/NPA service provider. CONTRACTOR shall be responsible for any structural changes and/or modifications to CONTRACTOR's facilities as required complying with applicable federal, state, and local laws,

regulations, and ordinances. Failure to notify the LEA and CDE of any changes in, major modification or relocation of facilities may result in the suspension or revocation of CDE certification and/or suspension or termination of this Master Contract by the LEA.

51. ADMINISTRATION OF MEDICATION

CONTRACTOR shall comply with the requirements of California Education Code section 49423 when CONTRACTOR serves a student that is required to take prescription and/or over-the-counter medication during the school day. CONTRACTOR may designate personnel to assist the student with the administration of such medication after the student's parent(s) provides to CONTRACTOR: (a) a written statement from a physician detailing the type, administration method, amount, and time schedules by which such medication shall be taken; and (b) a written statement from the student's parent(s) granting CONTRACTOR permission to administer medication(s) as specified in the physician's statement. Such written log shall specify the student's name; the type of medication; the date, time, and amount of each administration; and the name of CONTRACTOR's employee who administered the medication. CONTRACTOR maintains full responsibility for assuring appropriate staff training in the administration of such medication consistent with physician's written orders. Any change in medication type, administration method, amount or schedule must be authorized by both a licensed physician and parent.

CONTRACTOR shall submit within 24 hours, electronically, any accident or incident report to the LEA. CONTRACTOR shall properly submit required accident or incident reports pursuant to the procedures specified in LEA Procedures.

53. CHILD ABUSE REPORTING

To protect the privacy rights of all parties involved (i.e. reporter, child and alleged abuser), reports will remain confidential as required by law and professional ethical mandates. A written statement acknowledging the legal requirements of such reporting and verification of staff adherence to such reporting shall be submitted to the LEA.

54. SEXUAL HARASSMENT

CONTRACTOR shall have a Sexual and Gender Identity harassment policy that clearly describes the kinds of conduct that constitutes sexual harassment and that is prohibited by the CONTRACTOR's policy, as well as federal and state law. The policy should include procedures to make complaints without fear of retaliation, and for prompt and objective investigations of all sexual harassment complaints. CONTRACTOR further agrees to provide annual training to all employees regarding the laws concerning sexual harassment and related procedures pursuant to Government Code 12950.1.

55. REPORTING OF MISSING CHILDREN

CONTRACTOR assures LEA that all staff members, including volunteers, are familiar with and agree to adhere to requirements for reporting missing children as specified in California Education Code section 49370. The written statement shall be submitted as specified by the LEA.

FINANCIAL

56. ENROLLMENT, CONTRACTING, SERVICE TRACKING, ATTENDANCE REPORTING, AND BILLING PROCEDURES

CONTRACTOR shall assure that the school or agency has the necessary financial resources to provide an appropriate education for the students enrolled and will distribute those resources in such a manner to implement the IEP and ISA for each and every student.

CONTRACTOR shall comply with all LEA procedures concerning enrollment, contracting, attendance reporting, service tracking and billing including requirements of electronic billing as specified by the LEA Procedures. CONTRACTOR shall be paid for the provision of special education and/or related services specified in the student's IEP and ISA. All payments by LEA shall be made in accordance with the terms and conditions of this Master Contract and governed by all applicable federal and state laws.

CONTRACTOR shall maintain separate registers for the basic education program, each related service, and services provided by instructional assistants, behavior intervention aides and bus aides. Original attendance forms (i.e., roll books for the basic education program, service tracking documents and notes for instructional assistants, behavioral intervention aides, bus aides, and each related service) shall be completed by the actual service provider whose signature shall appear on such forms and shall be available for review, inspection, or audit by LEA during the effective period of this contract and for a period of five (5) years thereafter. CONTRACTOR shall verify the accuracy of minutes of reported attendance that is the basis of services being billed for payment.

CONTRACTOR shall submit invoices and related documents to LEA for payment, for each calendar month when education or related services were provided. Invoices and related documents shall be properly submitted electronically and in addition, on an LEA form with signatures in the manner prescribed by LEA in the LEA Procedures. At a minimum, each invoice must contain the following information: month of service; specific days and times of services coordinated by the LEA approved calendar unless otherwise specified in the IEP or agreed to by the LEA; name of staff who provided the service; approved cost of each invoice; total for each service and total for the monthly invoice; date invoice was mailed; signature of NPS/NPA administrator authorizing that the information is accurate and consistent with the ISA, CDE certificates and staff notification; verification that attendance report is attached as appropriate; indication of any made-up session consistent with this contract; verification that progress reports have been provided consistent with the ISA (monthly or quarterly unless specified otherwise on the ISA); and name or initials of each student for when the service was provided.

In the event services were not provided, rationale for why the services were not provided shall be included.

Such an invoice is subject to all conditions of this contract. At the discretion of the LEA, an electronic invoice may be required provided such notice has been made in writing and training provided to the CONTRACTOR at no additional charge for such training.

Invoices shall be submitted no later than thirty (30) days after the end of the attendance accounting period in which the services were rendered. LEA shall make payment to CONTRACTOR based on the number of billable days of attendance and hours of service at rates specified in this contract within forty-five (45) days of LEA's receipt of properly submitted hard copy of invoices prepared and submitted as specified in California Education Code Section 56366.5 and the LEA. CONTRACTOR shall correct deficiencies and

submit rebilling invoices no later than thirty (30) calendar days after the invoice is returned by LEA. LEA shall pay properly submitted re-billing invoices no later than forty-five (45) days after the date a completely corrected re-billing invoice is received by LEA.

In no case shall initial payment claim submission for any Master Contract fiscal year (July through June) extend beyond December 31st after the close of the fiscal year. In no case shall any rebilling for the Master Contract fiscal year (July through June) extend beyond six (6) months after the close of the fiscal year unless approved by the LEA to resolve billing issues including re-billing issues directly related to a delay in obtaining information from the Commission on Teacher Credentialing regarding teacher qualification, but no later than twelve (12) months from the close of the fiscal year. If the billing or re-billing error is the responsibility of the LEA, then no limit is set provided that the LEA and CONTRACTOR have communicated such concerns in writing during the 12-month period following the close of the fiscal year. LEA will not pay mileage for NPA employee.

