

School Year: 2021-22

# School Plan for Student Achievement (SPSA) Template

Instructions and requirements for completing the SPSA template may be found in the SPSA Template Instructions.

School Name	County-District-School (CDS) Code	Schoolsite Council (SSC) Approval Date	Local Board Approval Date
Anna McKenney Intermediate School	58-72736-6056626	November 30, 2021	June 22, 2021

## Purpose and Description

Briefly describe the purpose of this plan (Select from Schoolwide Program, Comprehensive Support and Improvement, Targeted Support and Improvement, or Additional Targeted Support and Improvement)

Schoolwide Program

Briefly describe the school's plan for effectively meeting the ESSA requirements in alignment with the Local Control and Accountability Plan and other federal, state, and local programs.

At Anna McKenney, our goal is to Increase student achievement in all academic courses with an emphasis on increasing our ELA and math scores. We will continue to develop and implement strategies to increase positive school culture and improve our chronically absentee rate by engaging students through PBIS best practices. We will decrease suspensions rate to under 8% by increasing positive interactions and addressing issues while utilizing restorative practices to increase seat time in the classroom.

# Comprehensive Needs Assessment Components

## Data Sources Reviewed

Data sources reviewed and referenced in the Comprehensive Needs Assessment

Data Source Examples: Common Assessments; Universal Screener; Enrollment; CAASPP-ELA and Math; ELPAC; Dashboard Data-Student Population, ELA, Math, EL Progress, Chronic Absenteeism, and Suspension Rate; Attendance Reports; Discipline Reports; PD Rosters; PD Plans; Student and Teacher Surveys; Parent and Community Surveys; Observations; Parent Conference and Parent Participation Data; Library Usage and Collection Inventories

CAASPP Scores

Star Reading and Math

Dashboard Data

Attendance and Discipline-SWIS, A2A, Aeries

Parent and Community Engagement- Participation in parent trainings and advisory committees

## Here's What (Findings)

Record Specific Facts

Guiding questions:

- *What are the general findings?*
- *What trends are observed over time in the schoolwide data?*
- *What trends are observed in the sub-group data?*
- *What claims are areas of concern?*
- *Is performance consistent across grade levels? Across sub-groups?*
- *What sub-group present the greatest disparity in achievement?*

Unfortunately, due to Covid-19 we have been unable to participate in the CAASPP assessment. Some of our students have been on distance learning for more than 1 year and we will need to monitor their progress and potentially provide additional support in ELA and Math through after-school sessions or supporting them with an intervention class during the normal school day. Our EL students have been provided additional support through the development of our ELD program and many are working through our iLit program. Our goal is to get our kiddos re-connected with school, which will help decrease our chronic absenteeism rate. We will start this during our Summer Camp portion. Our discipline rates are non-existent due to Covid-19, but we are gearing up our PBIS program to meet the needs of our students and improve our culture throughout campus. We have held most of our parent conferences through the use of Zoom, but we are looking forward to meeting with students and families in person, as we find more value in connecting with students and families in-person.

Chronic Absenteeism

2017-18

Attendance percentage 95.9%

Chronically Absent 10.4%

2018-19

Attendance percentage- as of 2/15/19 we are at 96%

As of March 2019 10.24%

CDE Dashboard Results: 10.9% of our students were considered chronic absentee, which is a slight improvement.

Discipline-Suspension Rate

2016-17

8.9% suspended at least once

2017-18

9.8% suspended at least once

CDE Dashboard Results: 8.7% of our students were suspended at least once

Academics

ELA 2016-17

All Students (Yellow)- 30.1 points below standard

Students with Disabilities (Orange)- 123.9 points below standard

English Learners (Yellow)- 56.9 points below standard

Hispanic (Yellow)- 42.4 points below standard

Socioeconomically Disadvantaged (Yellow)- 36.9 points below standard

White (Yellow)- 16.2 points below standard

ELA 2017-18

All Students (Yellow)- 26.9 points below standard  
 Students with Disabilities (Orange)- 118.2 points below standard  
 English Learners (Yellow)- 33.4 points below standard  
 Hispanic (Yellow)- 31 points below standard  
 Socioeconomically Disadvantaged (Yellow)- 31.6 points below standard  
 White (Orange)- 14.7 points below standard  
 ELA 2018-19  
 All Students (Orange)- 34.5 points below standard  
 Students with Disabilities (Orange)- 127.6 points below standard  
 English Learners (Orange)- 52.2 points below standard  
 Hispanic (Orange)- 40.7 points below standard  
 Socioeconomically Disadvantaged (Orange)- 42.9 points below standard  
 White (Orange)- 25.4 points below standard  
 Math 2016-17  
 All Students (Yellow)- 68.7 points below standard  
 Students with Disabilities (Orange)- 171.5 points below standard  
 English Learners (Orange)- 52.2 points below standard  
 Hispanic (Yellow)- 83.6 points below standard  
 Socioeconomically Disadvantaged (Yellow)- 75 points below standard  
 White (Yellow)- 56.2 points below standard  
 Math 2017-18  
 All Students (Yellow)- 61 points below standard  
 Students with Disabilities (Orange)- 161.8 points below standard  
 English Learners (Yellow)- 79.7 points below standard  
 Hispanic (Orange)- 40.7 points below standard  
 Socioeconomically Disadvantaged (Yellow)- 67.8 points below standard  
 White (Yellow)- 47.8 points below standard  
 Math 2018-19  
 All Students (Yellow)- 61 points below standard  
 Students with Disabilities (Red)- 185.8 points below standard  
 English Learners (Red)- 100.5 points below standard  
 Hispanic (Orange)- 83.4 points below standard  
 Socioeconomically Disadvantaged (Orange)- 82.2 points below standard  
 White (Orange)- 58.8 points below standard  
 ELPAC 2017-18  
 We had 27 students tested.  
 51.85% of our students tested at Level 4  
 ELPAC 2018-19  
 EL's who decreased 1 level: 24.6%  
 EL's who maintained level 1,2,3: 31.8%  
 EL's who maintained level 4: 1.4%  
 EL's who increased 1 level: 42%

### **So What (Possible Reason for Findings)**

#### **Interpretation of the Data**

#### **Guiding questions:**

- *What are possible causes for the current levels of performance?*
- *Is instruction in the core program implementing essential resources available through the core program?*
- *What challenges does the evidence suggest?*
- *Have we been honest in directing our conversation?*
- *Are students who need additional support being offered support and taking advantage of it?*
- *Does supplemental instruction align with the core program and does it address the needs of all students in the class?*
- *Does the rigor of assignments match the rigor of the standards?*
- *Are lessons aligned to the grade level standards and expectations, especially in the areas showing weak student performance?*
- *How do we use our collaborative planning time in addressing ongoing student assessment results? Do we honestly adjust our instruction when the results are weak?*
- *Does the Master Schedule allow for maximum use of interventions?*
- *Are the same standards and expectations communicated to all students and subgroups?*

- *When and how does staff examine performance data disaggregated by subgroups?*
- *How are EL and other subgroups monitored?*
- *Are current instructional strategies being implemented based on evidence/research? Are these strategies appropriate for the subgroups?*
- *Is the instructional day organized to offer ELs access to ELD and core?*
- *What are possible causes of reclassification patterns?*
- *How do we assess non-academic indicators of student success, such as habits of work, social and emotional learning, executive functioning skills, problem solving, self-regulation, etc. as defined in the school's code of conduct?*
- *How do we identify and address chronic absenteeism?*
- *How do we identify and address suspension rates?*

#### Chronic Absenteeism

Attendance is consistent with the previous year. We are currently 1% point above the district target and continuously work to increase student attendance. We receive emails and updates from our attendance program, A2A and then make contact with students and parents to formulate a plan to increase or monitor individual attendance. Once students are identified as having difficulties attending school on a regular basis, we have the ability to refer them to our district's SARB meetings at the local courthouse. Based on the data, we will have to develop new ideas to help motivate and support students attending school. Many of our students have suffered throughout distance learning and it's been a struggle to get all of our kiddos logged into their classes consistently.

#### Discipline

We are always focused on improving our suspension rate. Our current data is fairly consistent with previous years, but the numbers have increased slightly over time. We utilize the SWIS program to monitor campus referrals and gather data on behavior trends. Obtaining this data helps us place more focus on particular behaviors (fighting, bullying, etc.) and specific locations (classroom, hallways, etc.) around campus where the behavior is increasing. After obtaining the data we can make adjustments to yard duty locations or place more emphasis on developing strategies to reduce the number of referrals in the classrooms. We hold weekly meetings with our PBIS Tier I & II teams to help develop and monitor interventions to decrease unwanted student behavior. The two teams monitor specific interventions, such as CICO and gather data to ensure we are meeting the needs of individual students. Our teams also develop strategies to acknowledge and reward students demonstrating appropriate school behavior. We have found this to be a successful strategy in reducing the number of unwanted behaviors. We have had little discipline this year due to our students being on distance learning, but we have noticed an increase in social-emotional needs.

#### Academics

Based on the data obtained from our CAASPP results, we are making steady progress and our scores have increased each year. Our teachers are working collaboratively on developing common formative assessments and focusing on specific standards and units of study so that all are aligned. When gaps are identified, we offer intervention periods and we have after-school tutoring to support the growth and development of each student. We have created an intensive after-school tutoring program called, MASH. Our MASH program is capped off at 20 students and allows us to focus in on specific struggles and learning needs. Our EL Facilitator monitors and supports the needs of our students through pull-out, push-in, small group instruction and one-on-one counseling sessions. We have seen additional support allocated towards our EL students through the development of our ELD program.

#### Now What (Need Based on Findings)

Response to data, potential steps to take to address what the data is telling us

#### Guiding questions:

- *What are possible causes for the current levels of performance?*
- *Does our need statement synthesize information gained from the evidence and the discussion about the cause?*
- *Does the need statement clearly direct us into action?*
- *Does the need statement suggest ways in which our resources should be distributed?*

### Chronic Absenteeism

We have developed an SART team to help support our school decrease chronic absenteeism. Members of the team include: our PASS Office, Attendance Clerk, Assistant Principal, Principal, Counselor. Our goal is to increase home visits to ensure our students needs are being addressed. Our SART team would like to identify chronically absenteeism earlier in the school year and we predict a positive impact on student participation and decrease our chronic absenteeism numbers. We will continue to utilize the A2A attendance program and referral students to SARB if support is needed from outside agencies. We are moving away from A2A attendance program, but we will continue to refer kiddos to SARB once their attendance percentages reach the threshold. We will continue to hold our PBIS Tier II meetings to discuss solutions to address the needs of our students and families. Many of our families have suffered due to the lack of transportation during Covid-19 and we are looking forward to getting these kiddos back on campus once the buses start running fulltime.

### Discipline

Our PBIS tier II team will continue to review SWIS data and filter students into interventions to help decrease our suspensions. Our goal is to keep students in the classroom and off suspension so their academic performance does not digress. We have to develop new interventions and better monitor the interventions we have in place. When our students are at home on suspension, their missing valuable information, so we have to work on strategies to keep them in school and out of trouble. Working with our PBIS teams to reward, teach and acknowledge positive behaviors is a big piece of the puzzle that will help decrease suspension numbers and maximize seat time in the classroom. We will continue to seek strategies to decrease discipline issues on campus. Our PBIS team will continue to meet weekly to brainstorm ideas and strategies.

### Academics

Starting next school year, we will have daily interventions to support our scores on common formative assessments. We will continue to offer after school tutoring and our MASH tutoring for more intensive levels of academic support. We have also identified the need to modify our daily schedule so we are meeting the academic needs of more students. We will be moving to an 8 period school day, which includes a 30 minute intervention period where CFA will be retaught or reassessed. Are teachers are collaboratively working on developing best practices in each unit of study to help ensure our students are receiving the material in an engaging lesson. We are also working on developing new elective courses which have high levels of rigor and multiple "essential" or "supportive" academic standards. Ensuring these additional standards are covered and included in our elective courses will lighten the load of our core teachers. To meet the needs of our struggling students, we will offer additional support classes in our daily schedule to address the learning gaps created by the lack of on-campus support during the past year.

### Professional Development (PD)

Staff survey must be completed on an annual basis giving all teachers the option to participate

#### Guiding questions:

- *What do staff PD survey results indicate as priorities to meet the SPSA goals?*
- *From the educational leader perspective, what PD is needed to achieve the school goals?*
- *What is the process used to determine the PD needs of teachers?*
- *How does the site blend staff PD needs with SPSA goals?*
- *Are staff members accessing PD opportunities?*
- *Are staff members implementing what is learned in PD opportunities?*
- *Is PD related to classroom instruction?*
- *Is the PD ongoing and incorporated into the day-to-day routine of the staff?*
- *What follow up activities take place?*
- *What evidence-based data is used to evaluate PD? Are mid-course corrections made if necessary?*

### Professional Development

We have over 90 minutes of weekly professional development time to meet with colleagues to review common formative assessments, packing guides, and best practices utilized in the classroom. Our school was fortunate to obtain training from Solution Tree consultant,

Maria Neilsen, on three different occasions. Maria was able to work with our staff to develop units of study, identify our essential, supportive and developing standards and she arranged a visit to Fossil Ridge Intermediate School in Utah. Our last visit with Maria was cancelled due to the closures from Covid-19. Over 90% of our staff has participated in a professional learning community (PLC) conference and all members of our PBIS team have attended a conference to support our advancement. Each year we send a few staff members to a CUE conference to learn the latest advancements in technology. Our teachers attending CUE come back and incorporate what they learn into the classroom by developing new elective courses, such as 3-D printing and multi-media productions, which produce a weekly new segment for all of our students. Each year we send a team of staff members to the annual School Safety Conference to learn the newest ways to prevent and plan against a campus invader. All of our staff members have the ability to attend multiple days of professional development offered through the district at the end and beginning of the school year. We will attempt to get our newly hired staff members to an upcoming PLC conference so they can become familiar with how we build common formative assessments. We would also like to bring our PBIS team to a conference so we can learn about new strategies to address the social-emotional needs of our students as we come out of a year of distance learning. Our district has offered many hours of PD throughout the past year and our teachers are becoming more comfortable with the online curriculum and Google Classroom. We would like to build on that experience and meet the students on their level of technology interaction and interest.

## **Family and Community Engagement**

Ongoing and annual process

Guiding questions:

- *How is the SPSA shared with school site-level advisory groups (e.g., English Learner Advisory Committee and student advisory groups)?*
- *How does the site seek input from advisory groups, parents, students, school faculty, and staff in the development of the SPSA?*
- *Do teachers routinely communicate with parents/guardians (formally and informally) about the academic progress of their children? If so, how?*
- *How are parents/guardians made aware of the standards and expectations?*
- *How are parents/guardians and community members involved in activities that support student learning?*
- *How does the school involve families and the community in school governance decisions?*
- *How is the effectiveness of family and community involvement strategies evaluated and revised?*

## **Family and Community Engagement**

The California Healthy Kids Survey is offered to students and parents each year and the result drive conversation around engagement and safety.

During the 2019/20 school year we offered parents to attend the PIQE institute in the evening.

We hold an Annual Title I Parent Meeting.

Newsletters are sent home to parents and families to keep parents updated and to invite them to actively participate in their child's education.

All Calls/School Messenger go home throughout the year to inform parents of upcoming events.

Home visits are often schedule with our PASS Officer to ensure students are attending school and are safe in their off campus environment.

Aeries training for parents occurs throughout the school year and allows our parents to monitor their students progress and have communication with teachers and other staff members.

College and Career Week offer a chance for us to bring experts and community members on campus to share and encourage our students.

Back-to-School Night and Open House offer a time for the community to be involved in the activities and academic discussions.

6th Grade Orientation night for incoming students and parents.

Site Council and PTA meetings are open to the community.

We would like to increase family and community engagement with the school, as it helps support our kiddos and builds a strong school culture. It has been a struggle throughout distance learning, but we are excited to get our families back on campus.

## Stakeholder Involvement

How, when, and with whom did the school consult as part of the planning process for this SPSA/Annual Review and Update?

### Involvement Process for the SPSA and Annual Review and Update

At Anna McKenney we have multiple site council meetings, ELAC meetings, PTSO meetings, and a Title I parent meeting. We will also gather information and ideas/suggestions from our guiding coalition.

## Resource Inequities

Briefly identify and describe any resource inequities identified as a result of the required needs assessment, as applicable.

82% of our students qualify as socioeconomically disadvantaged  
14% of our students have identified disabilities  
14.4% English Learners

# School and Student Performance Data

## Student Enrollment Enrollment By Student Group

Student Enrollment by Subgroup						
Student Group	Percent of Enrollment			Number of Students		
	18-19	19-20	20-21	18-19	19-20	20-21
American Indian	1.3%	1.13%	1.9%	8	7	11
African American	5.67%	4.67%	4.0%	35	29	24

# School and Student Performance Data

## Student Population

Due to the COVID-19 pandemic, state law has suspended the reporting of state and local indicators on the 2020 Dashboard. However, available data that would have been included in the Dashboard are reported on the Department's web site if they were determined to be valid and reliable. Information regarding the reporting status of data is available at [COVID-19 and Data Reporting](#).

This section provides information about the school's student population.

2019-20 Student Population			
Total Enrollment	Socioeconomically Disadvantaged	English Learners	Foster Youth
621	84.9	11.8	1.4
This is the total number of students enrolled.	This is the percent of students who are eligible for free or reduced priced meals; or have parents/guardians who did not receive a high school diploma.	This is the percent of students who are learning to communicate effectively in English, typically requiring instruction in both the English Language and in their academic courses.	This is the percent of students whose well-being is the responsibility of a court.

2019-20 Enrollment for All Students/Student Group		
Student Group	Total	Percentage
English Learners	73	11.8
Foster Youth	9	1.4
Homeless	17	2.7
Socioeconomically Disadvantaged	527	84.9
Students with Disabilities	89	14.3

Enrollment by Race/Ethnicity		
Student Group	Total	Percentage
African American	29	4.7
American Indian	7	1.1
Asian	25	4.0
Hispanic	287	46.2
Two or More Races	26	4.2
Pacific Islander	2	0.3
White	238	38.3

# Goals, Strategies, & Proposed Expenditures

Complete a copy of the following table for each of the school's goals. Duplicate the table as needed.

## LEA/LCAP Goal

Improve Academic Performance by creating an academic system that addresses and engages the various identified needs of all MJUSD students.

