## **OPPORTUNITY FOR EMPLOYEE ORGANIZATIONS TO ADDRESS THE BOARD**

- ♦ **Marysville Unified Teachers' Association** — Angela Stegall addressed the Board.
- ♦ **Operating Engineers Local Union #3**
- ♦ **California School Employees' Association #326 and #648**
- ♦ **Association of Management and Confidential Employees** — Rocco Greco addressed the Board.
- ♦ **Supervisory Unit**

## **PUBLIC COMMENTS**

It was the consensus of the Board to extend the total time for public input on each item per Board Bylaw 9323 from 20 minutes to 40 minutes.

The following addressed the Board:

- ♦ Linda Streng (Topic: Requirements for Reopening)
- ♦ Lillean Supat (Topic: Return to In-Person and Sports)
- ♦ Carmie Ellyson (Topic: School Reopening)
- ♦ Michaela Vess (*did not participate in meeting*)  
*Randy Rasmussen read the following submitted on the public comment card:* Please let's get these kids back in normal schooling. My daughter is in third grade, and this is effecting her in the worst way possible. I now work full time and all this is so hard on our family as well as many others. These kids need to be back in normal school with no half days, but full school days of learning. Those that wish to not send their children can get on a homeschooling plan.
- ♦ Kim (*did not participate in meeting*)  
*Randy Rasmussen read the following submitted on the public comment card:* Dobbins Elementary School has roughly 40 kids with 4<sup>th</sup>, 5<sup>th</sup>, and 6<sup>th</sup> in one classroom which is roughly 12 kids. Why can't they be phased in at the same time considering this school is so small. Also K and 1<sup>st</sup> grade are in the same class with roughly seven kids total. A point I would like to also make is that not one of the teachers or administrator at the school has tested positive unlike other schools in the district. These things should be taken into consideration. These kids need to be back in school.
- ♦ Cindia Angelica Viorato (*did not participate in meeting*)  
*Randy Rasmussen read the following submitted on the public comment card:* Why are surrounding districts open for in-person instruction but not MJUSD? I have three kids that are really struggling with distance learning, socially and academically.
- ♦ Erika Schlusser (*did not participate in meeting*)  
*Randy Rasmussen read the following submitted on the public comment card:* Our community needs to take on some responsibility for this situation. We should not open for in-person instruction until our community is in the red tier, and the people with the most power to make that happen are the families of our students. Follow the guidelines whether you believe COVID-19 exists or not. Do it to get us safely back in school.
- ♦ Emily McKinnon (Topic: Appreciation for Classified Staff at Johnson Park Elementary School)
- ♦ Francisco Reveles (Topic: Prospectives on YCOE & MJUSD Close Collaboration)

## **SUPERINTENDENT'S REPORT**

Gary Cena reported on the following:

- ♦ Thanked all district stakeholders and three community agencies for working together to serve every student every day in every way, over the past 333 days, helping schools prepare for reopening, slow the spread of COVID-19, ensure the health and safety of students and staff, maintain relationships, and facilitate student learning.