57. RIGHT TO WITHHOLD PAYMENT

LEA may withhold payment to CONTRACTOR when: (a) CONTRACTOR has failed to perform, in whole or in part, under the terms of this contract; (b) CONTRACTOR has billed for services rendered on days other than billable days of attendance or for days when student was not in attendance and/or did not receive services; (c) CONTRACTOR was overpaid by LEA as determined by inspection, review, and/or audit of its program, work, and/or records; (d) CONTRACTOR has failed to provide supporting documentation with an invoice, as required by EC 56366(c)(2); (e) education and/or related services are provided to students by personnel who are not appropriately credentialed, licensed, or otherwise qualified; (f) LEA has not received prior to school closure or contract termination, all documents concerning one or more students enrolled in CONTRACTOR's educational program; (g) CONTRACTOR fails to confirm a student's change of residence to another district or confirms the change or residence to another district, but fails to notify LEA within five (5) days of such confirmation; or (h) CONTRACTOR receives payment from Medi-Cal or from any other agency or funding source for a service provided to a student. It is understood that no payments shall be made for any invoices that are not received by six (6) months following the close of the prior fiscal year, for services provided in that year.

Final payment to CONTRACTOR in connection with the cessation of operations and/or termination of a Master Contract will be subject to the same documentation standards described for all payment claims for regular ongoing operations. In addition, final payment may be withheld by the LEA until completion of a review or audit, if deemed necessary by the LEA. Such review or audit will be completed within ninety (90) days. The final payment may be adjusted to offset any previous payments to the CONTRACTOR determined to have been paid in error or in anticipation of correction of documentation deficiencies by the CONTRACTOR that remain uncorrected.

The amount which may be withheld by LEA with respect to each of the subparagraphs of the preceding paragraph are as follows: (a) the value of the service CONTRACTOR failed to perform; (b) the amount of overpayment; (c) the entire amount of the invoice for which satisfactory documentation has not been provided by CONTRACTOR; (d) the amount invoiced for services provided by the individual not appropriately credentialed, licensed, or otherwise qualified; (e) the proportionate amount of the invoice related to the applicable pupil for the time period from the date the violation occurred and until the violation is cured; or (f) the amount paid to CONTRACTOR by Medi-Cal or another agency or funding source for the service provided to the student.

If LEA determines that cause exists to withhold payment to CONTRACTOR, LEA shall, within ten (10) business days of this determination, provide to CONTRACTOR written notice that LEA is withholding payment. Such notice shall specify the basis or bases for LEA's withholding payment and the amount to be withheld. Within thirty (30) days from the date of receipt of such notice, CONTRACTOR shall take all necessary and appropriate action to correct the deficiencies that form the basis for LEA's withholding payment or submit a written request for extension of time to correct the deficiencies. Upon receipt of CONTRACTOR's written request showing good cause, LEA shall extend CONTRACTOR's time to correct deficiencies (usually an additional thirty (30) days), otherwise payment will be denied.

If after subsequent request for payment has been denied and CONTRACTOR believes that payment should not be withheld, CONTRACTOR shall send written notice to LEA specifying the reason it believes payment should not be withheld. LEA shall respond to CONTRACTOR's notice within thirty (30) business days by indicating that a warrant for the amount of payment will be made or stating the reason LEA believes payment should not be made. If LEA fails to respond within thirty (30) business days or a dispute regarding the withholding of payment continues after the LEA's response to CONTRACTOR's notice, CONTRACTOR may invoke the following escalation policy.

After forty-five (45) business days: The CONTRACTOR may notify the Authorized LEA's Representative of the dispute in writing. The LEA Authorized Representative shall respond to the CONTRACTOR in writing within fifteen (15) business days.

After sixty (60) business days: Disagreements between the LEA and CONTRACTOR concerning the Master Contract may be appealed to the County Superintendent of Schools or the State Superintendent of Public Instruction pursuant to the provisions of California Education Code Section 56366(c) (2).

58. PAYMENT FROM OUTSIDE AGENCIES

CONTRACTOR shall notify LEA when Medi-Cal or any other agency is billed for the costs associated with the provision of special education and/or related services to students. Upon request, CONTRACTOR shall provide to LEA any and all documentation regarding reports, billing, and/or payment by Medi-Cal or any other agency for the costs associated with the provision of special education and/or related services to students.

59. PAYMENT FOR ABSENCES

NONPUBLIC SCHOOL STAFF ABSENCE

Whenever a classroom teacher employed by CONTRACTOR is absent, CONTRACTOR shall provide an appropriately credentialed substitute teacher in the absent teacher's classroom in accordance with California Education Code section 56061. CONTRACTOR shall provide to LEA documentation of substitute coverage pursuant to the LEA Procedures. Substitute teachers shall remain with their assigned class during all instructional time. LEA will not pay for instruction and/or services unless said instruction or service is provided by an appropriately credentialed substitute teacher.

Whenever a related service provider is absent, CONTRACTOR shall provide a qualified (as defined in Section 7 of this agreement and as determined by LEA) substitute. LEA will not pay for services unless a qualified substitute is provided and/or CONTRACTOR provides documentation evidencing the provision of "make-up" services by a qualified service provider within thirty (30) calendar days from the date on which the services should have been provided unless otherwise agreed in student's IEP.

NONPUBLIC SCHOOL STUDENT ABSENCE

If CONTRACTOR is a nonpublic school, no later than the tenth (10th) cumulative day of a student's unexcused absence, CONTRACTOR shall notify the LEA of such absence as specified in the LEA Procedures.

Criteria for a billable day for payment purposes is one (1) day of attendance as defined in California Education Code, sections 46010, 46010.3 and 46307. LEA shall not pay for services provided on days that a student's attendance does not qualify for Average Daily Attendance (ADA) reimbursement under state law. *Per Diem* rates for students whose IEPs authorize less than a full instructional day may be adjusted on a pro rata basis in accordance with the actual proportion of the school day the student was served. LEA shall not be responsible for payment of related services for days on which a student's attendance does not qualify for Average Daily Attendance ("ADA") reimbursement under state law, nor shall student be eligible for make-up services.

NONPUBLIC AGENCY STAFF ABSENCE

When CONTRACTOR is a nonpublic agency and CONTRACTOR's service provider is absent, CONTRACTOR shall provide a qualified (as defined in Section 7 of this agreement and as determined by LEA) substitute, unless LEA provides appropriate coverage in lieu of CONTRACTOR's service providers. LEA shall not pay for services unless a qualified substitute is provided and/or CONTRACTOR provides documentation evidencing the provision of "make-up" services by a qualified service provider within thirty (30) calendar days from the date on which the services should have been provided. CONTRACTOR shall not "bank" or "carry over" make up service hours under any circumstances, unless otherwise agreed to in writing by CONTRACTOR and LEA. In the event services were not provided, reasons for why the services were not provided shall be included.

NONPUBLIC AGENCY STUDENT ABSENCE

If CONTRACTOR is a nonpublic agency, it shall notify LEA of the absence of a student no later than the fifth (5th) consecutive service day of the student's absence, as specified in the LEA Procedures. LEA shall not be responsible for the payment of services when a student is absent.