## Goal 1

Our students at Anna McKenney will make progress towards meeting or exceeding grade level proficiency on site developed common formative assessments, ELAC and CAASPP assessments in English Language Arts, Mathematics and all subjects.

## Identified Need

We need to continue on developing strategies and procedures that ensure all PLC components are addressing the academic needs of our students. We need to improve our intervention process and enrichment selection to meet the needs of high performing students. Our guiding coalition will research and implement best practices to ensure our students are receiving high quality first instruction. Designing a designated time for all students to have the ability of obtaining extended learning or targeted interventions will support their progress towards academic improvement.

## Annual Measurable Outcomes

Metric/Indicator	Baseline/Actual Outcome	Expected Outcome
Grade level common formative assessments, which are built on our site selected rocks, boulders and butterflies.	Our students will be given the CFA several times throughout the year. Students will be offered opportunities for immediate, Mustang Time, interventions or enrichment activities based on the scores from the CFA.	Students will master the grade level essential (Rocks) standards.
Assessments and growth from supplemental resources and/or materials utilized to support the mastery of our essential or supportive standards.	Initial scores or levels that provide us a baseline. The initial score will be taken at the point students begin to use the resource.	Our students will show growth towards mastery of grade level essential standards. The data gathered on MobyMax and Renaissance will demonstrate progress towards achieving mastery of essential standards.
California Dashboard data in ELA and Math.	Our baseline data will be the scores from the 2020-21 school year.	Our goal is to make progress towards decreasing our number of "points below standard" in math from 73.7 to under 40 and in ELA from 34.5 to under 10.

Complete a copy of the Strategy/Activity table for each of the school's strategies/activities. Duplicate the table, including Proposed Expenditures, as needed.

## Strategy/Activity 1

### Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

All students

### Strategy/Activity

Anna McKenney will hire a Student Support Specialist:

Student Support Specialist will provide students with academic support in registering for ATS and ETS. This position will support the coordination of Mustang Time, where all students will receive extension or the curriculum or interventions to help all students progress towards mastery of the essential standards. Help with CAASPP testing, motivational assemblies, student behavior modification strategies, monitoring and maintaining student achievement. Will also provide support through referrals to public agencies. Will meet monthly with services PBIS Tier I and II teams to determine how best to serve our students and families.

### Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Amount(s)	Source(s)
42000	Title I
10000	Title I Carryover

## Strategy/Activity 2

### Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

All Students

### Strategy/Activity

Anna McKenney will continue to develop and build a STEM program for our students. STEM programs foster ingenuity, creativity, and encourages teamwork. We will purchase STEM kits to introduce real-world challenges that address Next Generation Science Standards through the lens of engineering. The kits will include but not limited to the following: launch, race, build, energy and power, solar, grow, fly, heat, mixtures, behavior communicate, human body, periodic table, forensic chemistry, hydraulic, wind turbine, dissection, circuits, digital slides, geology, trebuchet, and beach sand investigation.

### Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Amount(s)	Source(s)
4000	Targeted
26598	Targeted Carryover

## Strategy/Activity 3

**Students to be Served by this Strategy/Activity**

(Identify either All Students or one or more specific student groups)

All students

**Strategy/Activity**

Anna McKenney will provide tutoring:

Provide after-school tutoring to students who are performing below grade level in ELA and math. The additional instruction will be targeted to addressing specific essential standards based on Professional Learning Communities (PLC) identified standards. Regular assessments will monitor progress of students participating in extended learning time. The targeted intervention will focus on students who are below proficient in ELA and/or Math to pre-teach and re-teach essential standards in small group and/or individual settings

**Proposed Expenditures for this Strategy/Activity**

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

**Strategy/Activity**

Anna McKenney will enhance our school and classroom Libraries:

The McK library will be accessible to all students and staff members throughout the school year. Our library will provide our students with materials to supplement the core curriculum and provide opportunities for deeper understanding of the essential standards. The allocation of funds will increase the resources that are available to all students, staff members and community members. We will provide highly engaging books and resources, novels and periodicals, and a wide range of genres to increase student engagement and improve our ELA levels. Provide books for literacy reading incentives.

**Proposed Expenditures for this Strategy/Activity**

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

#### Strategy/Activity

Anna McKenney will provide supplemental materials and programs to improve ELA and math skills: McK will provide supplemental instructional materials and technology to improve instruction, align the curriculum with standards, and provide students with extended learning opportunities. We will provide supplementary materials, resources and supplies for daily classroom use and interventions, subscriptions to online programs, as well as maintain copier/riso machine leases/maintenance. We will purchase student planners for all students to support the partnership with family members who support their child from the home environment. Student planners will promote student accountability and teach core strategies to help them all become successful throughout their educational journey. Supplemental materials and programs to enhance and extend the California state adopted curriculum will be purchased. These items include, but are not limited to: paper and printer ink to support supplemental programs such as: Renaissance, GLAD strategies, iPad apps for ELD, Science, MobyMax, IXL, Criterion, Scholastic magazines, Scholastic Scope, Discovery Encyclopedia, NewsELA, Actively Learn, Freckle.

#### Proposed Expenditures for this Strategy/Activity

#### Strategy/Activity

Anna McKenney will replace, repair, and upgrade technology: McK will replace outdated technology for classroom use including replacement bulbs, and ribbons. We will ensure that all technology within classrooms are up to date and in good working condition. Interactive technology allows our teachers to easily conduct assessments and gauge student understanding quickly and efficiently while increasing student engagement. Immediate feedback allows our teachers to quickly differentiate instruction and build individualized lessons to target disadvantaged students. The laptops are utilized for integrating technology into the core curriculum and the Chromebooks are used in all classrooms on campus. They are used to enrich the curriculum and they allow access to programs and materials. Supplemental technological, for all students includes, but is not limited to the following: clickers, elmos, LCD projectors, advanced laser projector, digital microscopes, copiers, Rizo, I-Pads, Smart Boards, laptop hard drives, printers, document cameras, digital microscopes, smart TV's, cameras, ink cartridges, laptops, Chromebooks, and necessary tools for application.

# Goals, Strategies, & Proposed Expenditures

Complete a copy of the following table for each of the school's goals. Duplicate the table as needed.

## LEA/LCAP Goal

Improve the physical and emotional conditions of MJUSD schools to address the needs of the whole student.

## Goal 2

All students will be in a learning environment that is safe, supportive, and conducive to academic achievement and supported by all stakeholders.

### Identified Need

Our staff members and community have recognized an increased need for emotional and behavioral support services and interventions. Multiple calls from parents and community members requesting assistance to support our students and families coping with difficult life situations. We will increase parent involvement and strengthen partnerships throughout the community.

### Annual Measurable Outcomes

Metric/Indicator	Baseline/Actual Outcome	Expected Outcome
Suspension Data	2017-2018 suspensions- 9.8%	Suspension will decrease to no more than 8% suspended at least once- by 2021-2022
Chronic Absenteeism	at least once	Chronic Absenteeism will decrease to no more than 10% by 2021-2022
Emotional and behavioral Interventions	2017-2018 chronic absenteeism- 10.4%	
	2018-2019 suspensions- 8.7%	
	at least once	
	2018-2019 chronic absenteeism- 10.9%

#### Strategy/Activity

Anna McKenney will hire an At-Risk Consultant:

The At-Risk consultant will work with students and families throughout our community to mediate student conflicts, which will lead to increase student time in the academic setting and to increase school to home communication of student needs. McK will maximize student learning time by decreasing distractions and create a safe campus. Increase attendance and parent communication and positive incentives celebrating student improvement and achievement in academic, behavior and attendance goals. Provide students and parents with a school environment where they feel

comfortable and safe. Providing strategies and incentives to encourage and support students making appropriate choices.

### **Proposed Expenditures for this Strategy/Activity**

#### **Strategy/Activity**

Anna McKenney will hire a Student Service Administrator:

The Student Service Administrator will work with students, staff members and administration to reduce student conflict and increase student time in the academic setting. All students will be in a learning environment that is safe, including bullying, drug-free and conducive to learning. Our collaborative effort will be led by administration with parents, support staff, teachers, students, and community partners revising, evaluating and reviewing our school safety plan and our PBIS expectations at the school site. The assistant principal at Anna McKenney will help in the organization, coordination and implementation of programs and/or activities related to students discipline, attendance and classroom instruction. Collaboratively assist the principal with student behavior, curriculum development and implementation and school site operations as assigned. Support in the supervision at athletic events, assemblies and parent night events. Be a collaborative member in the evaluation and performance evaluations of assigned personnel.

# Goals, Strategies, & Proposed Expenditures

Complete a copy of the following table for each of the school's goals. Duplicate the table as needed.

## LEA/LCAP Goal

Build a system of specific supports for our EL (English Learner), foster and low SES students.

## Goal 3

Support the academic growth and achievement of our EL students

## Identified Need

We will continue to build our ELD program to support the learning and social-emotional needs of our EL population.

## Annual Measurable Outcomes

Metric/Indicator	Baseline/Actual Outcome	Expected Outcome
Teachers will utilize best practices while delivering high quality first instruction. Our teachers will collaborate in PLC discussions and implement new strategies to ensure all students are achieving at high levels. Our teachers will ensure that the ELD iLit educational minutes are being met throughout the school year.	Our EL students will meet the requirements of our ELD program by meeting the instructional minutes in their iLit program.	Continue to support our EL students in the ELD program and exit approximately 2-5 students at the end of the school year.

Complete a copy of the Strategy/Activity table for each of the school's strategies/activities. Duplicate the table, including Proposed Expenditures, as needed.

## Strategy/Activity 7

### Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

All students, with special attention towards our English Learners.

### Strategy/Activity

Anna McKenney will hire a Student Support Specialist:

EL Student Support Specialist will help motivate EL students and parents to improve academic skills, attendance and attitude. Provide EL students and parents with academic counseling, Motivational Assemblies, monitoring and maintaining EL student's achievement. Provide supplemental intervention for EL students. Pacing of standards, use of meetings and ELAC to meet with parents and students about their progress, benchmark alignment, provide ELPAC testing and training to teachers, parents and students, behavior modification, student/parent involvement,

parent/home communication, home visits and SST's. This position will also support the ELD teacher in the development, implementation and overseeing of the I-Lit program being utilized to support the academic growth of our students.

### Strategy/Activity

Professional Development:

McKenney teachers will be provided opportunities for professional development aimed at ensuring the academic success of all students. We believe that high quality professional development is a powerful tool to assist our teachers in their work with all students. Utilizing effective teaching strategies is essential in improving academic achievement of all students. These PD opportunities are provided in and out of the district. In-house training will also provide teachers the opportunity to hone their skills right on our campus. Substitute costs are also included to make the professional development and growth possible for classroom teachers. This list includes, but is not limited to: EL Conference, CUE, PLC Conference/Institute, SCOE, PBIS, Solution Tree professional development training, GLAD, Science and Restorative Practices and School Site Safety. All PD travel related expenses.

# School Site Council Membership

California Education Code describes the required composition of the School Site Council (SSC). The SSC shall be composed of the principal and representatives of: teachers selected by teachers at the school; other school personnel selected by other school personnel at the school; parents of pupils attending the school selected by such parents; and, in secondary schools, pupils selected by pupils attending the school. The current make-up of the SSC is as follows:

- 1 School Principal
- 5 Classroom Teachers
- 1 Other School Staff
- 3 Parent or Community Members
- 4 Secondary Students

Name of Members	Role
Joe Seiler	Principal
Susan Roger	Classroom Teacher
Jennifer Campbell	Classroom Teacher
Nikki Nakamura	Classroom Teacher
Karen Anderson	Classroom Teacher
Mike Trahin	Classroom Teacher
Jasmine Cruz	Secondary Student
Pete Pantoja	Parent or Community Member
Jason Roper	Parent or Community Member
Stephanie Futch	Parent or Community Member
Kolby Roe	Secondary Student
Lilyanah Vining	Secondary Student
Gisselle Sanchez	Secondary Student
Sheri Carpenter	Other School Staff

At elementary schools, the school site council must be constituted to ensure parity between (a) the principal, classroom teachers, and other school personnel, and (b) parents of students attending the school or other community members. Classroom teachers must comprise a majority of persons represented under section (a). At secondary schools there must be, in addition, equal numbers of parents or other community members selected by parents, and students. Members must be selected by their peer group.

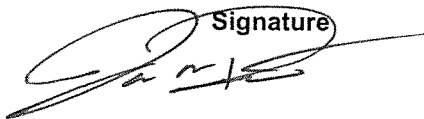

## Recommendations and Assurances

The School Site Council (SSC) recommends this school plan and proposed expenditures to the district governing board for approval and assures the board of the following:

The SSC is correctly constituted and was formed in accordance with district governing board policy and state law.

The SSC reviewed its responsibilities under state law and district governing board policies, including those board policies relating to material changes in the School Plan for Student Achievement (SPSA) requiring board approval.

The SSC sought and considered all recommendations from the following groups or committees before adopting this plan:

 Signature

### Committee or Advisory Group Name

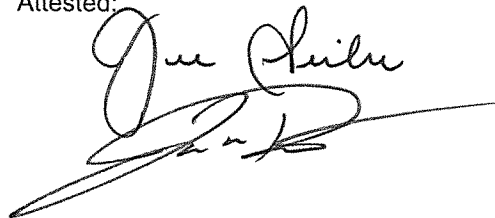

Other: School Site Council

The SSC reviewed the content requirements for school plans of programs included in this SPSA and believes all such content requirements have been met, including those found in district governing board policies and in the local educational agency plan.

This SPSA is based on a thorough analysis of student academic performance. The actions proposed herein form a sound, comprehensive, coordinated plan to reach stated school goals to improve student academic performance.

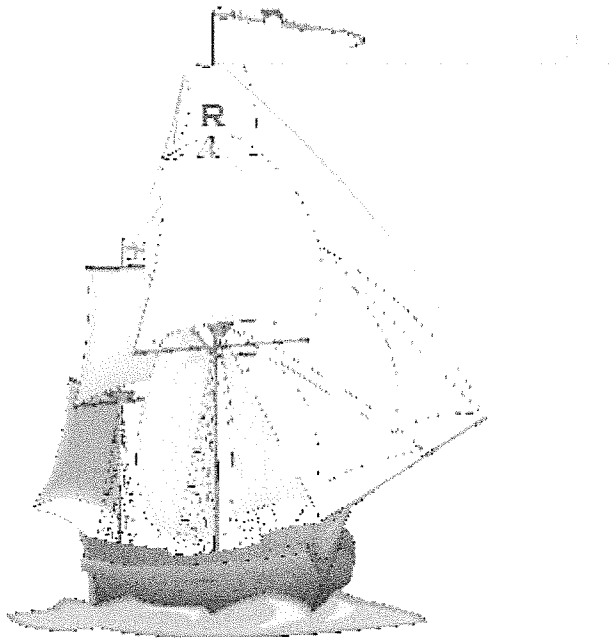

This SPSA was adopted by the SSC at a public meeting on November 30, 2021.

Attested:

Principal, Joe Seiler on November 30, 2021

SSC Chairperson, Jason Roper on November 30, 2021

# School Plan for Student Achievement (SPSA) Template

Instructions and requirements for completing the SPSA template may be found in the SPSA Template Instructions.

School Name	County-District-School (CDS) Code	Schoolsite Council (SSC) Approval Date	Local Board Approval Date
Foothill Intermediate School	58-72736-6056691	12/2/2021	June 22, 2021

## Purpose and Description

Briefly describe the purpose of this plan (Select from Schoolwide Program, Comprehensive Support and Improvement, Targeted Support and Improvement, or Additional Targeted Support and Improvement)

Schoolwide Program

The purpose of this comprehensive school plan is to report the following: Data of student achievement over time, results of a needs assessment as it relates to student achievement, goals related to continuous improvement and budget allocations designed to meet those goals.

Briefly describe the school's plan for effectively meeting the ESSA requirements in alignment with the Local Control and Accountability Plan and other federal, state, and local programs.

This School Plan for Student Achievement meets ESSA requirements and is aligned with our LCAP by outlining a response to three over-arching goals:

Goal 1: Provide learning opportunities that result in increased academic achievement and ensure quality classroom instruction for all students, including support systems which meet the needs of the targeted population.

Goal 2: Enhance the current learning environment to ensure that our schools provide a physically and emotionally safe environment that is culturally responsive to all students.

Goal 3: Increase parent, family, and community involvement in the education and growth of all students.

# Comprehensive Needs Assessment Components

## Data Sources Reviewed

Data sources reviewed and referenced in the Comprehensive Needs Assessment

Data Source Examples: Common Assessments; Universal Screener; Enrollment; CAASPP-ELA and Math; ELPAC; Dashboard Data-Student Population, ELA, Math, EL Progress, Chronic Absenteeism, and Suspension Rate; Attendance Reports; Discipline Reports; PD Rosters; PD Plans; Student and Teacher Surveys; Parent and Community Surveys; Observations; Parent Conference and Parent Participation Data; Library Usage and Collection Inventories

The following data sources were used to conduct a comprehensive needs assessment of our school's services and programs:

- Alternate local assessments (no CAASPP available this year) for ELA and Math
- Dashboard data - student populations
- ELA and Math formative and summative assessments
- Chronic Absenteeism
- Suspension Rates
- Attendance Reports
- Discipline Records
- PD Plans
- Parent and Community Surveys
- Observations
- Parent Participation Data
- Parent Conferences
- Library Usage and Collection Inventories

## Here's What (Findings)

Record Specific Facts

Guiding questions:

- *What are the general findings?*
- *What trends are observed over time in the schoolwide data?*
- *What trends are observed in the sub-group data?*
- *What claims are areas of concern?*
- *Is performance consistent across grade levels? Across sub-groups?*
- *What sub-group present the greatest disparity in achievement?*

In reviewing the last set of CAASPP data (Before Covid shut down our schools), we found that overall, in grades 6-8, student scores improved in both ELA and math. The percentage of students who were at or near proficient in ELA was 74.6%. More recently, this percentage increased to 80.3%. The percentage of students who were at or near proficient in Math was 64.6%. This percentage increased to 70.7%. In analyzing the ELA data more specifically, we find the following: Reading went from 75.3% to 76.4%; Writing went from 72.2% to 78%; Listening/Communication skills went from 82.4% to 87.5%; Research and Inquiry went from 76% to 82.7%. Similar trends of improvement were found in math scores: Concepts and Procedures went from 59.5 % to 61%; Problem Solving/Modeling/Data Analysis went from 63.7 to 65%; Communicating Reasoning went from 63.3% to 67.3%.