60. LEA and/or NONPUBLIC SCHOOL CLOSURE DUE TO EMERGENCY

The following shall apply in the event of a LEA or NPS school closure due to an emergency consistent with guidelines followed by LEAs under Education Code Section 41422:

- a. If CONTRACTOR remains open during an emergency and serves students appropriately as delineated in the ISA, CONTRACTOR shall receive payment, regardless of whether a sending LEA is open or closed.
- b. NPS School Closure- If the LEA is able to obtain alternative placement for the student, CONTRACTOR shall not receive payment for days the student is not in attendance due to school closure. If the LEA is unable to obtain an alternative placement, CONTRACTOR shall receive payment consistent with the signed ISA, as though the student were continuing in their regular attendance, until alternative placement can be found.
- c. LEA and NPS School Closure- On days the LEA is funded, CONTRACTOR shall receive payment consistent with the signed ISA, until alternative placement can be found. If the LEA is able to obtain alternative placement for the student, CONTRACTOR shall not receive payment for days the student is not in attendance due to school closure.

When the emergency school closure is lifted, CONTRACTOR shall notify the LEAs it serves of any lost instructional minutes. CONTRACTOR and LEAs shall work collaboratively to determine the need for make-up days or service changes, and shall work together to amend IEP and ISA paperwork as appropriate.

61. INSPECTION AND AUDIT

The CONTRACTOR shall maintain and the LEA shall have the right to examine and audit all of the books, records, documents, accounting procedures and practices and other evidence that reflect all costs claimed to have been incurred or fees claimed to have been earned under this Agreement.

CONTRACTOR shall provide access to LEA to all records including, but not limited to: student records as defined by California Education Code section 49061(b); registers and roll books of teachers; daily service logs and notes or other documents used to record the provision of related services; Medi-Cal/daily service logs and notes used to record provision of services provided by instructional assistants, behavior intervention aides, bus aides, and supervisors; absence verification records (parent/doctor notes, telephone logs, and related documents); bus rosters; staff lists specifying credentials held, business licenses held, documents evidencing other qualifications, , dates of hire, and dates of termination; staff time sheets; non-paid staff and volunteer sign-in sheets; transportation and other related service subcontracts; school calendars; bell/class schedules when applicable; liability and worker's compensation

insurance policies; state nonpublic school and/or agency certifications; by-laws; lists of current board of directors/trustees, if incorporated; other documents evidencing financial expenditures; federal/state payroll quarterly reports Form 941/DE3DP; and bank statements and canceled checks or facsimile thereof. Such access shall include unannounced inspections by LEA. CONTRACTOR shall make available to LEA all budgetary information including operating budgets submitted by CONTRACTOR to LEA for the relevant contract period being audited.

CONTRACTOR shall make all records available at the office of LEA or CONTRACTOR's offices (to be specified by LEA) at all reasonable times and without charge. All records shall be provided to LEA within five (5) working days of a written request from LEA. CONTRACTOR shall, at no cost to LEA, provide assistance for such examination or audit. LEA's rights under this section shall also include access to CONTRACTOR's offices for purposes of interviewing CONTRACTOR's employees. If any document or evidence is stored in an electronic form, a hard copy shall be made available to the LEA, unless the LEA agrees to the use of the electronic format.

CONTRACTOR shall obtain from its subcontractors and suppliers written agreements to the requirements of this section and shall provide a copy of such agreements to LEA upon request by LEA.

If an inspection, review, or audit by LEA, a state agency, a federal agency, and/or an independent agency/firm determines that CONTRACTOR owes LEA monies as a result of CONTRACTOR's over billing or failure to perform, in whole or in part, any of its obligations under this Master Contract, LEA shall provide to CONTRACTOR written notice demanding payment from CONTRACTOR and specifying the basis or bases for such demand. Unless CONTRACTOR and LEA otherwise agree in writing, CONTRACTOR shall pay to LEA the full amount owed as a result of CONTRACTOR's over billing and/or failure to perform, in whole or in part, any of its obligations under this Master Contract, as determined by an inspection, review, or audit by LEA, a state agency, a federal agency, and/or an independent agency/firm. CONTRACTOR shall make such payment to LEA within thirty (30) days of receipt of LEA's written notice demanding payment.

62. RATE SCHEDULE

The attached rate schedule (Exhibit A) limits the number of students that may be enrolled and maximum dollar amount of the contract. It may also limit the maximum number of students that can be provided specific services. Per Diem rates for students whose IEPs authorize less than a full instructional day may be adjusted proportionally. In such cases only, the adjustments in basic education rate shall be based on the required minimum number of minutes per grade level as noted in California Education Code Section 46200-46208.

Special education and/or related services offered by CONTRACTOR shall be provided by qualified personnel as per State and Federal law, and the codes and charges for such educational and/or related services during the term of this contract, shall be as stated in Exhibit A.

63. DEBARMENT CERTIFICATION

DISTRIBUTION AGREEMENT
USDA Pantry

This agreement is between Marysville Joint Unified School District (Member Agency) and The Yuba-Sutter Food Bank for the period of October 18, 2019 through June 30, 2020.

1. The member agency agrees to distribute United States Department of Agriculture (USDA) commodities, hereafter referred to as commodities, to eligible recipients who live within the member agency's defined geographical service area.
2. If a recipient from out of the member agency's service area requests food, the member agency will serve them on a one time exception basis and will advise the recipient of their proper distribution member agency.
3. Recipients must self-certify that they are income eligible by signing the EFA-7 sign-in sheet.
4. The member agency agrees to provide provisions for people incapable of signing their own name on the EFA-7 sign-in sheet.
5. The member agency agrees to require an Alternate Pick Up form or note from income eligible recipients unable to attend the physical distribution. The individual picking up commodities for these recipients must possess the form or note, and/or any other documents the distribution member agency or food bank may require. The form or note should be maintained with the EFA-7 sign in sheet. Recipients are required to provide a new Alternate Pick Up form or note every 30 days.
6. In the event the member agency is providing commodities to homebound recipients, the member agency agrees to ensure that these recipients sign the EFA-7 sign-in sheet.
7. The member agency agrees to have prominently displayed in clear sight of recipients the following signage at times whenever commodities are distributed:
 - a. **"And Justice for All" poster Form AD-475C (Last updated April 2016)**
 - b. **CDSS established Income Guidelines (Last updated April 2016)**
8. The member agency agrees to notify the food bank immediately of any changes in distribution location(s), distribution hours, or days of operation. A representative of the member agency must be present during the scheduled hours of each distribution to direct recipients to an alternate emergency food pantry in the event that all of the available food is distributed before the scheduled end time.
9. The member agency agrees to not charge recipients for any commodities they receive, nor shall they be asked or solicited for payment or donations of any kind in conjunction with receiving commodities.
10. The member agency agrees never to sell or trade commodities.
11. The member agency agrees not to redistribute commodities to other member agencies, or any other entity without prior written approval from the food bank.
12. The member agency agrees to obtain prior written approval from the food bank before conducting closed distributions.
13. The member agency agrees that no political, religious, or any other non-related activity can be conducted as a condition of, or in conjunction with, receiving commodities or prepared meals containing commodities.
14. If storing commodities, the member agency's storage area must meet the following conditions:
 - a. Storage area must be sanitary and free from infestation
 - b. Commodities must be maintained at proper storage temperatures
 - c. Commodities must be stocked separately, in an identifiable manner
 - d. Commodities must be stored off the floor, in a manner to allow for adequate ventilation.
 - e. Storage area must be safeguarded against theft, spoilage, loss, or misuse
15. The member agency agrees to allow storage facilities to be inspected by Federal, State, and local authorities for health requirements.
16. The member agency agrees to check quality and quantities received, and to sign for receipt of commodities when delivered or picked up from the food bank.
17. Either party may terminate this agreement by giving 30 days written notice to the other party. The food bank or the State may cancel this agreement immediately upon receipt of evidence that the member agency is not in compliance with the terms and conditions referenced in aforementioned terms.
18. The food bank, USDA and EFAP retain the right to visit and inspect the member agency without prior notice.
19. The member agency agrees to abide by any addendums the Food Bank requires.
20. The member agency will operate the program in accordance with Title 7, Code of Federal Regulations (CFR), Parts 250 and 251 (see attached excerpt from Section 5 of the TEFAP Policy and Procedure Manual) that pertain to the Emergency Food Assistance Program.

Education For English Language Learners

OLD
(Currently Board Approved)

BP 6174

Instruction

The Board of Education intends to provide English language learners with challenging curriculum and instruction that develop proficiency in English as rapidly and effectively as possible in order to assist students in accessing the full educational program and achieving the district's academic standards. The district's program shall be based on sound instructional theory and shall be adequately supported so that English language learners can achieve results at the same academic level as their English-proficient peers in the regular course of study.

The Board encourages staff to exchange information with staff in other districts and the county office of education about programs, options and strategies for English language learners that succeed under various demographic conditions.

(cf. 4112.22 - Staff Teaching Students of Limited English Proficiency)

The Superintendent or designee shall maintain procedures which provide for the identification, assessment and placement of English language learners and for their redesignation based on criteria adopted by the Board and specified in administrative regulations.

To evaluate program effectiveness, the Superintendent or designee shall regularly examine program results, including reports of the English language learners' academic achievement, their progress towards proficiency in English and the progress of students who have been redesignated as fluent English proficient.

(cf. 6190 - Evaluation of the Instructional Program)

Type of Instruction

Students who are English language learners shall be educated through "sheltered English immersion" or "structured English immersion" during a temporary transition period not normally intended to exceed one year. "Nearly all" of the classroom instruction in the district's sheltered English immersion program shall be in English, but with the curriculum and presentation designed for students who are learning the language. (Education Code 305, 306)

The district has defined the term "nearly all" as follows:

All classroom instruction is to be conducted in English except for clarification, explanation, and support as needed.

When an English language learner has acquired a reasonable level of English proficiency as measured by any of the state-designated assessments approved by the California Department of Education or any locally developed assessments and using other criteria developed by the district, he/she shall be transferred from a structured English immersion classroom to an English language mainstream classroom in which the instruction is "overwhelmingly" in English. (Education Code 305; 5 CCR 11301)

An English language learner has acquired a "reasonable level of English proficiency" when he/she has achieved the following:

CELDT level 4, 5 and parent(s)/guardian(s) request.

(cf. 6011 - Academic Standards)
(cf. 6162.5 - Student Assessment)
(cf. 6171 - Title I Programs)

Upon the request of his/her parent/guardian, a student shall be placed in an English language mainstream classroom. (5 CCR 11301)

Parental Exception Waivers

At any time during the school year, the parent/guardian of an English language learner may have his/her child moved into an English language mainstream program.

Parent/guardian requests for waivers from Education Code 305 regarding placement in a sheltered English immersion program shall be granted in accordance with law and administrative regulation.

Instruction

The Governing Board intends to provide English learners with challenging curriculum and instruction that maximize the attainment of high levels of proficiency in English, advance multilingual capabilities, and facilitate student achievement in the district's regular course of study.

English learners shall be provided differentiated English language development instruction which is targeted to their English proficiency level. Such instruction shall be based on sound instructional theory, be aligned with state content standards, emphasize inquiry-based learning and critical thinking skills, and be integrated across all subject areas.

(cf. 6011 - Academic Standards)

(cf. 6141 - Curriculum Development and Evaluation)

(cf. 6161.1 - Selection and Evaluation of Instructional Materials)

(cf. 6161.11 - Supplementary Instructional Materials)

(cf. 6171 - Title I Programs)

No middle or high school student who is an English learner shall be denied enrollment in any of the following: (Education Code 60811.8)

1. Courses in the core curriculum areas of reading/language arts, mathematics, science, and history-social science, courses required to meet state and local high school graduation requirements, or courses required for middle school grade promotion

However, an English learner may be denied participation in any such course if the student has been enrolled in a school in the United States for less than 12 months or is enrolled in a program designed to develop the basic English skills of newly arrived immigrant students, and the course of study provided to the student is designed to remedy academic deficits incurred during participation and to enable the student to attain parity of participation in the standard instructional program within a reasonable length of time after the student enters the school system.

2. A full course load of courses specified in item #1 above

3. Other courses that meet the "a-g" course requirements for college admission or are advanced courses such as honors or Advanced Placement courses, on the sole basis of the student's classification as an English learner

(cf. 0415 - Equity)
(cf. 6141.4 - International Baccalaureate Program)
(cf. 6141.5 - Advanced Placement)

The district shall identify in its local control and accountability plan (LCAP) goals and specific actions and services to enhance student engagement, academic achievement, and other outcomes for English learners.

(cf. 0460 - Local Control and Accountability Plan)
(cf. 3100 - Budget)

The Superintendent or designee shall encourage parent/guardian and community involvement in the development and evaluation of programs for English learners. The Superintendent or designee may also provide an English development literacy training program for parents/guardians and community members so that they may better support students' English language development.

(cf. 0420 - School Plans/Site Councils)
(cf. 1220 - Citizen Advisory Committees)
(cf. 6020 - Parent Involvement)

Staff Qualifications and Training

The Superintendent or designee shall ensure that all staff employed to teach English learners possess the appropriate authorization from the Commission on Teacher Credentialing.