The Dashboard data provided by the CDE indicated that our students were meeting required levels of proficiency at the 'medium' level in ELA. When looking at our performance of different subgroups, we find that white students were performing at a 'high' level, while our socio-economically disadvantaged subgroup was performing at the 'low' level. All groups combined, however, showed a designation of 'increased' scores over the previous year. In math, our overall score as well as our subgroup scores all 'increased' as compared to the prior year. Each group, however, remained below the 'medium' levels of proficiency. Our special education subgroup is not considered a high enough number of students to warrant a score on the School Dashboard. Data is, however, was available for 23 students. In ELA, our students fell below 'medium' levels of proficiency and also declined in their performance from the previous year. In math, this subgroup also fell below 'medium' levels of proficiency, but scores did improve as compared to the year. Subgroups that present the

greatest level of disparity in terms of student achievement were our socially economically disadvantaged students and our students with special needs.

Student discipline and attendance is always an important area to analyze. During the 20-21 school year, suspension was not an area we had to be concerned with since students were not on campus for the majority of the year. Attendance rates were significantly impacted due to distance learning and internet connectivity in the Foothills. With rigorous outreach to families we were able to see a significant increase in students getting online and attending. When we transitioned to a blended learning model, these numbers increased even more.

The library at Foothill School is an integral part of the school and its academic program. For the majority of this year, our library has been 'off limits'. We just recently were able to open it up for students to again be checking out books. Prior to being placed in a Distance Learning environment, students accessed the library no less than 3 times per week. Our Literacy Resource Technician provided guidance and support to students in book selection for various assignments, individualized and small group tutoring. Perhaps the best indicator of this important aspect of our school is to witness the number of students who are in the library before school and at recess. The other indicator is the excitement and anticipation expressed by students when they know another order of 'new books are coming'!

## **So What (Possible Reason for Findings)**

### Interpretation of the Data

#### Guiding questions:

- *What are possible causes for the current levels of performance?*
- *Is instruction in the core program implementing essential resources available through the core program?*
- *What challenges does the evidence suggest?*
- *Have we been honest in directing our conversation?*
- *Are students who need additional support being offered support and taking advantage of it?*
- *Does supplemental instruction align with the core program and does it address the needs of all students in the class?*
- *Does the rigor of assignments match the rigor of the standards?*
- *Are lessons aligned to the grade level standards and expectations, especially in the areas showing weak student performance?*
- *How do we use our collaborative planning time in addressing ongoing student assessment results? Do we honestly adjust our instruction when the results are weak?*
- *Does the Master Schedule allow for maximum use of interventions?*
- *Are the same standards and expectations communicated to all students and subgroups?*
- *When and how does staff examine performance data disaggregated by subgroups?*
- *How are EL and other subgroups monitored?*
- *Are current instructional strategies being implemented based on evidence/research? Are these strategies appropriate for the subgroups?*
- *Is the instructional day organized to offer ELs access to ELD and core?*
- *What are possible causes of reclassification patterns?*
- *How do we assess non-academic indicators of student success, such as habits of work, social and emotional learning, executive functioning skills, problem solving, self-regulation, etc. as defined in the school's code of conduct?*
- *How do we identify and address chronic absenteeism?*
- *How do we identify and address suspension rates?*

This year, we will implement an SEL curriculum titled Way Finder. This curriculum is designed to address the SEL needs of all students.

Increases in ELA and Math scores as compared to the previous year, indicate that current efforts are helping us move in a positive direction where student achievement is concerned. There remains work to be done, however, in moving more

students to levels of proficient or higher. Special education remains an area of concentration for our school's continuous improvement efforts. Our master schedule, this year, includes a structured intervention period built into the week. We will explore the possibility of expanding this intervention opportunity to more days throughout the week. One of the things that current data shows us is that we need a tighter alignment between instructional activities and academic standards. Work has been done to identify the 'Boulder' standards i.e. those standards which we deem MUST be mastered by ALL students. Ensuring that instructional activities are congruent with these standards is an area of focus. Teachers meet weekly in a collaborative setting to discuss student progress, analyze achievement data, and plan common formative assessments. Collaboration is a challenge in some of our subject areas because our teachers are 'singletons', i.e. the only person teaching that subject and/or grade level.

Chronic absenteeism is identified through daily monitoring of our 'Attention to Attendance' (A2A) software system. Parents are notified immediately when a student has more than 3 unexcused absences. If absences continue after this first notification, parents are required to meet with the principal for a Level 2 conference. The purpose of the meeting is to discuss causes for the absences and offer support to overcome obstacles. School-site contracts are signed. Further unexcused absences may then result in a referral to the Student Attendance and Review Board. Daily monitoring of our attendance data is needed to ensure interventions can be put in place for students who are chronically absent.

In a 'normal' school setting, suspension and referral rates are monitored monthly. Prevention of suspension from school is addressed through clearly defining expectations for student behavior. Referrals are analyzed to determine patterns of behavior and help define areas of focus through our Positive Behavior and Supports System (PBIS). Preventing suspensions is also addressed through a focus on corrective actions designed to alleviate the need for suspension.

### **Now What (Need Based on Findings)**

Response to data, potential steps to take to address what the data is telling us

Guiding questions:

- *What are possible causes for the current levels of performance?*
- *Does our need statement synthesize information gained from the evidence and the discussion about the cause?*
- *Does the need statement clearly direct us into action?*
- *Does the need statement suggest ways in which our resources should be distributed?*

The findings outlined above lead us to data-driven decisions regarding our upcoming next steps. Our Literacy Resource Specialist is providing valuable access and support for high levels of reading materials. They have been invaluable, thus far, in helping teachers do this remotely, thus far. This includes both informational text and fiction. Guidance from this resource helps students achieved individualized Accelerated Reader goals in reading, language and science. Continued support of our PBIS program has proven to help reduce disciplinary referrals and suspensions, thus allowing students to remain in class and not have their instruction interrupted. It is important that funding to help support this program continue. Students who struggle accessing state-adopted core curriculum benefit from a wide array of supplemental instructional material and supplies. This includes ensuring students have access to technology. Our increasing scores in both ELA and math indicate that funding for such materials, equipment and supplies is achieving desired outcomes for student achievement. Still, we can do better.

### **Professional Development (PD)**

Staff survey must be completed on an annual basis giving all teachers the option to participate

Guiding questions:

- *What do staff PD survey results indicate as priorities to meet the SPSA goals?*
- *From the educational leader perspective, what PD is needed to achieve the school goals?*
- *What is the process used to determine the PD needs of teachers?*
- *How does the site blend staff PD needs with SPSA goals?*
- *Are staff members accessing PD opportunities?*
- *Are staff members implementing what is learned in PD opportunities?*
- *Is PD related to classroom instruction?*
- *Is the PD ongoing and incorporated into the day-to-day routine of the staff?*
- *What follow up activities take place?*
- *What evidence-based data is used to evaluate PD? Are mid-course corrections made if necessary?*

Staff are accessing PD offerings provided by our district. Teachers are asked to analyze activities in their classroom and ensure alignment to the academic standards. Standards are articulated to help students understand the congruence between activities and required learning. Intervention time has been built into our Distance Learning schedule so that students have access to additional support on a daily basis. This allows teachers to identify students in need of extra support and intervention and provide that in smaller group, more focused settings. Individual requests for staff development are provided when teachers express a desire to learn more about specific areas on instruction, technology, curriculum and/or management techniques. These opportunities are on-going through-out the school year.

## **Family and Community Engagement**

Ongoing and annual process

Guiding questions:

- *How is the SPSA shared with school site-level advisory groups (e.g., English Learner Advisory Committee and student advisory groups)?*
- *How does the site seek input from advisory groups, parents, students, school faculty, and staff in the development of the SPSA?*
- *Do teachers routinely communicate with parents/guardians (formally and informally) about the academic progress of their children? If so, how?*
- *How are parents/guardians made aware of the standards and expectations?*
- *How are parents/guardians and community members involved in activities that support student learning?*
- *How does the school involve families and the community in school governance decisions?*
- *How is the effectiveness of family and community involvement strategies evaluated and revised?*

Each year, our families participate in a Back-to-School Title 1 information night. Standards for student learning were discussed as were expectations for behavior, and opportunities for parent involvement. Development of the SPSA is based on student, staff and parent input. The plan is reviewed/revised five times per year via our site council meetings. Stakeholder groups provide input to the distribution of funds via a SPSA survey. Communication between staff and families is frequent and takes place in a variety of forms. Examples include, quarterly progress reports, daily access to the Aeries Parent Portal, parent/teacher conferences, Remind 101 (text communication system), and Student Study Teams

We communicate with parents through monthly newsletters, Aeries Communications, Remind 101 (text notification system) and an interactive Parent Network social media page. Individual conferences are held with administration and/or our counselor whenever needed. Last year, despite our distance learning, families were involved in a variety of school events including our annual Title 1 slideshow, College and Career Day, Drama productions, Virtual Promotion Ceremony activities and Music performances. As Covid protocols dictate, we will endeavor to continue these events.

Through Site Council parent-student-staff surveys help identify needs for our school. Through this survey, the following areas of need were considered:

- Additional Literacy Resource Specialist time to staff our library
- A 3.5 hour/day Student Support Specialist
- Teacher Professional Development
- Accelerated Reader Books for the library
- Classroom Technology
- Support Instructional Materials
- Positive Behavior Intervention and Support incentives

(It is important to note, that other needs for our school were identified, but those needs (such as grounds/facility needs) are addressed through other avenues of district support and are therefore, not applicable to this School Plan for Student Achievement

# Stakeholder Involvement

How, when, and with whom did the school consult as part of the planning process for this SPSA/Annual Review and Update?

## Involvement Process for the SPSA and Annual Review and Update

Reviews and updates occur four times throughout the school year. Input is provided by parents, community representatives, teachers and students.

# Resource Inequities

Briefly identify and describe any resource inequities identified as a result of the required needs assessment, as applicable.

None

#### Conclusions based on this data:

1. Conclusions based on last standardized assessment (pre-Covid) Overall, students who met or nearly met proficiency in ELA standards decreased from 78% to 76.5% over the last two years. Specifically, when comparing 2016 results with 2017 results, we find the following results as it relates to students who are at or near standard: Reading went from 73% - 75%, writing went from 76% - 72%, Listening went from 87% - 82%, Research and Inquiry went from 80% - 76%.

# School and Student Performance Data

## Student Population

Due to the COVID-19 pandemic, state law has suspended the reporting of state and local indicators on the 2020 Dashboard. However, available data that would have been included in the Dashboard are reported on the Department's web site if they were determined to be valid and reliable. Information regarding the reporting status of data is available at [COVID-19 and Data Reporting](#).

This section provides information about the school's student population.

2019-20 Student Population			
Total Enrollment	Socioeconomically Disadvantaged	English Learners	Foster Youth
232	56.0	2.6	1.3
This is the total number of students enrolled.	This is the percent of students who are eligible for free or reduced priced meals; or have parents/guardians who did not receive a high school diploma.	This is the percent of students who are learning to communicate effectively in English, typically requiring instruction in both the English Language and in their academic courses.	This is the percent of students whose well-being is the responsibility of a court.

2019-20 Enrollment for All Students/Student Group		
Student Group	Total	Percentage
English Learners	6	2.6
Foster Youth	3	1.3
Socioeconomically Disadvantaged	130	56.0
Students with Disabilities	25	10.8

Enrollment by Race/Ethnicity		
Student Group	Total	Percentage
African American	4	1.7
American Indian	16	6.9
Asian	2	0.9
Filipino	1	0.4
Hispanic	31	13.4
Two or More Races	14	6.0
Pacific Islander	1	0.4
White	160	69.0

# School and Student Performance Data

## Overall Performance

The data provided below is from the 2019 Fall California School Dashboard. Due to the COVID-19 pandemic, state law has suspended the reporting of state and local indicators on the 2020 Dashboard. However, available data that would have been included in the Dashboard are reported on the Department’s web site if they were determined to be valid and reliable. Information regarding the reporting status of data is available at [COVID-19 and Data Reporting](#).

# School and Student Performance Data

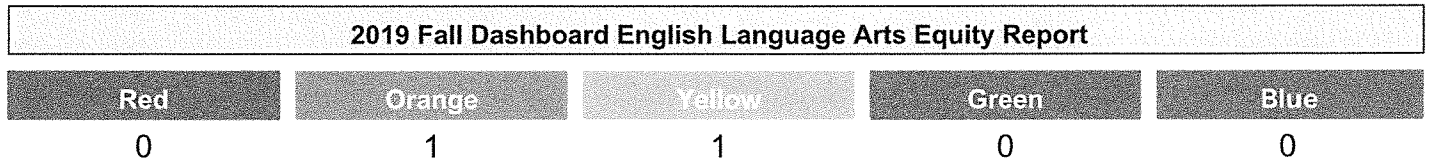

## Academic Performance English Language Arts

The data provided below is from the 2019 Fall California School Dashboard. Due to the COVID-19 pandemic, state law has suspended the reporting of state and local indicators on the 2020 Dashboard. However, available data that would have been included in the Dashboard are reported on the Department's web site if they were determined to be valid and reliable. Information regarding the reporting status of data is available at [COVID-19 and Data Reporting](#).

The performance levels are color-coded and range from lowest-to-highest performance in the following order:

This section provides number of student groups in each color.

This section provides a view of Student Assessment Results and other aspects of this school's performance, specifically how well students are meeting grade-level standards on the English Language Arts assessment. This measure is based on student performance on the Smarter Balanced Summative Assessment, which is taken annually by students in grades 3–8 and grade 11.

2019 Fall Dashboard English Language Arts Performance for All Students/Student Group					
All Students	English Learners	Foster Youth	Homeless	Socioeconomically Disadvantaged	Students with Disabilities

# Goals, Strategies, & Proposed Expenditures

Complete a copy of the following table for each of the school's goals. Duplicate the table as needed.

## LEA/LCAP Goal

Goal 1 - Improve Academic Performance by creating an academic system that addresses and engages the various identified needs of all MJUSD students.

## Goal 1

ELA and Math performance levels will improve by 3% as compared to last CAASPP

## Identified Need

In ELA, 19.7% of students are not yet demonstrating mastery as measured by the last CAASPP. In math, 29.3% were below proficient.

## Annual Measurable Outcomes

Metric/Indicator	Baseline/Actual Outcome	Expected Outcome
CAASPP	ELA = 80.3%. Math = 70.7	ELA = 83%. Math = 74%
STAR Reading, STAR Math, Formative Assessments	Scores earned near the beginning of the first quarter will serve as the baseline.	85% percent of students will show growth equivalent to one year by end of the year assessments.

Complete a copy of the Strategy/Activity table for each of the school's strategies/activities. Duplicate the table, including Proposed Expenditures, as needed.

## Strategy/Activity 1

### Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

All students

### Strategy/Activity

1.1 Academic Student Support Specialist services (3.5 hrs/day x 5 days/wk) will provide struggling learners with guidance and support to increase success in the classroom. The Student Support Specialist will meet with both small groups and individuals to monitor progress and achievement in core academic subjects. Student Support Specialist will also assist students with organization strategies and study skills

## Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Amount(s)	Source(s)
-----------	-----------

21,000

Title I

## Strategy/Activity 2

### Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

All students

### Strategy/Activity

1.2 Core academic classes will be supported by a Literacy Resource Technician (LRT). The primary responsibility will be to provide a structure whereby struggling learners receive extra assistance. In addition, the LRT will assist students in the following ways: reading to students, assisting with appropriate library book selections, assisting students develop research skills, supporting ELA Common Core standards instruction, monitoring student progress on Accelerated Reader and EL (and providing reports to teachers), and providing technology support.

### Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Source(s)

23,000

Targeted

## Strategy/Activity 3

### Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

All students

### Strategy/Activity

1.3 Extend and enhance the library's learning environment by providing resources to students, staff and parents in the areas of technology, research-project materials, periodicals and books which complement the core academic program. A wide variety of literary genres, including informational texts, will be available to students. Novels and academic periodicals promote greater opportunities to practice fluency and comprehension with literature and informational text.

### Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Amount(s)

# Goals, Strategies, & Proposed Expenditures

Complete a copy of the following table for each of the school's goals. Duplicate the table as needed.

## LEA/LCAP Goal

Goal 2 - Improve the physical and emotional conditions of MJUSD schools to address the needs of the whole student.

## Goal 2

Implement a school-wide attendance, discipline and academic support program

## Identified Need

SEL materials are a key component during Distance Learning for students. Also, significant demand for social/emotional/academic support as demonstrated by referrals to site counselor during 2018-19 (pre-Covid) was our first year with this service. Corrective action plans need to be in place as an alternative to suspension. College and career planning needs to be integrated to help students set goals and see relevance for their studies.

## Annual Measurable Outcomes

Metric/Indicator	Baseline/Actual Outcome	Expected Outcome
Engagement levels Suspension rates, attendance rates, promotion rates	DL Engagement Levels = TBD during DL Suspension = 16 Attendance = 96.2%, Promotion rate = 98%	Goal of 96% engagement during DL Improve attendance by 2%, Decrease suspension by 2%, Maintain our 98% promotion rate

Complete a copy of the Strategy/Activity table for each of the school's strategies/activities. Duplicate the table, including Proposed Expenditures, as needed.

## Strategy/Activity 1

### Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

All students

### Strategy/Activity

2.1 Implementation of a school-wide system for Positive Behavior Intervention and Supports (PBIS) creates a culture in which students can maximize their learning. Students learn and are frequently recognized for behaviors that promote a safe, kind and responsible learning environment for all. Classroom instruction, school-wide assemblies and individual conferences are all a part of integrating our school's expectations. As part of a research-based system of PBIS, students are recognized daily, weekly and monthly for their positive accomplishments in maintaining an effective learning environment for all.

### Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Goal 3	553.00
Goal 4	
Goal 5	
Goal 6	

# School Site Council Membership

California Education Code describes the required composition of the School Site Council (SSC). The SSC shall be composed of the principal and representatives of: teachers selected by teachers at the school; other school personnel selected by other school personnel at the school; parents of pupils attending the school selected by such parents; and, in secondary schools, pupils selected by pupils attending the school. The current make-up of the SSC is as follows:

- 1 School Principal
- 3 Classroom Teachers
- 1 Other School Staff
- 4 Parent or Community Members

Name of Members	Role
Ashley Vette	Principal
Patty Gates	Other School Staff
Ferenc Bertalan	Classroom Teacher
Tim Moriarty	Classroom Teacher
Rocio Bertalan	Classroom Teacher
Brandi Schwartz	Parent or Community Member
Martha Bunce	Parent or Community Member
Frankie Contreres	Parent or Community Member
Katie Schaal	Other School Staff
	Parent or Community Member

At elementary schools, the school site council must be constituted to ensure parity between (a) the principal, classroom teachers, and other school personnel, and (b) parents of students attending the school or other community members. Classroom teachers must comprise a majority of persons represented under section (a). At secondary schools there must be, in addition, equal numbers of parents or other community members selected by parents, and students. Members must be selected by their peer group.

## Recommendations and Assurances

The School Site Council (SSC) recommends this school plan and proposed expenditures to the district governing board for approval and assures the board of the following:

The SSC is correctly constituted and was formed in accordance with district governing board policy and state law.

The SSC reviewed its responsibilities under state law and district governing board policies, including those board policies relating to material changes in the School Plan for Student Achievement (SPSA) requiring board approval.

The SSC sought and considered all recommendations from the following groups or committees before adopting this plan:

**Signature**

**Committee or Advisory Group Name**

The SSC reviewed the content requirements for school plans of programs included in this SPSA and believes all such content requirements have been met, including those found in district governing board policies and in the local educational agency plan.

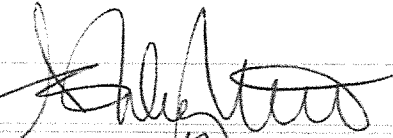

This SPSA is based on a thorough analysis of student academic performance. The actions proposed herein form a sound, comprehensive, coordinated plan to reach stated school goals to improve student academic performance.

This SPSA was adopted by the SSC at a public meeting on . 12/2/2021

Attested:

Principal, Ashley Vette on

SSC Chairperson, Brandi Schwartz on

 12/2/21  

School Year:

2021-22

# School Plan for Student Achievement (SPSA) Template

Instructions and requirements for completing the SPSA template may be found in the SPSA Template Instructions.

School Name	County-District-School (CDS) Code	Schoolsite Council (SSC) Approval Date	Local Board Approval Date
Lindhurst High School	58-72736-5830013	12/02/21	June 22, 2021

## Purpose and Description

Briefly describe the purpose of this plan (Select from Schoolwide Program, Comprehensive Support and Improvement, Targeted Support and Improvement, or Additional Targeted Support and Improvement)

Schoolwide Program

Briefly describe the school's plan for effectively meeting the ESSA requirements in alignment with the Local Control and Accountability Plan and other federal, state, and local programs.

As a Title I school with a diverse population of a variety of subgroups identified by the state, we recognize that achievement for all students is going to take a varied and differentiated approach. Our SPSA reflects supplement funding for resources such as personnel to work with our special populations, classroom materials and supplies, extra time for instruction and collaboration as well as additional programs and instruction for reading, math and credit recapture.

## Stakeholder Involvement

How, when, and with whom did the school consult as part of the planning process for this SPSA/Annual Review and Update?

### Involvement Process for the SPSA and Annual Review and Update

The process for review of data, research of programs and expenditures was a collection of on going faculty meetings, collaboration time and guiding coalition meetings through out the school year.

Additional discussions and dialog took place during ELAC meetings and ultimately discussions and action from our school site counsel.

## Resource Inequities

Briefly identify and describe any resource inequities identified as a result of the required needs assessment, as applicable.

In doing our needs assessment and review it became clear we had areas of need. As with so many things there is not enough time in the day to truly collaborate or intervene with students who are struggle. For that reason we have set aside monies to compensate teachers for instruction and planning outside the contractual hours. Also, professional development was an area of great need as identified by our administrative team, teachers and district team. We have developed a comprehensive plan to send teachers to a variety of professional development and then implement what they have learned in their respective classrooms and departments. To reach our struggling students reading below grade level and those students are below grade level in math. Additionally, to reach a greater number of students additional supplemental classroom materials and technology has been determined needed to have a more varied approach to instructional strategies.

# School and Student Performance Data

## Student Population

Due to the COVID-19 pandemic, state law has suspended the reporting of state and local indicators on the 2020 Dashboard. However, available data that would have been included in the Dashboard are reported on the Department's web site if they were determined to be valid and reliable. Information regarding the reporting status of data is available at [COVID-19 and Data Reporting](#).

This section provides information about the school's student population.

2019-20 Student Population			
Total Enrollment	Socioeconomically Disadvantaged	English Learners	Foster Youth
1,219	87.6	25.6	0.7
This is the total number of students enrolled.	This is the percent of students who are eligible for free or reduced priced meals; or have parents/guardians who did not receive a high school diploma.	This is the percent of students who are learning to communicate effectively in English, typically requiring instruction in both the English Language and in their academic courses.	This is the percent of students whose well-being is the responsibility of a court.

2019-20 Enrollment for All Students/Student Group		
Student Group	Total	Percentage
English Learners	312	25.6
Foster Youth	9	0.7
Homeless	17	1.4
Socioeconomically Disadvantaged	1,068	87.6
Students with Disabilities	182	14.9

Enrollment by Race/Ethnicity		
Student Group	Total	Percentage
African American	52	4.3
American Indian	19	1.6
Asian	195	16.0
Filipino	6	0.5
Hispanic	654	53.7
Two or More Races	26	2.1
Pacific Islander	2	0.2
White	259	21.2

## Academic Performance English Language Arts

The data provided below is from the 2019 Fall California School Dashboard. Due to the COVID-19 pandemic, state law has suspended the reporting of state and local indicators on the 2020 Dashboard. However, available data that would have been included in the Dashboard are reported on the Department's web site if they were determined to be valid and reliable. Information regarding the reporting status of data is available at [COVID-19 and Data Reporting](#).

The performance levels are color-coded and range from lowest-to-highest performance in the following order:

This section provides number of student groups in each color.

This section provides a view of Student Assessment Results and other aspects of this school's performance, specifically how well students are meeting grade-level standards on the English Language Arts assessment. This measure is based on student performance on the Smarter Balanced Summative Assessment, which is taken annually by students in grades 3–8 and grade 11.

2019 Fall Dashboard English Language Arts Performance for All Students/Student Group		
<b>All Students</b>  Yellow 21.1 points below standard Increased ++14.8 points 220	<b>English Learners</b>  Orange 84.5 points below standard Increased Significantly ++21.7 points 59	<b>Foster Youth</b>  No Performance Color Less than 11 Students - Data Not Displayed for Privacy 2
<b>Homeless</b>  No Performance Color Less than 11 Students - Data Not Displayed for Privacy 4	<b>Socioeconomically Disadvantaged</b>  Yellow 24.7 points below standard Increased Significantly ++10.6 points 190	<b>Students with Disabilities</b>  Red 148.4 points below standard Declined -12.8 points 34

# School and Student Performance Data

## Academic Performance English Learner Progress

The data provided below is from the 2019 Fall California School Dashboard. Due to the COVID-19 pandemic, state law has suspended the reporting of state and local indicators on the 2020 Dashboard. However, available data that would have been included in the Dashboard are reported on the Department's web site if they were determined to be valid and reliable. Information regarding the reporting status of data is available at [COVID-19 and Data Reporting](#).

This section provides a view of the percentage of current EL students making progress towards English language proficiency or maintaining the highest level.

### 2019 Fall Dashboard English Learner Progress Indicator

This section provides a view of the percentage of current EL students who progressed at least one ELPI level, maintained ELPI level 4, maintained lower ELPI levels (i.e., levels 1, 2L, 2H, 3L, or 3H), or decreased at least one ELPI Level.

### 2019 Fall Dashboard Student English Language Acquisition Results

Decreased One ELPI Level	Maintained ELPI Level 1, 2L, 2H, 3L, or 3H	Maintained ELPI Level 4	Progressed At Least One ELPI Level
21.1	30.4	2.7	45.6

Conclusions based on this data:

# Goals, Strategies, & Proposed Expenditures

Complete a copy of the following table for each of the school's goals. Duplicate the table as needed.

## LEA/LCAP Goal

Goal 1: Improve Academic Performance by creating an academic system that addresses and engages the various identified needs of all MJUSD students.

## WASC Goal

The California Standards for the Teaching Profession should be actively implemented as a tool to modernize classroom instruction to meet the Common Core and 21st century learning needs.

## Goal 1

Improve the academic performance of all Lindhurst High School students in all areas of study. A key component of this goal is to maintain and continue to implement and improve upon the imbedded intervention time at Lindhurst High School

## Identified Need

As confirmed and identified by WASC Visiting Committee Report

## Annual Measurable Outcomes

Metric/Indicator	Baseline/Actual Outcome	Expected Outcome
CAASPP English Scores	40.74 (18-19)	Increase of 10 percent
CAASPP Math Scores	18.36 (18-19)	Increase of 10 percent
AP scores	Calculus 0% English Language 26% English Literature 16% Macroeconomics 7% Psychology 12% Spanish 86% US Gov 7% US Hist 14%	Increase average pass rate of 30 percent per course offered
"Rising Stars"	214	225 = increase by 5 percent
reduce number of credit deficient students per grade level	June of 2021 numbers 9th 128 10th 142 11th 50 12th 21	reduce by 10 percent per grade level 9th 115 10th 127 11th 45 12th 19
Graduation rate	90.2	Increase graduation rate to 92 percent

1.15 In this changing world of technology, new ways to present and create presentations are available. Prior to the world in the Pandemic, the technology that was equivalent were SMART boards. Our teachers had researched SMART boards and with a limited understanding or availability of online resources and the "clunkiness" of the SMART Board (teachers lost their white board due to having to mount the screen and the size of the screen was only 4x4 making it a bit impractical in a classroom of 36 student there was no interest. Now with online resources readily available and this working directly on a white board this has become very appealing. We sent three teachers who are on our site technology team to view a live demonstration. We purchased a number of these units during 20-21 and they worked amazing. We will finish the last 15 rooms this year. They were thoroughly impressed and shared the information and a demonstration video with the staff to survey to see who would be interested. This purchase is specifically for those teachers who have expressed a clear desire and plan to use this enhanced teaching tool. We will be purchasing Laser projectors for classroom as well as the cost to install them.

**Students to be Served by this Strategy/Activity**  
(Identify either All Students or one or more specific student groups)  
All students

# Goals, Strategies, & Proposed Expenditures

Complete a copy of the following table for each of the school's goals. Duplicate the table as needed.

## LEA/LCAP Goal

Improve the physical and emotional conditions of MJUSD schools to address the needs of the whole student.

## WASC Goal

The Principal, faculty, staff, parents, and students should develop a comprehensive, detailed and realistic strategic planning process to effectively identify and address the many challenges facing Lindhurst High, including low achievement, poor community and self-image, and outdated instructional practices.

## Goal 2

Increase positive student engagement at Lindhurst High School both in and out of the classrooms

## Identified Need

As confirmed and identified by WASC Visiting Committee Report

## Annual Measurable Outcomes

Metric/Indicator	Baseline/Actual Outcome	Expected Outcome
positive press in our local news	two articles, honor roll	4 articles over the course of the year showcasing positive activities at Lindhurst High School
Binders or google drives for departmental PLC's	zero due to year of DL	Each department will have a drive or file containing identified standards, student learning expectations, assessments and data correlating to those common assessments.
suspension rates	11.8%	decrease in suspensions by 5 percent
attendance rates	93.3%	Increase attendance rate to 97 percent

Complete a copy of the Strategy/Activity table for each of the school's strategies/activities. Duplicate the table, including Proposed Expenditures, as needed.

## Strategy/Activity 1

## Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

All students will be served by this activity

2.1 Supplement funding for an administrator who works directly with our students population.

**Proposed Expenditures for this Strategy/Activity**  
List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

# Goals, Strategies, & Proposed Expenditures

Complete a copy of the following table for each of the school's goals. Duplicate the table as needed.

LEA/LCAP Goal
Improve the meaningful school to home relationship.

## WASC Goal

The Principal, faculty, staff, parents, and students should develop a comprehensive, detailed and realistic strategic planning process to effectively identify and address the many challenges facing Lindhurst High, including low achievement, poor community and self-image, and outdated instructional practices.

## Goal 4

Lindhurst will increase positive parent participation and press within our school and community

## Identified Need

As confirmed and identified by WASC Visiting Committee Report

## Annual Measurable Outcomes

Metric/Indicator	Baseline/Actual Outcome	Expected Outcome
greater parent attendance		parental attendance at school sponsored events will increase by 15 percent
Boosters	none at this time	establishment and continued involvement of a school boosters club

Complete a copy of the Strategy/Activity table for each of the school's strategies/activities. Duplicate the table, including Proposed Expenditures, as needed.

## Strategy/Activity 1

Students to be Served by this Strategy/Activity

# Goals, Strategies, & Proposed Expenditures

Complete a copy of the following table for each of the school's goals. Duplicate the table as needed.

## LEA/LCAP Goal

Build a system of specific supports for our EL (English Learner), foster and low SES students.

## WASC Goal

The Principal, faculty, staff, parents, and students should develop a comprehensive, detailed and realistic strategic planning process to effectively identify and address the many challenges facing Lindhurst High, including low achievement, poor community and self-image, and outdated instructional practices.

## Goal 5

Build and maintain a system of support for both academic and SEL supporting all students but specifically targeting our Emerging Bilingual population as well as our foster and low SES students

## Identified Need

Lindhurst High School has an extremely high density of Emerging Bilingual (EL) and SES students. Additionally we have a significant number of foster youth as well. These students are performing at some of our lowest levels and in the greatest need for intervention and support.

## Annual Measurable Outcomes

Metric/Indicator	Baseline/Actual Outcome	Expected Outcome
Emerging Bilingual (EL) student numbers	284 students /	213 = 25% reclassification
F list for Emerging Bilingual (EL) students	362 total F's	290 = 20% reduction
Increase the graduation rate for our Emerging Bilingual (EL) students	88%	90%

Complete a copy of the Strategy/Activity table for each of the school's strategies/activities. Duplicate the table, including Proposed Expenditures, as needed.

## Strategy/Activity 1

Students to be Served by this Strategy/Activity  
(Identify either All Students or one or more specific student groups)

Emerging Bilingual Students (EL)

## Strategy/Activity

5.1 Lindhurst High School will fund three (3) bilingual para educators to work with our emerging bilingual student population in core classes

## Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Amount(s)	145,650

# School Site Council Membership

California Education Code describes the required composition of the School Site Council (SSC). The SSC shall be composed of the principal and representatives of: teachers selected by teachers at the school; other school personnel selected by other school personnel at the school; parents of pupils attending the school selected by such parents; and, in secondary schools, pupils selected by pupils attending the school. The current make-up of the SSC is as follows:

- 1 School Principal
- 4 Classroom Teachers
- 1 Other School Staff
- 1 Parent or Community Members
- 5 Secondary Students

Name of Members	Role
Bob Eckardt	Principal
Hark Dulai	Other School Staff
Maria Lamas	Classroom Teacher
Matt Newman	Classroom Teacher
Kaleb George	Classroom Teacher
Meaghan Alvarez	Classroom Teacher
Nicolas Sanchez	Secondary Student
Adeline Garcia	Secondary Student
Pedro Manon	Secondary Student
Patricia Morales	Secondary Student
Angelina Roman	Secondary Student
Noemi Arroyo Magana	Parent or Community Member

At elementary schools, the school site council must be constituted to ensure parity between (a) the principal, classroom teachers, and other school personnel, and (b) parents of students attending the school or other community members. Classroom teachers must comprise a majority of persons represented under section (a). At secondary schools there must be, in addition, equal numbers of parents or other community members selected by parents, and students. Members must be selected by their peer group.

## Recommendations and Assurances

The School Site Council (SSC) recommends this school plan and proposed expenditures to the district governing board for approval and assures the board of the following:

The SSC is correctly constituted and was formed in accordance with district governing board policy and state law.

The SSC reviewed its responsibilities under state law and district governing board policies, including those board policies relating to material changes in the School Plan for Student Achievement (SPSA) requiring board approval.

The SSC sought and considered all recommendations from the following groups or committees before adopting this plan:

Signature

Committee or Advisory Group Name

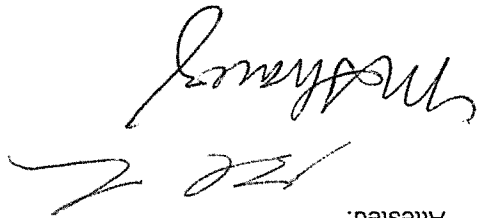

District/School Liaison Team for Schools in Program Improvement

The SSC reviewed the content requirements for school plans of programs included in this SPSA and believes all such content requirements have been met, including those found in district governing board policies and in the local educational agency plan.

This SPSA is based on a thorough analysis of student academic performance. The actions proposed herein form a sound, comprehensive, coordinated plan to reach stated school goals to improve student academic performance.

This SPSA was adopted by the SSC at a public meeting on 12/02/2021.

Attested:

Principal, Bob Eckardt on 12/02/2021

SSC Chairperson, Meaghan Alvarez on 12/02/2021

# School Plan for Student Achievement (SPSA) Template

Instructions and requirements for completing the SPSA template may be found in the SPSA Template Instructions.

School Name	County-District-School (CDS) Code	Schoolsite Council (SSC) Approval Date	Local Board Approval Date
Marysville High School	58-72736-5835202	10/18/2021	June 22, 2021

## Purpose and Description

Briefly describe the purpose of this plan (Select from Schoolwide Program, Comprehensive Support and Improvement, Targeted Support and Improvement, or Additional Targeted Support and Improvement)

Schoolwide Program

Briefly describe the school's plan for effectively meeting the ESSA requirements in alignment with the Local Control and Accountability Plan and other federal, state, and local programs.

Marysville High School will analyze and report out to stakeholders current data relating to our most at risk student population and dedicate funds allocated to the intervention, support, academic, social/emotional, college and career planning for these students in compliance with title I, local control and accountability, and WASC Accreditation guidelines to maximize student outcomes for learning and achievement so that they are college and career ready.

## Stakeholder Involvement

How, when, and with whom did the school consult as part of the planning process for this SPSA/Annual Review and Update?

### Involvement Process for the SPSA and Annual Review and Update

The school site leadership team and faculty review data related to student academic performance monthly and plan interventions and supports for educationally disadvantaged youth. The leadership team updates annually academic student performance data and update the WASC Action plan from

this data. The leadership team as well as the site council and ELAC committees review the WASC Action Plan, LCAP Plan and site plan regularly to monitor resources allocated to improve student academic performance and outcomes for all students, but specifically EDY students.