(cf. 4112.22 - Staff Teaching English Learners)

The district shall provide effective professional development to teachers (including teachers in classroom settings that are not the settings of language instruction educational programs), administrators, and other school or community-based organization personnel to improve the instruction and assessment of English learners and enhance staff's ability to understand and use curricula, assessment, and instructional strategies for English learners. Such professional development shall be of sufficient intensity and duration to produce a positive and lasting impact on teachers' performance in the classroom. (20 USC 6825)

(cf. 4131 - Staff Development)
(cf. 4231 - Staff Development)
(cf. 4331 - Staff Development)

Staff development shall also address the sociocultural needs of English learners and provide opportunities for teachers to engage in supportive, collaborative learning communities.

Identification and Assessment

The Superintendent or designee shall maintain procedures for the early identification of English learners and an assessment of their proficiency using the state's English Language Proficiency Assessments for California (ELPAC). To oversee test administration, the Superintendent or designee shall annually designate a district ELPAC coordinator and a site coordinator for each test site in accordance with 5 CCR 11518.40-11518.45.

Once identified as an English learner, a student shall be annually assessed for language proficiency until the student is reclassified based on criteria specified in the accompanying administrative regulation.

In addition, English learners' academic achievement in English language arts, mathematics, science, and any additional subject required by law shall be assessed using the California Assessment of Student Performance and Progress. As necessary, the test shall be administered with testing variations in accordance with 5 CCR 854.1-854.3. English learners who are in their first 12 months of attending a school in the United States shall be exempted from taking the English language arts assessment to the extent allowed by federal law. (Education Code 60603, 60640; 5 CCR 854.1-854.3)

(cf. 6162.51 - State Academic Achievement Tests)

Formative assessments may be utilized to analyze student performance and appropriately adapt teaching methodologies and instructions.

(cf. 6162.5 - Student Assessment)

Language Acquisition Programs

The district shall offer research-based language acquisition programs that are designed to ensure English acquisition as rapidly and as effectively as possible and that provide instruction to students on the state-adopted academic content standards, including the English language development standards. (Education Code 306; 5 CCR 11300)

At a minimum, the district shall offer a structured English immersion program which includes designated and integrated English language development. In the structured English immersion program, nearly all of the classroom instruction shall be provided in English, but with the curriculum and presentation designed for students who are learning English. (Education Code 305-306; 5 CCR 11309)

For the purpose of determining the amount of instruction to be conducted in English in the structured English immersion program, "nearly all" means that all classroom instruction shall be conducted in English except for clarification, explanation, and support as needed.

The district's language acquisition programs for grades K-3 shall comply with class size requirements specified in Education Code 42238.02. (Education Code 310)

(cf. 6151 - Class Size)

In establishing the district's language acquisition programs, the Superintendent or designee shall consult with parents/guardians and the community during the LCAP development process. The Superintendent or designee shall also consult with administrators, teachers, and other personnel with appropriate authorizations and experience in establishing a language acquisition program. (Education Code 305)

At the beginning of each school year or upon a student's enrollment, parents/guardians shall be provided information on the types of language acquisition programs available to students enrolled in the district, including, but not limited to, a description of each program, the process to be followed in making a program selection, identification of any language to be taught in addition to English when the program includes instruction in another language, and the process to request establishment of a language acquisition program. (Education Code 310; 5 CCR 11310)

(cf. 5145.6 - Parental Notifications)

Whenever a student is identified as an English learner based on the results of the ELPAC, the student's parents/guardians may choose a language acquisition program that best suits their child. To the extent possible, any language acquisition program requested by the parents/guardians of 30 or more students at the school or by the parents/guardians of 20 or more students at any grade level shall be offered by the school. (Education Code 310; 5 CCR 11311)

Reclassification

When an English learner is determined based on state and district reclassification criteria to have acquired a reasonable level of English proficiency pursuant to Education Code 313 and 52164.6, or upon request by the student's parent/guardian, the student shall be transferred from a language acquisition program into an English language mainstream classroom.

Program Evaluation

To evaluate the effectiveness of the district's educational program for English learners, the Superintendent or designee shall report to the Board, at least annually, regarding:

1. Progress of English learners towards proficiency in English

2. The number and percentage of English learners reclassified as fluent English proficient
3. The number and percentage of English learners who are or are at risk of being classified as long-term English learners in accordance with Education Code 313.1
4. The achievement of English learners on standards-based tests in core curricular areas
5. For any language acquisition program that includes instruction in a language other than English, student achievement in the non-English language in accordance with 5 CCR 11309
6. Progress toward any other goals for English learners identified in the district's LCAP
7. A comparison of current data with data from at least the previous year in regard to items #1-6 above
8. A comparison of data between the different language acquisition programs offered by the district

The Superintendent or designee shall also provide the Board with regular reports from any district or schoolwide English learner advisory committees.

English language classroom means a classroom in which the language of instruction used by the teaching personnel is overwhelmingly the English language, and in which such teaching personnel possess a good knowledge of the English language. (Education Code 306)

English language mainstream classroom means a classroom in which the students either are native English language speakers or already have acquired reasonable fluency in English. (Education Code 306)

Sheltered English immersion or structured English immersion means an English language acquisition process in which nearly all classroom instruction is in English but with the curriculum and presentation designed for students who are learning the language. (Education Code 306)

Bilingual education/native language instruction means a language acquisition process for students in which much or all instruction, textbooks, and teaching materials are in the student's native language. (Education Code 306)

Identification and Assessment

Upon enrollment, each student's primary language shall be determined through use of a home language survey. (5 CCR 11307)

Within 30 calendar days of their initial enrollment, students who are identified as having a primary language other than English, as determined by the home language survey, and for whom there is no record of results from an English language development test shall be assessed using the California English Language Development Test (CELDT). (5 CCR 11511)

All students shall have sufficient time to complete the CELDT as provided in the directions for test administration. (5 CCR 11516)

Any student with a disability shall take the CELDT with those accommodations for testing that

the student has regularly used during instruction and classroom assessment as delineated in the student's individualized education program (IEP) or Section 504 plan that are appropriate and necessary to address the student's individual needs. (5 CCR 11516.5)

(cf. 6159 - Individualized Education Program)

(cf. 6164.6 - Identification and Education under Section 504)

The district shall notify parents/guardians of their child's results on the CELDT within 30 calendar days. (5 CCR 11511.5)

(cf. 5145.6 - Parental Notifications)

Within 90 days of initial enrollment, students identified as having limited English proficiency shall be further assessed for primary language proficiency in comprehension, speaking, reading and writing. The Superintendent or designee shall develop criteria for determining student needs on the basis of these assessments. (former Education Code 52164.1, 62002)

Before students are enrolled in a program for English language learners, parents/guardians shall receive information about the program and their opportunities for parental involvement. This information shall include the fact that an individual student's participation in the program is voluntary on the part of the parent/guardian. (Education Code 52173)

Not later than 30 calendar days after the beginning of the school year, each parent/guardian of a student participating in, or identified for participation in, a language instruction program supported by federal Title III funds shall receive notification of the assessment of his/her child's English proficiency. The notice shall include all of the following: (Education Code 440; 20 USC 6312)

1. The reason for the student's classification as English language learner
2. The level of English proficiency
3. A description of the program for English language development instruction, including a description of all of the following:
 - a. The manner in which the program will meet the educational strengths and needs of the student
 - b. The manner in which the program will help the student develop his/her English proficiency and meet age-appropriate academic standards
 - c. The specific exit requirements for the program, the expected rate of transition from the program into classrooms not tailored for English language learner students, and the expected rate of graduation from secondary school if Title I funds are used for students in secondary schools
 - d. Where the student has been identified for special education, the manner in which the

program meets the requirements of the student's IEP

4. Information regarding a parent/guardian's option to decline to allow the student to become enrolled in the program or to choose to allow the student to become enrolled in an alternative program
5. Information designed to assist a parent/guardian in selecting among available programs, if more than one program is offered

Parent/guardians also shall be notified of the results of any reassessments. (Education Code 52164.3)

Parental Exception Waivers

At the beginning of each school year, parents/guardians shall be informed of the placement of their children in a structured English immersion program and shall be notified of an opportunity to apply for a parental exception waiver. (Education Code 310; 5 CCR 11309)

A parent/guardian may request that the district waive the requirements of Education Code 305, pertaining to the placement of a student in a structured English immersion program if the one of the following circumstances exists:

1. Students who already know English: The student already possesses good English language skills, as measured by standardized tests of English vocabulary comprehension, reading and writing, in which the student scores at or above the state average for his/her grade level or at or above the fifth-grade average, whichever is lower. (Education Code 311(a))
2. Older students: The student is age 10 years or older, and it is the informed belief of the school principal and educational staff that an alternate course of study would be better suited to the student's rapid acquisition of basic English skills. (Education Code 311(b))
3. Students with special needs: The student already has been placed, for a period of not less than 30 calendar days during that school year, in an English language classroom and it is subsequently the informed belief of the school principal and educational staff that the student has special physical, emotional, psychological or educational needs and that an alternate course of educational study would be better suited to the student's overall educational development. (Education Code 311(c))

The parent/guardian shall personally visit the school to apply for the waiver. (Education Code 310)

Upon request for a waiver, the Superintendent or designee shall provide to the parents/guardians: (Education Code 310, 311; 5 CCR 11309)

1. A full written description, and a spoken description upon request, of the intent and content of the structured English immersion program, any alternative courses of study and all

educational opportunities offered by the district and available to the student, and the educational materials to be used in the different educational program choices

2. For a request for waiver pursuant to Education Code 311(c) for students with special needs, notification that the student must be placed for a period of not less than 30 calendar days in an English language classroom and that the Superintendent must approve the waiver pursuant to Board of Education guidelines

Pursuant to Education Code 311(b) and 311(c), the principal and educational staff may recommend a waiver to a parent/guardian for a student 10 years or older and a student with special needs. Parents/guardians shall be informed in writing of any recommendation for an alternative program made by the principal and staff and shall be given notice of their right to refuse to accept the recommendation. The notice shall include a full description of the recommended alternative program and the educational materials to be used for the alternative program as well as a description of all other programs available to the student. If the parent/guardian elects to request the alternative program recommended by the principal and educational staff, the parent/guardian shall comply with district procedures and requirements otherwise applicable to a parental exception waiver, including Education Code 310. (5 CCR 11309)

When evaluating waiver requests pursuant to Education Code 311(a) for students who already know English and other waiver requests for those students for whom standardized assessment data are not available, other equivalent assessment measures may be used. These equivalent measures may include local assessments, local standards and teacher evaluations.

Parental exception waivers pursuant to Education Code 311(b) for students 10 years or older shall be granted if it is the informed belief of the principal and educational staff that an alternate course of educational study would be better suited to the student's rapid acquisition of basic English language skills. (Education Code 311)

Parental exception waivers pursuant to Education Code 311(c) for students with special needs shall be granted if it is the informed belief of the principal and educational staff that, due to the student's special physical, emotional, psychological or educational needs, an alternate course of educational study would be better suited to the student's overall educational development. (Education Code 311)

Each waiver shall be considered on its individual merits with great deference given to parental preference for student placement.

The principal or designee shall act upon all parental exception waivers within 20 instructional days of submission to the principal. However, parental waiver requests pursuant to Education Code 311(c) for students with special needs shall not be acted upon during the 30-day placement in an English language classroom. These waivers shall be acted upon no later than 10 calendar days after the expiration of that 30-day English language classroom placement or within 20 instructional days of submission of the waiver to the principal, whichever is later. (5 CCR 11309)

All parental exception waivers shall be granted unless the principal and educational staff have determined that an alternative program offered at the school would not be better suited for the overall educational development of the student. (5 CCR 11309)

Individual schools in which 20 students or more of a given grade level receive a waiver shall be required to offer such a class; otherwise they must allow the students to transfer to a public school in which such a class is offered. (Education Code 310)

Students wishing to transfer shall be subject to the district's intradistrict and interdistrict attendance policies and administrative regulations. Students wishing to transfer to another district shall also be subject to the receiving district's interdistrict attendance policies and administrative regulations.

(cf. 5116.1 - Intradistrict Open Enrollment)
(cf. 5117 - Interdistrict Attendance)

In cases where a parental exception waiver pursuant to Education Code 311(b) or (c) is denied, the parent/guardian shall be informed in writing of the reason(s) for the denial and advised that he/she may appeal the decision to the Board if the Board authorizes such an appeal, or to the court. (5 CCR 11309)

Waiver requests shall be renewed annually by the parent/guardian. (Education Code 310)

Reclassification/Redesignation

The district shall continue to provide additional and appropriate educational services to English language learners for the purposes of overcoming language barriers until the English language learners have: (5 CCR 11302)

1. Demonstrated English language proficiency comparable to that of the district's average native English language speakers
2. Recouped any academic deficits which may have been incurred in other areas of the core curriculum as a result of language barriers

English language learners shall be redesignated as fluent English proficient when they are able to comprehend, speak, read and write English well enough to receive instruction in the regular program and make academic progress at a level substantially equivalent to that of students of the same age or grade whose primary language is English and who are in the regular course of study. (Education Code 52164.6)

The following measures shall be used to determine whether an English language learner shall be reclassified as fluent English proficient: (5 CCR 11303)

1. Assessment of English language proficiency utilizing the CELDT as the primary

criterion, and objective assessment of the student's English reading and writing skills

2. Participation of the student's classroom teacher and any other certificated staff with direct responsibility for teaching or placement decisions
3. Parent/guardian opinion and consultation during a redesignation interview

Parents/guardians shall receive notice and a description of the redesignation process, including notice of their right to participate in the process. Parent/guardian participation in the process shall be encouraged.