## Resource Inequities

Briefly identify and describe any resource inequities identified as a result of the required needs assessment, as applicable.

College/Career readiness, parent involvement, timely intervention and academic progress of EL learners, EDY students, Foster Youth, Homeless students and SPED students will be the focus for school year.

# School and Student Performance Data

## Student Enrollment Enrollment By Student Group

Student Enrollment by Subgroup						
Student Group	Percent of Enrollment			Number of Students		
	18-19	19-20	20-21	18-19	19-20	20-21
American Indian	5.12%	4.53%	2.8%	48	44	28
African American	4.48%	4.43%	4.8%	42	43	48
Asian	6.5%	5.46%	4.5%	61	53	45
Filipino	0.32%	0.21%	0.1%	3	2	1
Hispanic/Latino	31.13%	30.9%	33.5%	292	300	335
Pacific Islander	0.96%	1.13%	0.7%	9	11	7
White	47.97%	47.99%	45.6%	450	466	456
Multiple/No Response	0.85%	0.82%	1.1%	8	8	11
Total Enrollment				938	971	1,001

## Student Enrollment Enrollment By Grade Level

Student Enrollment by Grade Level			
Grade	Number of Students		
	18-19	19-20	20-21
Grade 9	239	277	289
Grade 10	287	243	273
Grade 11	239	237	234
Grade 12	173	214	205
Total Enrollment	938	971	1,001

Conclusions based on this data:

1. MHS is experiencing a slight increase in enrollment

# School and Student Performance Data

## Student Enrollment English Learner (EL) Enrollment

English Learner (EL) Enrollment						
Student Group	Number of Students			Percent of Students		
	18-19	19-20	20-21	18-19	19-20	20-21
English Learners	94	100	85	10.0%	10.3%	8.5%
Fluent English Proficient (FEP)	114	113	125	12.2%	11.6%	12.5%
Reclassified Fluent English Proficient	0	5	19	0.0%	5.3%	19.0%

### Conclusions based on this data:

1. MHS is experiencing a slight increase in students who are English Language Learners and will require more intensive support to move toward RFEP status.
2. In 2021 MHS experienced an increase of students reclassified as fluent and RFEP.

**Conclusions based on this data:**

1. Intensive support needs to be provided in a timely matter to increase our EL students ability to produce "well developed" writing examples.
2. All of our EL students need instensive support and structure to increase their proficiency in reading, writing and speaking and listening to provide more opportunities for success in school and college and career readiness.

# School and Student Performance Data

## Student Population

Due to the COVID-19 pandemic, state law has suspended the reporting of state and local indicators on the 2020 Dashboard. However, available data that would have been included in the Dashboard are reported on the Department's web site if they were determined to be valid and reliable. Information regarding the reporting status of data is available at [COVID-19 and Data Reporting](#).

This section provides information about the school's student population.

2019-20 Student Population			
Total Enrollment	Socioeconomically Disadvantaged	English Learners	Foster Youth
971	72.5	10.3	1.4
This is the total number of students enrolled.	This is the percent of students who are eligible for free or reduced priced meals; or have parents/guardians who did not receive a high school diploma.	This is the percent of students who are learning to communicate effectively in English, typically requiring instruction in both the English Language and in their academic courses.	This is the percent of students whose well-being is the responsibility of a court.

2019-20 Enrollment for All Students/Student Group		
Student Group	Total	Percentage
English Learners	100	10.3
Foster Youth	14	1.4
Homeless	20	2.1
Socioeconomically Disadvantaged	704	72.5
Students with Disabilities	116	11.9

Enrollment by Race/Ethnicity		
Student Group	Total	Percentage
African American	43	4.4
American Indian	44	4.5
Asian	53	5.5
Filipino	2	0.2
Hispanic	300	30.9
Two or More Races	44	4.5
Pacific Islander	11	1.1
White	466	48.0

### Conclusions based on this data:

1. MHS students would benefit from intensive and targeted support in SEL, academics and college and career readiness.
2. MHS teachers and support staff require professional development to support the diverse needs of our students.

# School and Student Performance Data

## Overall Performance

The data provided below is from the 2019 Fall California School Dashboard. Due to the COVID-19 pandemic, state law has suspended the reporting of state and local indicators on the 2020 Dashboard. However, available data that would have been included in the Dashboard are reported on the Department’s web site if they were determined to be valid and reliable. Information regarding the reporting status of data is available at [COVID-19 and Data Reporting](#).

2019 Fall Dashboard Overall Performance for All Students		
Academic Performance	Academic Engagement	Conditions & Climate
<div>English Language Arts</div> <div></div> <div>Green</div>	<div>Graduation Rate</div> <div></div> <div>Blue</div>	<div>Suspension Rate</div> <div></div> <div>Yellow</div>
<div>Mathematics</div> <div></div> <div>Yellow</div>		
<div>College/Career</div> <div></div> <div>Green</div>		

**Conclusions based on this data:**

1. Planning and utilization of SPSA resources need to continue to be allocated for EDY in the areas of mathematics, ELA, college/career, science and intervention and prevention.
2. Planning and utilization of SPSA resources to decrease out of school suspension rates, increase positive attendance and restorative practices related to discipline and school culture.

# School and Student Performance Data

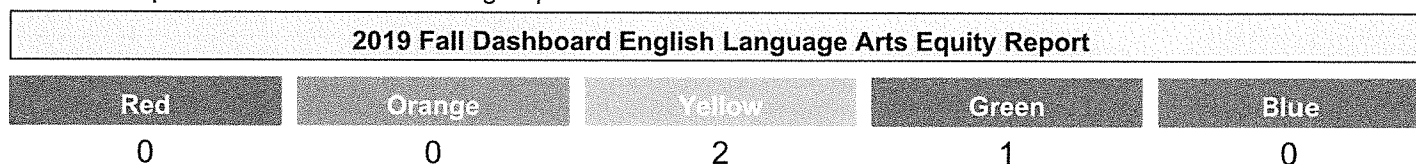

## Academic Performance English Language Arts

The data provided below is from the 2019 Fall California School Dashboard. Due to the COVID-19 pandemic, state law has suspended the reporting of state and local indicators on the 2020 Dashboard. However, available data that would have been included in the Dashboard are reported on the Department's web site if they were determined to be valid and reliable. Information regarding the reporting status of data is available at [COVID-19 and Data Reporting](#).

The performance levels are color-coded and range from lowest-to-highest performance in the following order:

This section provides number of student groups in each color.

This section provides a view of Student Assessment Results and other aspects of this school's performance, specifically how well students are meeting grade-level standards on the English Language Arts assessment. This measure is based on student performance on the Smarter Balanced Summative Assessment, which is taken annually by students in grades 3–8 and grade 11.

2019 Fall Dashboard English Language Arts Performance for All Students/Student Group		
All Students	English Learners	Foster Youth
 Green 7 points above standard Increased Significantly ++24.2 points 205	 No Performance Color 59.3 points below standard Increased ++14.6 points 25	 No Performance Color Less than 11 Students - Data Not Displayed for Privacy 2
Homeless	Socioeconomically Disadvantaged	Students with Disabilities
 No Performance Color Less than 11 Students - Data Not Displayed for Privacy 2	 Yellow 10.7 points below standard Increased Significantly ++15.2 points 141	 No Performance Color 134 points below standard Increased Significantly ++16.3 points 21

2019 Fall Dashboard English Language Arts Performance by Race/Ethnicity			
<b>African American</b>  No Performance Color Less than 11 Students - Data Not Displayed for Privacy 10	<b>American Indian</b>  No Performance Color 3.1 points below standard Increased ++10.9 points 14	<b>Asian</b>  No Performance Color 25.3 points above standard 16	<b>Filipino</b>  No Performance Color Less than 11 Students - Data Not Displayed for Privacy 1
<b>Hispanic</b>  Yellow 11.5 points below standard Increased ++7.3 points 57	<b>Two or More Races</b>  No Performance Color Less than 11 Students - Data Not Displayed for Privacy 2	<b>Pacific Islander</b>  No Performance Color Less than 11 Students - Data Not Displayed for Privacy 4	<b>White</b>  Green 27.5 points above standard Increased Significantly ++31.5 points 100

This section provides a view of Student Assessment Results and other aspects of this school's performance, specifically how well students are meeting grade-level standards on the English Language Arts assessment. This measure is based on student performance on the Smarter Balanced Summative Assessment, which is taken annually by students in grades 3–8 and grade 11.

2019 Fall Dashboard English Language Arts Data Comparisons for English Learners		
<b>Current English Learner</b> 77.3 points below standard Increased Significantly ++18.1 points 21	<b>Reclassified English Learners</b> Less than 11 Students - Data Not Displayed for Privacy 4	<b>English Only</b> 10.5 points above standard Increased Significantly ++20.8 points 155

#### Conclusions based on this data:

- Intensive supports and targeted interventions are needed to increase academic outcomes for Hispanic students and , English Language learners,

This section provides number of student groups in each color.

2019 Fall Dashboard Chronic Absenteeism Equity Report				
Red	Orange	Yellow	Green	Blue

This section provides information about the percentage of students in kindergarten through grade 8 who are absent 10 percent or more of the instructional days they were enrolled.

2019 Fall Dashboard Chronic Absenteeism for All Students/Student Group		
All Students	English Learners	Foster Youth
Homeless	Socioeconomically Disadvantaged	Students with Disabilities

2019 Fall Dashboard Chronic Absenteeism by Race/Ethnicity			
African American	American Indian	Asian	Filipino
Hispanic	Two or More Races	Pacific Islander	White

Conclusions based on this data:

1.

# School and Student Performance Data

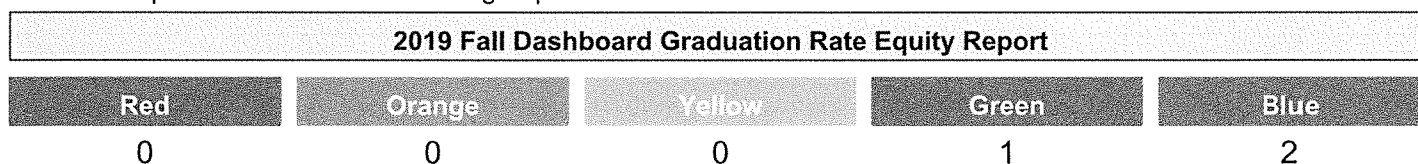

## Academic Engagement Graduation Rate

The data provided below is from the 2019 Fall California School Dashboard. Due to the COVID-19 pandemic, state law has suspended the reporting of state and local indicators on the 2020 Dashboard. However, available data that would have been included in the Dashboard are reported on the Department's web site if they were determined to be valid and reliable. Information regarding the reporting status of data is available at [COVID-19 and Data Reporting](#).

The performance levels are color-coded and range from lowest-to-highest performance in the following order:

This section provides number of student groups in each color.

This section provides information about students completing high school, which includes students who receive a standard high school diploma or complete their graduation requirements at an alternative school.

2019 Fall Dashboard Graduation Rate for All Students/Student Group		
<b>All Students</b>  Blue 95.5 Increased +1 176	<b>English Learners</b>  No Performance Color 100 Maintained 0 14	<b>Foster Youth</b>  No Performance Color Less than 11 Students - Data Not Displayed for Privacy 3
<b>Homeless</b>  No Performance Color Less than 11 Students - Data Not Displayed for Privacy 7	<b>Socioeconomically Disadvantaged</b>  Blue 95.1 Increased +2 123	<b>Students with Disabilities</b>  No Performance Color 89.7 Increased +14.7 29

### 2019 Fall Dashboard Graduation Rate by Race/Ethnicity

African American	American Indian	Asian	Filipino
 No Performance Color Less than 11 Students - Data Not Displayed for Privacy 7	 No Performance Color 100 13	 No Performance Color 92.3 Declined -2.1 13	 No Performance Color Less than 11 Students - Data Not Displayed for Privacy 1
Hispanic	Two or More Races	Pacific Islander	White
 Blue 96.6 Increased +4.4 58	 No Performance Color Less than 11 Students - Data Not Displayed for Privacy 2	 No Performance Color Less than 11 Students - Data Not Displayed for Privacy 1	 Green 93.8 Maintained -0.8 81

This section provides a view of the percentage of students who received a high school diploma within four years of entering ninth grade or complete their graduation requirements at an alternative school.

### 2019 Fall Dashboard Graduation Rate by Year

2018	2019
94.5	95.5

#### Conclusions based on this data:

1. Our social economically disadvantaged youth and Hispanic students have a slightly lower graduation rate than ALL students. Resources and planning targeting these student populations to increase graduation rates will benefit EDY students.

# School and Student Performance Data

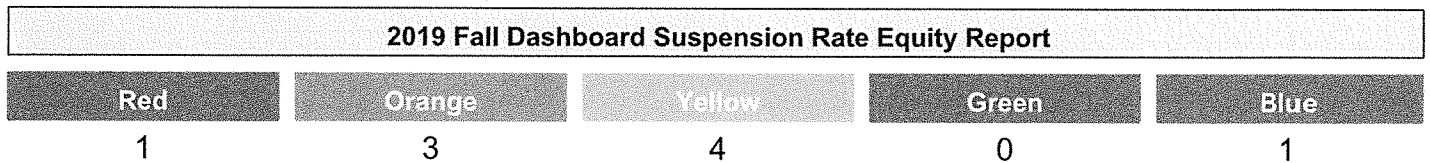

## Conditions & Climate Suspension Rate

The data provided below is from the 2019 Fall California School Dashboard. Due to the COVID-19 pandemic, state law has suspended the reporting of state and local indicators on the 2020 Dashboard. However, available data that would have been included in the Dashboard are reported on the Department's web site if they were determined to be valid and reliable. Information regarding the reporting status of data is available at [COVID-19 and Data Reporting](#).

The performance levels are color-coded and range from lowest-to-highest performance in the following order:

This section provides number of student groups in each color.

This section provides information about the percentage of students in kindergarten through grade 12 who have been suspended at least once in a given school year. Students who are suspended multiple times are only counted once.

2019 Fall Dashboard Suspension Rate for All Students/Student Group		
<b>All Students</b>  Yellow 7.4 Declined -0.8 1026	<b>English Learners</b>  Orange 6.8 Increased +3.1 103	<b>Foster Youth</b>  No Performance Color 23.8 Declined -1.2 21
<b>Homeless</b>  No Performance Color 24 Increased +10.4 25	<b>Socioeconomically Disadvantaged</b>  Orange 8.6 Increased +0.4 710	<b>Students with Disabilities</b>  Yellow 9.8 Declined -4.6 143

### 2019 Fall Dashboard Suspension Rate by Race/Ethnicity

African American	American Indian	Asian	Filipino
 Red 30.6 Increased +12.2 49	 Yellow 7 Declined -3.3 57	 Blue 0 Maintained 0 64	 No Performance Color Less than 11 Students - Data 3
Hispanic	Two or More Races	Pacific Islander	White
 Orange 6.2 Increased +0.5 321	 Yellow 7.1 Declined -11.8 42	 No Performance Color Less than 11 Students - Data 10	 Yellow 7.1 Declined -1.4 480

This section provides a view of the percentage of students who were suspended.

### 2019 Fall Dashboard Suspension Rate by Year

2017	2018	2019
	8.2	7.4

#### Conclusions based on this data:

1. Focus and attention, planning and support and utilization of SPSA funds to improve suspension data for our African American, Hispanic and American Indian students.
2. Implementation of SPSA funds and goals to support positive school culture and climate to increase student academic success and reduce suspension rates.

# Goals, Strategies, & Proposed Expenditures

Complete a copy of the following table for each of the school's goals. Duplicate the table as needed.

## LEA/LCAP Goal

Improve Academic Performance by creating an academic system that addresses and engages the various identified needs of all MJUSD students.

## WASC Goal

Increase Academic Rigor & Instruction: Develop a long range comprehensive professional development plan that includes strategies to increase academic rigor, provide strategies to intervene or extend learning based on data from common formative assessments.

## Goal 1

Improve first instruction, rigor and engagement across all disciplines to improve the academic performance of all Marysville High School students in all areas of student to prepare them to be career and college ready.

## Identified Need

As identified by WASC Self Study 2021. Increase rigor and instruction for all students as monitored by summative (state) and formative assessments.

## Annual Measurable Outcomes

Metric/Indicator	Baseline/Actual Outcome	Expected Outcome
CASSPP English/Language Arts		Increase of 10 points
CASSPP Mathematics		Increase 10 points
Reclassification of EL students using the ELPAC assessment	4 reclassification for the 18-20 school year: 2/2021: 21 students have been reclassified	Reclassify 5 students
Graduation rate	2/2021: All students grad rate is 97.2%, EL is 100%,	Increase graduation rate by 2%, from %94 to %96
College/Career readiness		Increase percentage of students qualified as career/college ready by 10%
Advanced Placement		Increase site-level AP exam pass rate from 54% to %58.
EAP		Increase EAP exam passage rates from 12% to 14% in ELA and from %57 to %58 in math.
special education		Increase student performance on CASSPP ELA, math and CAST performance by 3%

Complete a copy of the Strategy/Activity table for each of the school's strategies/activities. Duplicate the table, including Proposed Expenditures, as needed.

**Strategy/Activity 1**

**Students to be Served by this Strategy/Activity**

(Identify either All Students or one or more specific student groups)

All students, all grade levels, specifically EDY, SPED and EL students

**Strategy/Activity**

Strategic and direct academic and language support to EL students and all EDY in the classroom and after school provided secondary support specialist, and by providing organized Tutoring After School (TAS) to assist all students toward reclassification and overall academic success.

**Proposed Expenditures for this Strategy/Activity**

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Amount(s)	Source(s)
58,006.	Title I

**Strategy/Activity 2**

**Students to be Served by this Strategy/Activity**

(Identify either All Students or one or more specific student groups)

English Language Learners

**Strategy/Activity**

Marysville High School will provide a secondary support specialist to assist EL learners within the classroom, in small group, and after school during specialized tutoring opportunities

**Proposed Expenditures for this Strategy/Activity**

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Amount(s)	Source(s)
23210.	Discretionary
23210.	Title I

**Strategy/Activity 3**

**Students to be Served by this Strategy/Activity**

(Identify either All Students or one or more specific student groups)

All Students

**Strategy/Activity**

Supplemental classroom supplies and instructional materials for student intervention strategies in Literacy, Strategic English, Strategic Math, science and social science classes to raise minimum academic achievement of special education, EL, and educationally disadvantaged students

**Proposed Expenditures for this Strategy/Activity**

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

# Goals, Strategies, & Proposed Expenditures

Complete a copy of the following table for each of the school's goals. Duplicate the table as needed.