4. Student performance on a statewide assessment of basic skills in English.
5. Objective data on the student's academic performance in English

The Superintendent or designee shall provide subsequent monitoring and support for redesignated students, including but not limited to monitoring the performance of redesignated students in the core curriculum in comparison with their native-English speaking peers, monitoring the rate of redesignation, and ensuring correct classification and placement.

The Superintendent or designee shall develop a process to monitor the effectiveness of the district's program for English language learners. The district's program shall be modified as needed to help ensure language and academic success for each English language learner.

Advisory Committees

At the district level when there are more than 50 English language learners in the district and at each school with more than 20 English language learners, parent/guardian advisory committees shall be maintained to serve the advisory functions specified in law. (5 CCR 11308)

Parents/guardians of English language learners shall constitute committee membership in at least the same percentage as their children represent of the total number of students in the school. (Education Code 52176)

The district's English language advisory committee shall advise the Board on at least the following tasks: (5 CCR 11308)

1. The development of a district master plan of education programs and services for English learners, taking into consideration the school site plans for English learners
2. The districtwide needs assessment on a school-by-school basis
3. Establishment of a district program, goals and objectives for programs and services for English learners
4. Development of a plan to ensure compliance with applicable teacher or aide requirements

5. Administration of the annual language census
6. Review of and comment on the district's reclassification procedures
7. Review of and comments on the written notification required to be sent to parents/guardians pursuant to 5 CCR 11300-11316

(cf. 0420 - School Plans/Site Councils)
(cf. 1220 - Citizen Advisory Committees)
(cf. 5020 - Parent Rights and Responsibilities)
(cf. 6020 - Parent Involvement)

In order to assist advisory members in carrying out their responsibilities, the Superintendent or designee shall ensure that committee members receive appropriate training and materials. This training shall be planned in full consultation with the members. (5 CCR 11308)

Language Acquisition Programs

Whenever parents/guardians of enrolled students, and those enrolled for attendance in the next school year, request that the district establish a specific language acquisition program in accordance with Education Code 310, such requests shall be addressed through the following process: (5 CCR 11311)

- 1. The school shall make a written record of each request, including any request submitted verbally, that includes the date of the request, the names of the parent/guardian and student making the request, a general description of the request, and the student's grade level on the date of the request. As needed, the school shall assist the parent/guardian in clarifying the request. All requests shall be maintained for at least three years from the date of the request.

Identify costs and resources necessary to implement any new language acquisition program, including, but not limited to, certificated teachers with the appropriate authorizations, necessary instructional materials, pertinent professional development for the proposed program, and opportunities for parent/guardian and community engagement to support the proposed program goals

c. Within 60 calendar days of reaching the threshold number of parents/guardians described in item #2 above, determine whether it is possible to implement the requested language acquisition program and provide written notice of the determination to parents/guardians of students attending the school, the school's teachers, and administrators

d. If a determination is made to implement the language acquisition program, create and publish a reasonable timeline of actions necessary to implement the program. If a determination is made that it is not possible to implement the program, provide a written explanation of the reason(s) the program cannot be provided.

The district shall notify parents/guardians at the beginning of each school year or upon the student's enrollment regarding the process to request a language acquisition program, including a dual-language immersion program, for their child. The notice shall also include the following: (5 CCR 11309, 11310)

6. The process to request establishment of a language acquisition program not offered at the school
7. For any dual-language immersion program offered, the specific languages to be taught. The notice also may include the program goals, methodology used, and evidence of the proposed program's effectiveness.

Standardized Testing And Reporting Program

OLD
(Currently Board Approved)

AR 6162.51
Instruction

The district shall administer the following assessments in the Standardized Testing and Reporting (STAR) Program:

1. A nationally norm-referenced achievement test in basic academic skills designated by the State Board of Education (SBE) pursuant to Education Code 60642, to each student in grades 3 and 7. (Education Code 60640)
2. Standards-based achievement tests, as designated by the SBE pursuant to Education Code 60642.5, to each student in grades 3-11. (Education Code 60640)
3. A designated primary language test (DPLT) for any limited-English-proficient student in grades 3-11 who either receives instruction in his/her primary language or has been enrolled in a California public school for less than 12 months, if such a test is available. This test shall be administered in addition to any applicable norm-referenced achievement test and standards-based achievement test. (Education Code 60640)

(cf. 6174 - Education for English Language Learners)

Following the first year of enrollment in a California public school, English language learners may continue to take, in addition to the tests in English, the DPLT, to the extent that such a test is available and the Superintendent or designee determines that such test results would provide useful information about students' performance.

4. An alternate assessment for any special education student who is unable to take the standards-based achievement tests even with accommodations or modifications. The individualized education program (IEP) team shall determine whether a student shall take the alternate assessment. (Education Code 56345, 60640; 5 CCR 850)

Any special education student who is an English learner may be tested with the DPLT in accordance with item #3 above, unless the IEP specifically exempts him/her from such testing. (Education Code 56345)

(cf. 6159 - Individualized Education Program)
(cf. 6164.6 - Identification and Education under Section 504)

Testing Period

The designated achievement test and the standards-based achievement tests shall be administered to students during a testing window of 21 instructional days that includes 10 instructional days before and after completion of 85 percent of the school's, track's, or program's instructional days. Testing for all students, including make-up testing, shall be completed within this 21 instructional day window unless all or part of the 21 instructional day period falls after any statutorily specified deadline. (Education Code 60640; 5 CCR 855)

The STAR writing assessment shall be administered only on the day specified annually by the Superintendent of Public Instruction. (Education Code 60640; 5 CCR 855)

The Superintendent or designee shall arrange for at least two make-up days for the testing of students who were absent during the period that any school administered the designated achievement test and the standards-based achievement test. All make-up testing shall occur within five instructional days of the last date that the district administered the tests, but not later than the 21 instructional day window established above. (Education Code 60640; 5 CCR 855)

Any DPLT shall be administered between March 15 and May 14 of each school year. The Superintendent or designee shall provide for at least two make-up days for students who were absent during the period. All make-up testing shall occur within 10 instructional days of the last date that the district administered the primary language assessment, but not later than May 25 of each school year, whichever is earlier. (5 CCR 855)

Exemptions

A parent/guardian may submit to the school a written request to excuse his/her child from any or all parts of any test. District employees may discuss the STAR program with parents/guardians and may inform them of the availability of exemptions under Education Code 60615. However, the district and its employees shall not solicit or encourage any written exemption request on behalf of any student or group of students. (5 CCR 852)

Testing Variations

The designated achievement test, standards-based achievement tests, and DPLT shall be administered in accordance with the manuals or other instructions provided by the test contractor, unless a testing variation, accommodation, or modification is specifically allowed pursuant to 5 CCR 853.5. (5 CCR 853, 853.5)

All students may be provided with the following variations: (5 CCR 853.5)

1. Simplified or clarified test directions
2. For grades 2-11, write-in test booklets (e.g., underlining, working math problems)

Any marks other than those in response circles for grades 2 and 3 must be erased to ensure that the tests can be scored.

3. On the standards-based achievement test, as much time as needed within a single sitting to complete a test or test part

The district shall administer the following CAASPP assessments: (Education Code 60640; 5 CCR 851.5)

1. The CAASPP achievement tests for English language arts and mathematics in grades 3-8 and 11, except that:

(cf. 6142.91 - Reading/Language Arts Instruction)
(cf. 6142.92 - Mathematics Instruction)

a. Recently arrived English learners, defined pursuant to Education Code 60603 as English learners who are in their first 12 months of attending a school in the United States, shall be exempted from taking the English language arts assessment to the extent allowed by federal law. A recently arrived English learner may be administered the test upon request by his/her parent/guardian.

(cf. 6174 - Education for English Learners)

b. Students with disabilities who are unable to participate in the English language arts and mathematics assessments, even with the resources described in the section "Testing Variations" below, shall be provided an alternate test when designated in their individualized education program (IEP), as provided in item #3 below.

(cf. 6159 - Individualized Education Program)
(cf. 6164.6 - Identification and Education Under Section 504)

(cf. 6142.93 - Science Instruction)

3. For students with disabilities who are unable to take the tests specified in items #1-2 above, even with appropriate accommodations or other testing resources, and who have an IEP that designates the use of alternate tests at the applicable grade levels:

- a. California Alternate Assessment in English language arts, mathematics, and science for students with significant cognitive disabilities

In addition, the Superintendent or designee may administer a primary language assessment to English learners. Administration of this test shall not replace the administration of the above tests, administered in English, to English learners. (Education Code 60640)

Exemptions

Each year the Superintendent or designee shall notify parents/guardians of their child's participation in the CAASPP and of the provisions of Education Code 60615 related to exemptions from testing. (5 CCR 852)

(cf. 5145.6 - Parental Notifications)

A parent/guardian may annually submit to the school a written request to excuse his/her child from any or all parts of the CAASPP assessments for the school year, and such a request shall be granted by the Superintendent or designee. However, district employees shall not solicit or encourage any exemption request on behalf of any student or group of students. (Education Code 60615; 5 CCR 852)

If a parent/guardian submits an exemption request after testing has begun, any test(s) completed before the request is submitted will be scored and the results reported to the parent/guardian and included in the student's records. (5 CCR 852)

Testing Period

The Superintendent or designee shall establish testing days for district students within the following available testing windows: (5 CCR 855)

1. Assessments in English language arts, mathematics and science shall be administered

between the date on which at least 66 percent of the school's annual instructional days have been completed and the last day of instruction for the regular annual calendar of the school.

2. The California Alternative Assessments for Science, shall be administered during the testing window identified yearly by the California Department of Education.

3. The primary language assessment shall be administered to English learners each year between February 1st and May 31st.

Within the above testing windows, the Superintendent or designee may designate one testing period for each school or track or, if a school has multiple tracks, a selected testing period for each track. The district shall not exceed six selected testing periods within the available testing window. The testing period shall be no fewer than 25 consecutive instructional days and may be extended up to an additional 10 consecutive instructional days if still within the available testing window set forth in items #1 above. (5 CCR 855)

Students who are absent during testing shall be provided an opportunity to take the tests within the testing window.

Testing Variations

CAASPP achievement tests and the primary language test shall be administered in accordance with the manuals or other instructions provided by the test contractor or CDE except that, as appropriate, the following testing variations may be used: (5 CCR 850, 853-853.8)

1. Universal tools specified in 5 CCR 853.5 may be used with any student.

2. Designated supports specified in 5 CCR 853.5 and, if an English learner, in 5 CCR 853.7, may be used with a student for whom the need has been indicated by an educator or team of educators, with parent/guardian and student input as appropriate, or for whom the need is specified in the student's IEP or Section 504 plan.

3. Accommodations specified in 5 CCR 853.5 may be used with a student with disabilities when included in the student's IEP or Section 504 plan as resources that are regularly used in the classroom for the student's instruction and/or assessment(s). Such accommodations shall be either utilized in the assessment environment or consist of changes in procedures or materials that increase equitable access during the assessment.

4. An unlisted resource that has not been specifically identified as an approved universal tool, designated support, or accommodation may be used with a student who has an IEP or Section 504 plan provided that the resource is one that is regularly used in the classroom for instruction and/or assessment and the CDE has approved its use. At least 10 business days prior to the student's first day of CAASPP testing, the district or school site test coordinator may electronically submit a request to the CDE for approval to use that unlisted resource during that year. If the CDE determines that the unlisted resource changes the construct being measured, the unlisted resource may nevertheless be used with the student in order to generate an individual

score report even though the student shall not be counted in the participation rate for accountability measures. (5 CCR 853.8)

In the administration of the CAA to a student with significant cognitive disabilities, the student may have all instructional supports that may be used in daily instruction or assessment, including language and physical supports, with the exception of any inappropriate test practices listed in test administration manuals. (5 CCR 850, 853.6)

Report of Test Results

For any state assessments that produce valid individual student results, the Superintendent or designee shall forward or transmit the student's test results to his/her parents/guardians within 20 working days from receipt of the results from the test contractor or, if the district receives the results from the contractor after the last day of instruction for the school year, then within the first 20 working days of the next school year. The report shall include a clear explanation of the purpose of the test, the student's score, and its intended use by the district. An individual student's scores shall also be reported to his/her school and teacher(s) and shall be included in his/her student record. (Education Code 60641; 5 CCR 863)

(cf. 5125 - Student Records)

With parent/guardian consent, the Superintendent or designee may release a student's test results to a postsecondary educational institution for the purposes of credit, placement, determination of readiness for college-level coursework, or admission. (Education Code 60641)

The Superintendent or designee shall present districtwide, school-level, and grade-level results to the Governing Board at a regularly scheduled meeting. The Board shall not receive individual students' scores or the relative position of any individual student. (Education Code 49076, 60641)