## LEA/LCAP Goal

Improve the physical and emotional conditions of MJUSD schools to address the needs of the whole student.

## WASC Goal

Develop and utilize intervention and enrichment programs and processes that support the whole student that are timely and based on data.

## Goal 2

Sustain and enhance positive school culture, safety and engagement at Marysville High School.

## Identified Need

Increase positive school culture across Marysville High School for staff and students. Reduce chronic absenteeism with at risk students, increase positive attendance percentages, reduce D's & F's among at risk youth, and decrease suspension rates for at risk populations by 2%.

## Annual Measurable Outcomes

Metric/Indicator	Baseline/Actual Outcome	Expected Outcome
Suspension rates		Decrease suspension rates by 3% (from %8.2 to %5.2)
Attendance Rates		Increase overall student attendance to 97% and reduce chronic absenteeism by 2%

Complete a copy of the Strategy/Activity table for each of the school's strategies/activities. Duplicate the table, including Proposed Expenditures, as needed.

## Strategy/Activity 1

### Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

All students and specifically at risk sub groups

### Strategy/Activity

Fund PASS Officer to work with at risk youth to increase attendance and school performance, & engagement promote a positive school culture and maintain a positive connection between students and law enforcement agencies.

## Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Amount(s)	Source(s)
108,863	Targeted

## Strategy/Activity 2

### Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

All students and at risk students

### Strategy/Activity

Supplement funding for 25% of administrator to work directly with at risk students. This includes meetings with families, weekly travel/ mileage to distance learning sites, coordination of services including transportation, home visits, attendance meetings, organization of SEL support. Support for technology for students with connectivity.

### Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Amount(s)	Source(s)
45145	Targeted

## Strategy/Activity 3

### Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

All students and specifically at risk students related to academic, attendance, behavior and social emotional issues.

### Strategy/Activity

Fund Two At Risk Consultant/counselor & Parent Liaisons

### Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Amount(s)	Source(s)
80,000.	Discretionary

## Strategy/Activity 4

### Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

All students, students in the PBIS tier 1 setting, and tier 2.

### Strategy/Activity

PBIS, Link Crew capacity building expenses: The PBIS coordinator facilitates the Tier I & II process looking at behavioral and attendance data using the SWIS data analysis program. From the data, the SWIS data, the Tier 1 & II teams set goals and target areas to increase positive behavior/culture on campus, reduce tardies, truancy and discipline that results in lost learning time for students. Activities include weekly facilitated meetings around data, student presentations via poster, video on behavioral expectations, staff activities to facilitate a campus wide education and promotion of RESPECTFUL, RESPONSIBLE AND HEALTHY expectations.

**Proposed Expenditures for this Strategy/Activity**

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

# Goals, Strategies, & Proposed Expenditures

Complete a copy of the following table for each of the school's goals. Duplicate the table as needed.

## LEA/LCAP Goal

Build a system of specific supports for our EL (English Learner), Foster and low SES students.

## WASC Goal

Increase Outcomes for All students: Develop a strategic and comprehensive outcomes for all students including English language learners, foster youth, EDY students and special education students.

## Goal 3

Increase the number of students that are identified as college and career ready as measured by the dashboard.

## Identified Need

Provide technology or application programs that directly connect families school information, to college and career opportunities, college readiness skills, college applications, financial aid information .

## Annual Measurable Outcomes

Metric/Indicator	Baseline/Actual Outcome	Expected Outcome
Increase the percentage of students that are considered college/career ready	36.9% career/college ready 2019	Increase by 5%

Complete a copy of the Strategy/Activity table for each of the school's strategies/activities. Duplicate the table, including Proposed Expenditures, as needed.

## Strategy/Activity 1

### Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

All students

### Strategy/Activity

Postage, paper, labeling, and printing costs for supplemental parent communications, including, and parent newsletters, flyers, signage to involve community stakeholders in improving the academic outcomes for students.

### Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Amount(s)	Source(s)
3,433.	Title I Parent Involvement

## Strategy/Activity 2

### Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

All students

### Strategy/Activity

Purchase of applications or technology, that enhance communication with families related to student progress, and career/college information and outcomes and/or increase access for EL students to curriculum, English/Language technology applications.

### Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

# Goals, Strategies, & Proposed Expenditures

Complete a copy of the following table for each of the school's goals. Duplicate the table as needed.

## LEA/LCAP Goal

Improve Academic Performance by creating an academic system that addresses and engages the various identified needs of all MJUSD students.

## WASC Goal

Develop a long range comprehensive professional development plan that includes systemic collaboration to increase student centered instruction to increase rigor across the curriculum, provide intervention and extension across courses base on data analysis and student need.

## Goal 4

Professional Development: %80 of staff will participate in professional development and study best practices around school culture, positive behavior interventions/supports, professional learning community work, specifically grading practices, intervention best practices and service to students that may need additional opportunities to learn standards.

## Identified Need

Site administration, site leadership team, and district leadership employ a long-range, comprehensive and cohesive staff development plan focused on strengthening the rigor, curriculum, instruction and the academic performance of all student to improve academic, career/college readiness outcomes for ALL students via a high performing professional learning school community.

## Annual Measurable Outcomes

Metric/Indicator	Baseline/Actual Outcome	Expected Outcome
Staff participation in PLC professional development		Increase staff participation in PLC trainings by %2.
Professional development: PBIS & School Culture by Design		Increase/maintain professional development opportunities for staff in Tier 1 and Tier 2 PBIS
Professional development to improve student academic performance		Increase staff participation for subject specific PD by %2.
Professional development to improve academic outcomes for at risk/EDY students		Increase staff participation in PD to learn instructional strategies to support EL, SPED, and EDY youth

Complete a copy of the Strategy/Activity table for each of the school's strategies/activities. Duplicate the table, including Proposed Expenditures, as needed.

## Strategy/Activity 1

### Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

ALL Students

Strategy/Activity

Professional development : Professional development, substitutes and collaboration around best practices in education in the areas of Literacy, strategic math, strategic ELA, and common core content area SDAIE teachers (math, ELA, AVID, EL, Rtl, social science, and science teachers), up to 10 times a year, for the purposes of aligning curriculum to the common core standards, pacing, processing student assessments, integrating learning skills (content literacy, organizational, study skills), and enhancing intervention strategies so all EDY students will attain a gain in the number of students achieving proficiency on the ELA/math CAASPP and new CAST.

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

# Goals, Strategies, & Proposed Expenditures

Complete a copy of the following table for each of the school's goals. Duplicate the table as needed.

## LEA/LCAP Goal

Improve the meaningful school to home relationship.

## WASC Goal

Strategic planning and implementation of a comprehensive plan to increase college/career readiness skills and outcomes for students.

## Goal 5

Increase the number of Marysville High School students identified as career/college ready as measured by Dashboard.

## Identified Need

Increase number of students awareness of post high school readiness skills, career/college/military/trade school opportunities, accessing and completing AP courses, college prep courses (A-G)

## Annual Measurable Outcomes

Metric/Indicator	Baseline/Actual Outcome	Expected Outcome
Increase Marysville High School's outcomes of students applying for and attending post secondary colleges and trade schools or military.		
Provide "credit repair" opportunities for educationally disadvantaged students to make up credits by taking independent study or online course.		

Complete a copy of the Strategy/Activity table for each of the school's strategies/activities. Duplicate the table, including Proposed Expenditures, as needed.

## Strategy/Activity 1

### Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

ALL Students, EDY students

### Strategy/Activity

Provide a college/career center technician to increase opportunities for college and career readiness. This service will provide structured activities and supports to gain information and access to post high school options in a center based model. Students can research and apply for colleges, military and trade schools.

### **Proposed Expenditures for this Strategy/Activity**

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Amount(s)	Source(s)
30,000.	Title I

### **Strategy/Activity 2**

#### **Students to be Served by this Strategy/Activity**

(Identify either All Students or one or more specific student groups)

All Students

#### **Strategy/Activity**

Provide materials, supplies and support to EDY students in the areas of college and career exploration, readiness to increase students skills and awareness of college and career options.

### **Proposed Expenditures for this Strategy/Activity**

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Amount(s)	Source(s)

Expenditures by Goal

Budget Reference	Amount
Goal 1	227,307.00
Goal 2	254,093.00
Goal 3	63,433.00
Goal 4	115,344.00
Goal 5	106,367.00
Goal 6	

# School Site Council Membership

California Education Code describes the required composition of the School Site Council (SSC). The SSC shall be composed of the principal and representatives of: teachers selected by teachers at the school; other school personnel selected by other school personnel at the school; parents of pupils attending the school selected by such parents; and, in secondary schools, pupils selected by pupils attending the school. The current make-up of the SSC is as follows:

- 1 School Principal
- 3 Classroom Teachers
- 3 Other School Staff
- 4 Parent or Community Members
- 4 Secondary Students

Name of Members	Role
Shevaun Mathews	Principal
Dean Allen	Classroom Teacher
Yvonne Thornton	Other School Staff
Will Claggett	Classroom Teacher
Star Saunders	Classroom Teacher
Amy Eggleston	Other School Staff
Kelly Williamson	Parent or Community Member
Penny Rogers	Parent or Community Member
Carmie Ellyson	Parent or Community Member
Jason Roper	Parent or Community Member
Madison Taylor	Secondary Student
Alize Medina	Secondary Student
Diane Jensen	Secondary Student
Cami Shaver	Secondary Student
Pam Kenney	Other School Staff
Anna Thao	Secondary Student

At elementary schools, the school site council must be constituted to ensure parity between (a) the principal, classroom teachers, and other school personnel, and (b) parents of students attending the school or other community members. Classroom teachers must comprise a majority of persons represented under section (a). At secondary schools there must be, in addition, equal numbers of parents or other community members selected by parents, and students. Members must be selected by their peer group.

## Recommendations and Assurances

The School Site Council (SSC) recommends this school plan and proposed expenditures to the district governing board for approval and assures the board of the following:

The SSC is correctly constituted and was formed in accordance with district governing board policy and state law.

The SSC reviewed its responsibilities under state law and district governing board policies, including those board policies relating to material changes in the School Plan for Student Achievement (SPSA) requiring board approval.

The SSC sought and considered all recommendations from the following groups or committees before adopting this plan:

**Signature**

**Committee or Advisory Group Name**

The SSC reviewed the content requirements for school plans of programs included in this SPSA and believes all such content requirements have been met, including those found in district governing board policies and in the local educational agency plan.

This SPSA is based on a thorough analysis of student academic performance. The actions proposed herein form a sound, comprehensive, coordinated plan to reach stated school goals to improve student academic performance.

This SPSA was adopted by the SSC at a public meeting on 06/1/2021.

Attested:

*Shevaun Mathews*

Principal, Shevaun Mathews on 10/18/2021

*Kelly Williamson*

SSC Chairperson, Kelly Williamson on 10/18/2021

# School Plan for Student Achievement (SPSA) Template

Instructions and requirements for completing the SPSA template may be found in the SPSA Template Instructions.

School Name	County-District-School (CDS) Code	Schoolsite Council (SSC) Approval Date	Local Board Approval Date
Marysville Charter Academy for the Arts	58-72736-5830138	10/28/2021	June 22, 2021

## Purpose and Description

Briefly describe the purpose of this plan (Select from Schoolwide Program, Comprehensive Support and Improvement, Targeted Support and Improvement, or Additional Targeted Support and Improvement)

### Schoolwide Program

This plan will increase student achievement in mathematics overall and will also target students for extra help in mathematics. It should also increase parent involvement.

Briefly describe the school's plan for effectively meeting the ESSA requirements in alignment with the Local Control and Accountability Plan and other federal, state, and local programs.

MCAA is a charter school that has aligned the academic goals found in the LCAP, SPSA, and the WASC action plan so that all actions are working together to accomplish these goals.

## Stakeholder Involvement

How, when, and with whom did the school consult as part of the planning process for this SPSA/Annual Review and Update?

### Involvement Process for the SPSA and Annual Review and Update

Discussed and approved the plan with the school site council on 5-13-21. Also met with the school leadership team to discuss the plan. The LCAP and WASC goals were used as sources of needs for the SPSA.

## Resource Inequities

Briefly identify and describe any resource inequities identified as a result of the required needs assessment, as applicable.

MCAA students, overall, score lower in state testing in math than they do in English and science. When looking at math data, we see that "All Students" are -18.1 from standard and EL students are -65.5 from standard. Also, socio-economically disadvantaged students are -27.8 from standard while Hispanic students -36.3 from standard. In English, EL students are -37.1 from standard while all other subgroups are above the standard.

# School and Student Performance Data

## Student Enrollment Enrollment By Student Group

Student Enrollment by Subgroup						
Student Group	Percent of Enrollment			Number of Students		
	18-19	19-20	20-21	18-19	19-20	20-21
American Indian	0.75%	1.04%	0.3%	3	4	1
African American	1.5%	1.04%	1.6%	6	4	6
Asian	4.25%	6.27%	7.2%	17	24	27
Filipino	0.5%	0.52%	1.6%	2	2	6
Hispanic/Latino	37.75%	35.51%	38.9%	151	136	145
Pacific Islander	0.75%	0.78%	0.8%	3	3	3
White	43.75%	44.91%	41.0%	175	172	153
Multiple/No Response	0.5%	0.26%	0.3%	2	1	1
Total Enrollment				400	383	373

## Student Enrollment Enrollment By Grade Level

Student Enrollment by Grade Level			
Grade	Number of Students		
	18-19	19-20	20-21
Grade 7	75	71	60
Grade 8	75	73	69
Grade 9	71	65	68
Grade 10	65	65	66
Grade 11	58	58	60
Grade 12	56	51	50
Total Enrollment	400	383	373

### Conclusions based on this data:

1. The student population by grade has dropped just slightly. The high enrollment year was 2018-19. The percentages by student group has remained relatively the same over the last few years.

# School and Student Performance Data

## Student Enrollment English Learner (EL) Enrollment

English Learner (EL) Enrollment						
Student Group	Number of Students			Percent of Students		
	18-19	19-20	20-21	18-19	19-20	20-21
English Learners	16	14	20	4.0%	3.7%	5.4%
Fluent English Proficient (FEP)	88	83	89	22.0%	21.7%	23.9%
Reclassified Fluent English Proficient	6	3	2	46.2%	18.8%	14.3%

### Conclusions based on this data:

1. The percentage of English Learners has remained at approximately 4%. We did not reclassify as many English Learner students due to COVID-19 and the suspension of CASSPP testing.

# School and Student Performance Data

Grade 8	43.42	38.16	35.21	52.63	51.32	56.34	3.95	10.53	8.45
Grade 11	48.89	41.67	41.82	51.11	50.00	49.09	0.00	8.33	9.09
All Grades	41.97	35.75	35.18	53.37	53.62	52.26	4.66	10.63	12.56

**Conclusions based on this data:**

1. ELA scores are down overall and in all grades when comparing 2017 test scores to 2018 test scores. Although we are not happy with this, we believe our PLC training will begin to have a positive effect in our students' achievement.

	17-18	18-19	17-18	18-19	17-18	18-19	17-18	18-19
All Grades	*	0.00	*	91.67		8.33	*	12

**Conclusions based on this data:**

1. Looking at overall Language ELPAC data, 83.34% of these students were at either level 3 or level 4. The speaking domain was our students strongest area of ELPAC testing with 83.33% scoring at well developed. Our ELPAC students weakest area was in the Writing Domain where there were no students scoring Well Developed. But in the same category, 91.67% did score in the Somewhat/Moderately range.

# School and Student Performance Data

## Student Population

Due to the COVID-19 pandemic, state law has suspended the reporting of state and local indicators on the 2020 Dashboard. However, available data that would have been included in the Dashboard are reported on the Department's web site if they were determined to be valid and reliable. Information regarding the reporting status of data is available at [COVID-19 and Data Reporting](#).

This section provides information about the school's student population.

2019-20 Student Population			
Total Enrollment	Socioeconomically Disadvantaged	English Learners	Foster Youth
383	58.7	3.7	This is the percent of students whose well-being is the responsibility of a court.
This is the total number of students enrolled.	This is the percent of students who are eligible for free or reduced priced meals; or have parents/guardians who did not receive a high school diploma.	This is the percent of students who are learning to communicate effectively in English, typically requiring instruction in both the English Language and in their academic courses.	

2019-20 Enrollment for All Students/Student Group		
Student Group	Total	Percentage
English Learners	14	3.7
Homeless	1	0.3
Socioeconomically Disadvantaged	225	58.7
Students with Disabilities	13	3.4

Enrollment by Race/Ethnicity		
Student Group	Total	Percentage
African American	4	1.0
American Indian	4	1.0
Asian	24	6.3
Filipino	2	0.5
Hispanic	136	35.5
Two or More Races	37	9.7
Pacific Islander	3	0.8
White	172	44.9

### Conclusions based on this data:

1. In the 2018-19 school year, 57.3% of our students families were socio-economically disadvantaged. 3.7% of our students were English Learners and 2.5% of our students had a disability. White students made up 43.8% of the student population and Hispanic students made up 37.8% of the student population. There were no foster youth or homeless students that year.

# School and Student Performance Data

## Overall Performance

The data provided below is from the 2019 Fall California School Dashboard. Due to the COVID-19 pandemic, state law has suspended the reporting of state and local indicators on the 2020 Dashboard. However, available data that would have been included in the Dashboard are reported on the Department's web site if they were determined to be valid and reliable. Information regarding the reporting status of data is available at [COVID-19 and Data Reporting](#).

### 2019 Fall Dashboard Overall Performance for All Students

Academic Performance	Academic Engagement	Conditions & Climate
<b>English Language Arts</b>  Green	<b>Graduation Rate</b>  Blue	<b>Suspension Rate</b>  Green
<b>Mathematics</b>  Green	<b>Chronic Absenteeism</b>  Blue	
<b>College/Career</b>  Green		

#### Conclusions based on this data:

1. According to the 2019 Fall Dashboard, the overall performance in the areas of Academic Performance , Academic Engagement, and Conditions & Climate shows the school in either the green or blue ranges. The school did receive the California Distinguished School Award for the 2018-19 school year.

# School and Student Performance Data

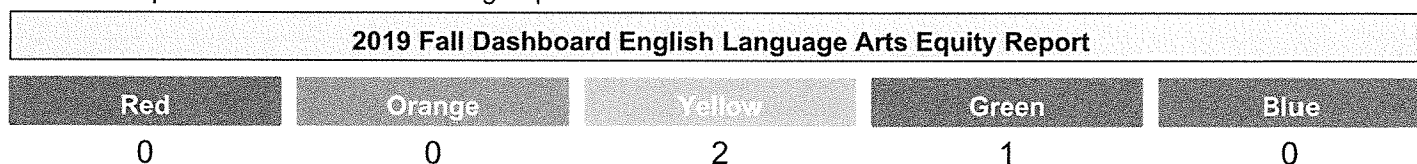

## Academic Performance English Language Arts

The data provided below is from the 2019 Fall California School Dashboard. Due to the COVID-19 pandemic, state law has suspended the reporting of state and local indicators on the 2020 Dashboard. However, available data that would have been included in the Dashboard are reported on the Department's web site if they were determined to be valid and reliable. Information regarding the reporting status of data is available at [COVID-19 and Data Reporting](#).

The performance levels are color-coded and range from lowest-to-highest performance in the following order:

This section provides number of student groups in each color.

This section provides a view of Student Assessment Results and other aspects of this school's performance, specifically how well students are meeting grade-level standards on the English Language Arts assessment. This measure is based on student performance on the Smarter Balanced Summative Assessment, which is taken annually by students in grades 3–8 and grade 11.

2019 Fall Dashboard English Language Arts Performance for All Students/Student Group		
<b>All Students</b>  Green 32.1 points above standard Maintained -0.9 points 197	<b>English Learners</b>  No Performance Color 37.1 points below standard Declined Significantly -33.6 points 30	<b>Foster Youth</b>  No Performance Color 0 Students
<b>Homeless</b>  No Performance Color Less than 11 Students - Data Not Displayed for Privacy 1	<b>Socioeconomically Disadvantaged</b>  Yellow 16.6 points above standard Declined -6.6 points 122	<b>Students with Disabilities</b>  No Performance Color Less than 11 Students - Data Not Displayed for Privacy 5

2019 Fall Dashboard English Language Arts Performance by Race/Ethnicity			
<b>African American</b>  No Performance Color 0 Students	<b>American Indian</b>  No Performance Color 0 Students	<b>Asian</b>  No Performance Color Less than 11 Students - Data Not Displayed for Privacy 8	<b>Filipino</b>  No Performance Color Less than 11 Students - Data Not Displayed for Privacy 2
<b>Hispanic</b>  Yellow 12.4 points above standard Declined -4 points 85	<b>Two or More Races</b>  No Performance Color 34.5 points above standard Maintained -2.5 points 18	<b>Pacific Islander</b>  No Performance Color Less than 11 Students - Data Not Displayed for Privacy 3	<b>White</b>  Green 49.3 points above standard Increased ++10.2 points 81

This section provides a view of Student Assessment Results and other aspects of this school's performance, specifically how well students are meeting grade-level standards on the English Language Arts assessment. This measure is based on student performance on the Smarter Balanced Summative Assessment, which is taken annually by students in grades 3–8 and grade 11.

2019 Fall Dashboard English Language Arts Data Comparisons for English Learners		
<b>Current English Learner</b> Less than 11 Students - Data Not Displayed for Privacy 8	<b>Reclassified English Learners</b> 20 points below standard Declined Significantly -33.4 points 22	<b>English Only</b> 42.3 points above standard Increased ++7.8 points 142

#### Conclusions based on this data:

- Overall, the students at MCAA maintained the level of the previous year, which put them at 32.1 points above standard. The one group of concern is the English Learner subgroup, which declined 33.6 points from the previous year. They are the only significant subgroup below standard in English.

# School and Student Performance Data

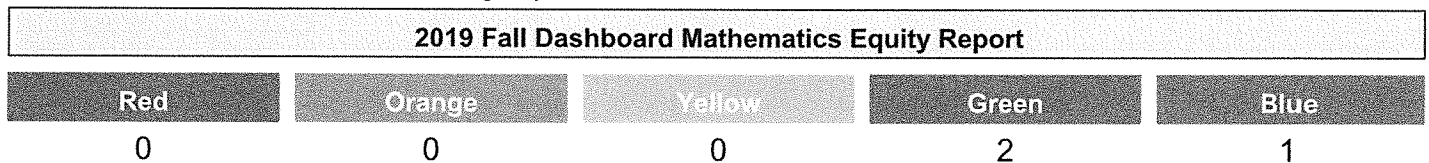

## Academic Performance Mathematics

The data provided below is from the 2019 Fall California School Dashboard. Due to the COVID-19 pandemic, state law has suspended the reporting of state and local indicators on the 2020 Dashboard. However, available data that would have been included in the Dashboard are reported on the Department's web site if they were determined to be valid and reliable. Information regarding the reporting status of data is available at [COVID-19 and Data Reporting](#).

The performance levels are color-coded and range from lowest-to-highest performance in the following order:

This section provides number of student groups in each color.

This section provides a view of Student Assessment Results and other aspects of this school's performance, specifically how well students are meeting grade-level standards on the Mathematics assessment. This measure is based on student performance on the Smarter Balanced Summative Assessment, which is taken annually by students in grades 3–8 and grade 11.

2019 Fall Dashboard Mathematics Performance for All Students/Student Group		
<b>All Students</b>  Green 18.1 points below standard Increased Significantly ++15.8 points 197	<b>English Learners</b>  No Performance Color 65.5 points below standard Increased ++8.8 points 30	<b>Foster Youth</b>
<b>Homeless</b>  No Performance Color Less than 11 Students - Data Not Displayed for Privacy 1	<b>Socioeconomically Disadvantaged</b>  Green 27.8 points below standard Increased Significantly ++15.3 points 122	<b>Students with Disabilities</b>  No Performance Color Less than 11 Students - Data Not Displayed for Privacy 5

### 2019 Fall Dashboard Mathematics Performance by Race/Ethnicity

African American	American Indian	Asian	Filipino
		 <p>No Performance Color</p> <p>Less than 11 Students - Data Not Displayed for Privacy</p> <p>8</p>	 <p>No Performance Color</p> <p>Less than 11 Students - Data Not Displayed for Privacy</p> <p>2</p>
Hispanic	Two or More Races	Pacific Islander	White
 <p>Green</p> <p>36.3 points below standard</p> <p>Increased Significantly ++21.9 points 85</p>	 <p>No Performance Color</p> <p>34.4 points below standard</p> <p>Increased ++11 points</p> <p>18</p>	 <p>No Performance Color</p> <p>Less than 11 Students - Data Not Displayed for Privacy</p> <p>3</p>	 <p>Blue</p> <p>1.3 points above standard</p> <p>Increased Significantly ++10.9 points 81</p>

This section provides a view of Student Assessment Results and other aspects of this school's performance, specifically how well students are meeting grade-level standards on the Mathematics assessment. This measure is based on student performance on the Smarter Balanced Summative Assessment, which is taken annually by students in grades 3–8 and grade 11.

### 2019 Fall Dashboard Mathematics Data Comparisons for English Learners

Current English Learner	Reclassified English Learners	English Only
<p>Less than 11 Students - Data Not Displayed for Privacy</p> <p>8</p>	<p>58.9 points below standard</p> <p>Maintained -2.9 points</p> <p>22</p>	<p>15.2 points below standard</p> <p>Increased Significantly ++18.1 points 142</p>

#### Conclusions based on this data:

1. All significant subgroups experienced an improvement in academic performance in math. In large part, as a result of this, MCAA received the California Distinguished School Award in 2021 for our academic improvement in the year 2019. As the press release from Tony Thurmond stated, "Marysville Charter Academy for the Arts improved 15 points or more on the mathematics indicator for socioeconomically disadvantaged students, Hispanic students, and all students according to data on the California Dashboard."

# School and Student Performance Data

## Academic Performance English Learner Progress

The data provided below is from the 2019 Fall California School Dashboard. Due to the COVID-19 pandemic, state law has suspended the reporting of state and local indicators on the 2020 Dashboard. However, available data that would have been included in the Dashboard are reported on the Department's web site if they were determined to be valid and reliable. Information regarding the reporting status of data is available at [COVID-19 and Data Reporting](#).

This section provides a view of the percentage of current EL students making progress towards English language proficiency or maintaining the highest level.

### 2019 Fall Dashboard English Learner Progress Indicator

#### English Learner Progress

No Performance Color

75 making progress towards English  
language proficiency

Number of EL Students: 12

Performance Level: Low

This section provides a view of the percentage of current EL students who progressed at least one ELPI level, maintained ELPI level 4, maintained lower ELPI levels (i.e, levels 1, 2L, 2H, 3L, or 3H), or decreased at least one ELPI Level.

### 2019 Fall Dashboard Student English Language Acquisition Results

Decreased One ELPI Level	Maintained ELPI Level 1, 2L, 2H, 3L, or 3H	Maintained ELPI Level 4	Progressed At Least One ELPI Level
8.3	16.6	41.6	33.3

#### Conclusions based on this data:

1. According to the data from the 2019 Fall Dashboard, 74.9% of our English Learners either maintained or progressed at least one ELPI level.

# School and Student Performance Data

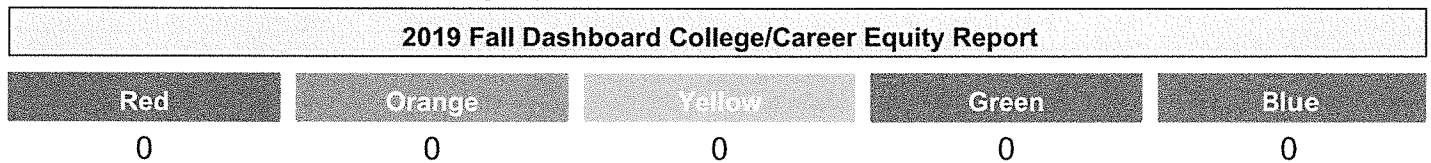

## Academic Performance College/Career

The data provided below is from the 2019 Fall California School Dashboard. Due to the COVID-19 pandemic, state law has suspended the reporting of state and local indicators on the 2020 Dashboard. However, available data that would have been included in the Dashboard are reported on the Department's web site if they were determined to be valid and reliable. Information regarding the reporting status of data is available at [COVID-19 and Data Reporting](#).

The performance levels are color-coded and range from lowest-to-highest performance in the following order:

This section provides number of student groups in each color.

This section provides information on the percentage of high school graduates who are placed in the "Prepared" level on the College/Career Indicator.

2019 Fall Dashboard College/Career for All Students/Student Group		
<b>All Students</b>  Green 65.1 Increased +6.7 63	<b>English Learners</b>  No Performance Color Less than 11 Students - Data Not Displayed for Privacy 1	<b>Foster Youth</b>  No Performance Color 0 Students

Hispanic	Two or More Races	Pacific Islander	White
 No Performance Color 52.2 Maintained -0.8 23	 No Performance Color Less than 11 Students - Data Not Displayed for Privacy 8	 No Performance Color 0 Students	 No Performance Color 68 Increased Significantly +15.6 25

This section provides a view of the percent of students per year that qualify as Not Prepared, Approaching Prepared, and Prepared.

### 2019 Fall Dashboard College/Career 3-Year Performance

Class of 2017	Class of 2018	Class of 2019
Prepared	58.3 Prepared	65.1 Prepared
Approaching Prepared	20.8 Approaching Prepared	17.5 Approaching Prepared
Not Prepared	20.8 Not Prepared	17.5 Not Prepared

#### Conclusions based on this data:

1. According to the 2019 Fall Dashboard, 65.1% of the MCAA class of 2019 was 65.1% prepared, which was an increase of 6.8%.

# School and Student Performance Data

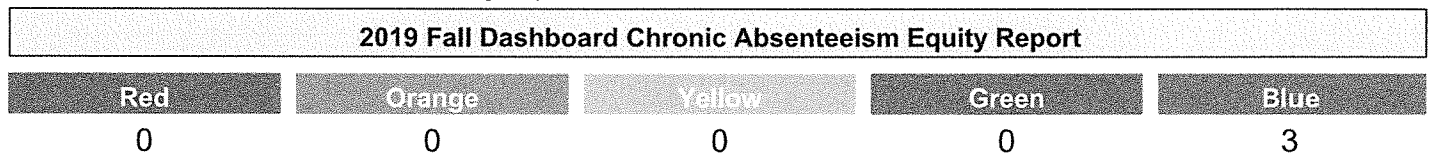

## Academic Engagement Chronic Absenteeism

The data provided below is from the 2019 Fall California School Dashboard. Due to the COVID-19 pandemic, state law has suspended the reporting of state and local indicators on the 2020 Dashboard. However, available data that would have been included in the Dashboard are reported on the Department's web site if they were determined to be valid and reliable. Information regarding the reporting status of data is available at [COVID-19 and Data Reporting](#).

The performance levels are color-coded and range from lowest-to-highest performance in the following order:

This section provides number of student groups in each color.

This section provides information about the percentage of students in kindergarten through grade 8 who are absent 10 percent or more of the instructional days they were enrolled.

2019 Fall Dashboard Chronic Absenteeism for All Students/Student Group		
<b>All Students</b>  Blue 0.7 Maintained 0 151	<b>English Learners</b>  No Performance Color 0 11	<b>Foster Youth</b>  No Performance Color Less than 11 Students - Data Not Displayed for Privacy 0
<b>Homeless</b>  No Performance Color Less than 11 Students - Data Not Displayed for Privacy 0	<b>Socioeconomically Disadvantaged</b>  Blue 1 Maintained 0 96	<b>Students with Disabilities</b>  No Performance Color Less than 11 Students - Data Not Displayed for Privacy 5

### 2019 Fall Dashboard Chronic Absenteeism by Race/Ethnicity

African American	American Indian	Asian	Filipino
 No Performance Color Less than 11 Students - Data Not Displayed for Privacy 0	 No Performance Color Less than 11 Students - Data Not Displayed for Privacy 0	 No Performance Color Less than 11 Students - Data Not Displayed for Privacy 8	 No Performance Color Less than 11 Students - Data Not Displayed for Privacy 2
Hispanic	Two or More Races	Pacific Islander	White
 Blue 1.6 Maintained -0.1 64	 No Performance Color 0 Maintained 0 13	 No Performance Color Less than 11 Students - Data Not Displayed for Privacy 3	 Blue 0 Maintained 0 61

#### Conclusions based on this data:

1. According to the Fall 2019 Dashboard, overall MCAA students maintained a chronic absenteeism rate of 0.7%, which put us in the Blue range on the indicator.

# School and Student Performance Data

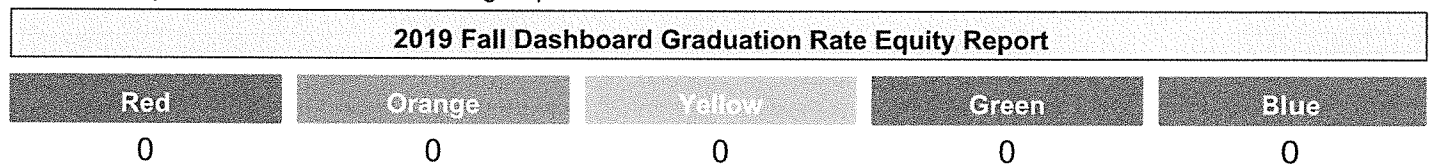

## Academic Engagement Graduation Rate

The data provided below is from the 2019 Fall California School Dashboard. Due to the COVID-19 pandemic, state law has suspended the reporting of state and local indicators on the 2020 Dashboard. However, available data that would have been included in the Dashboard are reported on the Department's web site if they were determined to be valid and reliable. Information regarding the reporting status of data is available at [COVID-19 and Data Reporting](#).

The performance levels are color-coded and range from lowest-to-highest performance in the following order:

This section provides number of student groups in each color.

This section provides information about students completing high school, which includes students who receive a standard high school diploma or complete their graduation requirements at an alternative school.

2019 Fall Dashboard Graduation Rate for All Students/Student Group		
<b>All Students</b>  Blue 100 Increased +6.3 63	<b>English Learners</b>  No Performance Color Less than 11 Students - Data Not Displayed for Privacy 1	<b>Foster Youth</b>  No Performance Color 0 Students
<b>Homeless</b>  No Performance Color 0 Students	<b>Socioeconomically Disadvantaged</b>  No Performance Color 100 Increased +3.7 32	<b>Students with Disabilities</b>  No Performance Color Less than 11 Students - Data Not Displayed for Privacy 2

### 2019 Fall Dashboard Graduation Rate by Race/Ethnicity

African American	American Indian	Asian	Filipino
 No Performance Color Less than 11 Students - Data Not Displayed for Privacy 5	 No Performance Color 0 Students	 No Performance Color Less than 11 Students - Data Not Displayed for Privacy 2	 No Performance Color 0 Students
Hispanic	Two or More Races	Pacific Islander	White
 No Performance Color 100 Increased +5.9 23	 No Performance Color Less than 11 Students - Data Not Displayed for Privacy 8	 No Performance Color 0 Students	 No Performance Color 100 Increased +9.5 25

This section provides a view of the percentage of students who received a high school diploma within four years of entering ninth grade or complete their graduation requirements at an alternative school.

### 2019 Fall Dashboard Graduation Rate by Year

2018	2019
93.8	100

#### Conclusions based on this data:

1. All students and all student groups had a graduation rate of 100% in 2019. That was an increase of 6.2% over the previous year.

# School and Student Performance Data

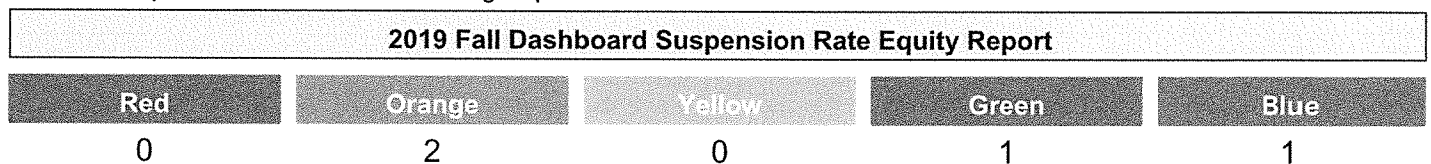

## Conditions & Climate Suspension Rate

The data provided below is from the 2019 Fall California School Dashboard. Due to the COVID-19 pandemic, state law has suspended the reporting of state and local indicators on the 2020 Dashboard. However, available data that would have been included in the Dashboard are reported on the Department's web site if they were determined to be valid and reliable. Information regarding the reporting status of data is available at [COVID-19 and Data Reporting](#).

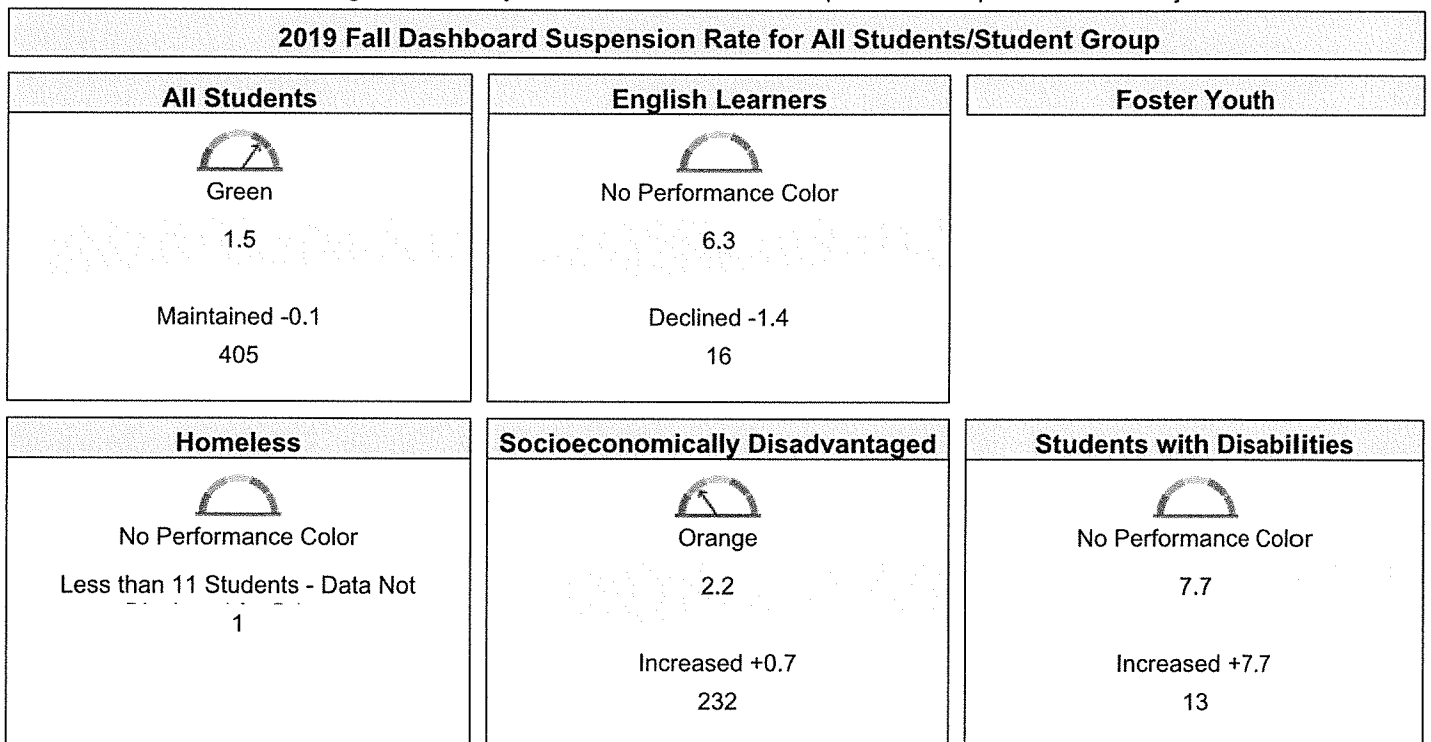

The performance levels are color-coded and range from lowest-to-highest performance in the following order:

This section provides number of student groups in each color.

This section provides information about the percentage of students in kindergarten through grade 12 who have been suspended at least once in a given school year. Students who are suspended multiple times are only counted once.

### 2019 Fall Dashboard Suspension Rate by Race/Ethnicity

<b>African American</b>  No Performance Color Less than 11 Students - Data 6	<b>American Indian</b>  No Performance Color Less than 11 Students - Data 3	<b>Asian</b>  No Performance Color 0 Declined -5.6 18	<b>Filipino</b>  No Performance Color Less than 11 Students - Data 2
<b>Hispanic</b>  Orange 2.6 Increased +1.2 154	<b>Two or More Races</b>  Blue 0 Maintained 0 43	<b>Pacific Islander</b>  No Performance Color Less than 11 Students - Data 3	<b>White</b>  Green 1.1 Declined -0.6 176

This section provides a view of the percentage of students who were suspended.

### 2019 Fall Dashboard Suspension Rate by Year

2017	2018	2019
	1.5	1.5

#### Conclusions based on this data:

1. In 2019, MCAA maintained its suspension rate overall at 1.5%. The English Learners subgroup did decline 1.4% over the previous year (2018) and had the highest suspension rate at 6.3%. These students do need to be targeted for extra support.

# Goals, Strategies, & Proposed Expenditures

Complete a copy of the following table for each of the school's goals. Duplicate the table as needed.

## LEA/LCAP Goal

Provide learning opportunities that result in increased academic achievement and ensure quality classroom instruction for all students, including support systems which meet the needs of targeted population.

## WASC Goal

Goal 1: Student achievement in mathematics will improve by 3% annually. Goal 3: Increased focus of resources on students needing extra help - both struggling (low achieving) and students in Honors and AP classes.

## Goal 1

Provide learning opportunities that result in increased academic achievement and ensure quality classroom instruction for all students, including support systems which meet the needs of targeted population.

## Identified Need

MCAA's overall student achievement in math is lower than in other subjects. Our Hispanic subgroup's average distance from standard is -36.3. Our EL students average distance from standard is -65.5. Our overall average distance from standard is -18.1. The addition of math support classes at the 8th, 9th, and 10th grade levels has allowed teachers to reteach struggling students at a slower pace in small group settings. The additional math teacher has allowed three support intervention classes to be added to the master schedule and reduce class size in targeted math classes. In addition, the supplemental .85FTE has allowed for more collaboration among math teachers during PLC time. The PLC time is dedicated to reviewing student data, identifying student needs, and working to develop interventions.

## Annual Measurable Outcomes

Metric/Indicator	Baseline/Actual Outcome	Expected Outcome
State assessments in math (overall)	43.72% of math students met or exceeded standard, overall distance from standard is -18.1, which is an improvement of +15.8 over the previous year.	45.5% of students at met or exceed standard in math, closer to standard
All math classes will be Williams compliant by having a CCSS math book for all students.	100% compliant	Maintain 100% compliance
State assessments in math (Hispanic students)	Hispanic subgroup distance from standard in math is -36.3, which is an improvement of +21.9.	Closer to standard
A-G Requirements	71.4% of seniors met the A-G requirements in 2018-19, the latest available statistics, which	Maintain

Metric/Indicator	Baseline/Actual Outcome	Expected Outcome
	is an increase of 3% over the previous year.	
Graduation Rate	Graduation Rate of 98.3% according to the CDE dashboard in 2020.	Maintain 100%
AP Exam Passage Rate in Calculus	One out of 12 students passed the AP Calculus exam in 2020, which is an AP passage rate of 8.3%.	AP passage rate of 20% or higher
EAP passage rate in math	43.72% passage rate in Math	Increase the math passage rate to 43%
Attendance rate	98% attendance rate in 2019-20	Maintain 98% attendance rate
State assessments in math (EL students)	EL students average distance from standard is -65.5, which is an increase of +5.1.	Closer to standard
Common Formative Chapter Assessments in all math subjects.	In the Fall of 2020, overall 49% of MCAA students met or exceeded the standard using local data.	Improve overall, EL, and Hispanic subgroups by 3% over 2018/19 scores.

Complete a copy of the Strategy/Activity table for each of the school's strategies/activities. Duplicate the table, including Proposed Expenditures, as needed.

## Strategy/Activity 1

### Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

All math students

### Strategy/Activity

Keep an additional math teacher in order to reduce class size in some math classes and to keep 3 additional support classes on the master schedule.

### Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

# Goals, Strategies, & Proposed Expenditures

Complete a copy of the following table for each of the school's goals. Duplicate the table as needed.

## LEA/LCAP Goal

Provide learning opportunities that result in increased academic achievement and ensure quality classroom instruction for all students, including support systems which meet the needs of the targeted population.

## WASC Goal

Goal 3: Increased focus of resources on students needing extra help - both struggling (low achieving) and students in Honors and AP classes.

## Goal 3

Provide designated ELD instruction to all English Learners and integrated ELD in other academic goal areas that are completed by the school.

## Identified Need

All students will make progress toward proficiency of the Common Core State Standards as evidenced through improved test scores from ELPAC, both formative and summative assessments, CAASPP tests, and curricular assessments. In ELA, Language growth of all students will increase by 2% annually. In math, growth will increase by 3% or more annually. For 2020-21, English Language Learners at MCAA will make progress towards English proficiency as measured by the ELPAC. Going forward, in 2020-21 on the ELPAC seventy-five percent of EL students will either move one performance level, maintain their current level for only a second year, and/or meet reclassification criteria.

## Annual Measurable Outcomes

Metric/Indicator	Baseline/Actual Outcome	Expected Outcome
English Learners receiving designated ELD	100%	100%
Textbook availability	100%	100%
Adequate facilities	100%	100%
Correctly assigned teachers (subject areas and EL authorization)	100%	100%
Overall CAASPP (ELA) Grades 7-8 and 11	All students maintained- green (32.1 above standard)	All students maintained - Green
Overall CAASPP (math) Grades 7-8 and 11	All students improved (-18.1 below standard, which is an improvement of 15.8 over the previous year)	All students increase - Green
Overall English Learner progress	Too few EL students for a report. (N/A)	75% making progress

Metric/Indicator	Baseline/Actual Outcome	Expected Outcome
Reclassification	Due to the CAASPP not being administered in 2020, we were only able to reclassify one student, which translates to a 5% reclassification rate.	25% reclassified
Chronic Absenteeism	All students maintained Blue (EL at 0%)	All students maintain or improve - (Blue)
Suspension Rate	All students - Yellow 1.5% (increased 0.8%) (Suspension rate for EL students improved by 1.4%)	All students improve - Green or Blue

Goal 4	
Goal 5	
Goal 6	

# School Site Council Membership

California Education Code describes the required composition of the School Site Council (SSC). The SSC shall be composed of the principal and representatives of: teachers selected by teachers at the school; other school personnel selected by other school personnel at the school; parents of pupils attending the school selected by such parents; and, in secondary schools, pupils selected by pupils attending the school. The current make-up of the SSC is as follows:

- 1 School Principal
- 5 Classroom Teachers
- 1 Other School Staff
- 2 Parent or Community Members
- 5 Secondary Students

Name of Members	Role
Tim Malone	Principal
Paul Vang	Other School Staff
Todd deVlaming	Classroom Teacher
Valeri Mathews	Classroom Teacher
Mat Fridrich	Classroom Teacher
Daniel Tejada	Classroom Teacher
Elizabeth Preston	Parent or Community Member
Nicole Tindall	Parent or Community Member
Adam Cross	Secondary Student
Nikki Martin	Secondary Student
Cristina Barriga	Secondary Student
Carlota Day	Secondary Student
Karina Mendoza	Secondary Student

At elementary schools, the school site council must be constituted to ensure parity between (a) the principal, classroom teachers, and other school personnel, and (b) parents of students attending the school or other community members. Classroom teachers must comprise a majority of persons represented under section (a). At secondary schools there must be, in addition, equal numbers of parents or other community members selected by parents, and students. Members must be selected by their peer group.

## Recommendations and Assurances

The School Site Council (SSC) recommends this school plan and proposed expenditures to the district governing board for approval and assures the board of the following:

The SSC is correctly constituted and was formed in accordance with district governing board policy and state law.

The SSC reviewed its responsibilities under state law and district governing board policies, including those board policies relating to material changes in the School Plan for Student Achievement (SPSA) requiring board approval.

The SSC sought and considered all recommendations from the following groups or committees before adopting this plan:

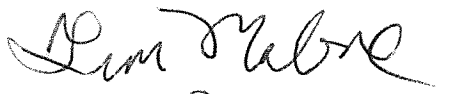

<b>Signature</b>	<b>Committee or Advisory Group Name</b>
------------------	---

The SSC reviewed the content requirements for school plans of programs included in this SPSA and believes all such content requirements have been met, including those found in district governing board policies and in the local educational agency plan.

This SPSA is based on a thorough analysis of student academic performance. The actions proposed herein form a sound, comprehensive, coordinated plan to reach stated school goals to improve student academic performance.

This SPSA was adopted by the SSC at a public meeting on 10/28/2021.

Attested:

Principal, Tim Malone on 10/28/2021
-------------------------------------

SSC Chairperson, Elizabeth Preston on 10/28/2021
--

School Year: 2021-22

# School Plan for Student Achievement (SPSA) Template

Instructions and requirements for completing the SPSA template may be found in the SPSA Template Instructions.

School Name	County-District-School (CDS) Code	Schoolsite Council (SSC) Approval Date	Local Board Approval Date
South Lindhurst Continuation High School	58-72736-5830096	October 6, 2021	June 22, 2021

## Purpose and Description

Briefly describe the purpose of this plan (Select from Schoolwide Program, Comprehensive Support and Improvement, Targeted Support and Improvement, or Additional Targeted Support and Improvement)

Schoolwide Program

Briefly describe the school’s plan for effectively meeting the ESSA requirements in alignment with the Local Control and Accountability Plan and other federal, state, and local programs.

The Single School Plan for Student Achievement is created and designed to align district LCAP goals with site based needs and schoolwide goals and expectations. The uniform plan analyzes needs assessment data within the annual WASC Action Plan to identify the strengths and needs of our student population and school site. School budget is aligned within a plan (SSPSA) aimed at accomplishing the goals established by the site council team to improve the overall school program and meet the needs of all learners so they can achieve mastery learning standards. An end of the year evaluation of the expenditures within the SSPSA is conducted annually to determine effectiveness. The results of this evaluation and feedback from the Needs Assessment/Annual WASC Action Plan will influence the plan for the following school year.

# Stakeholder Involvement

How, when, and with whom did the school consult as part of the planning process for this SPSA/Annual Review and Update?

## Involvement Process for the SPSA and Annual Review and Update

A team formed of students, staff, parents, and administration is created through a diplomatic voting process annually. This team will meet quarterly to review current expenditures, make funding adjustments to the plan, discuss school safety, culture, academics, events and needs to improve educational learning within the school building. All meetings will happen after the school day and on site. The goal is to create an inclusive process and culture that fosters the input of all stakeholders to improve academic learning for all learners.

# Resource Inequities

Briefly identify and describe any resource inequities identified as a result of the required needs assessment, as applicable.

# School and Student Performance Data

## Student Enrollment Enrollment By Student Group

Student Enrollment by Subgroup						
Student Group	Percent of Enrollment			Number of Students		
	18-19	19-20	20-21	18-19	19-20	20-21
American Indian	1.87%	2.75%	1.1%	2	3	1
African American	7.48%	8.26%	10.0%	8	9	9
Asian	4.67%	3.67%	10.0%	5	4	9
Filipino	%	1.83%	%		2	
Hispanic/Latino	58.88%	55.96%	51.1%	63	61	46
Pacific Islander	%	0%	%		0	
White	26.17%	27.52%	25.6%	28	30	23
Multiple/No Response	%	0%	%		0	
Total Enrollment				107	109	90

## Student Enrollment Enrollment By Grade Level

Student Enrollment by Grade Level			
Grade	Number of Students		
	18-19	19-20	20-21
Grade 11	20	35	6
Grade 12	87	74	84
Total Enrollment	107	109	90

### Conclusions based on this data:

1. Student enrollment over the past 3 years has been senior heavy with credit deficient students. In 2020-21 enrollment numbers were the lowest due to sites holding onto their students for distance learning (pandemic) because of built relationships.
2. Hispanic Latino percentage is over 50% each school year.
3. Second highest student enrolled subgroup is white at approximately 25%. Our Asian population has increased over the past 3 years.

# School and Student Performance Data

## Student Enrollment English Learner (EL) Enrollment

English Learner (EL) Enrollment						
Student Group	Number of Students			Percent of Students		
	18-19	19-20	20-21	18-19	19-20	20-21
English Learners	24	28	26	22.4%	25.7%	28.9%
Fluent English Proficient (FEP)	20	19	15	18.7%	17.4%	16.7%
Reclassified Fluent English Proficient	0	4	0	0.0%	16.7%	0.0%

### Conclusions based on this data:

1. The percentage and number of EL learners is growing each year
2. Number of reclassified students has increased each school year
3. Importance of providing a supportive culture for EL parents and students (Designated EL and Integrated EL services and second language secondary support position). Percentage of fluent English learners enrolled has decreased.

All Grades	10.00	6.78	3.64	58.00	67.80	56.36	32.00	25.42	40.00

Research/Inquiry Investigating, analyzing, and presenting information									
Grade Level	% Above Standard			% At or Near Standard			% Below Standard		
	16-17	17-18	18-19	16-17	17-18	18-19	16-17	17-18	18-19
Grade 11	4.00	6.78	3.64	34.00	55.93	38.18	62.00	37.29	58.18
All Grades	4.00	6.78	3.64	34.00	55.93	38.18	62.00	37.29	58.18

**Conclusions based on this data:**

1. Data indicates that the majority of our population struggle with writing, communication and research. An ongoing area of focus will be on writing strategies across the content areas with built in activities that include listening/communication and research.
2. Growth occurred in the areas of Reading, Writing, Listening, and Research has occurred. The percentage of students below standard has decreased.

Concepts & Procedures Applying mathematical concepts and procedures									
Grade Level	% Above Standard			% At or Near Standard			% Below Standard		
	16-17	17-18	18-19	16-17	17-18	18-19	16-17	17-18	18-19
Grade 11	0.00	0.00	0.00	7.41	5.00	8.93	92.59	95.00	91.07
All Grades	0.00	0.00	0.00	7.41	5.00	8.93	92.59	95.00	91.07

Problem Solving & Modeling/Data Analysis Using appropriate tools and strategies to solve real world and mathematical problems									
Grade Level	% Above Standard			% At or Near Standard			% Below Standard		
	16-17	17-18	18-19	16-17	17-18	18-19	16-17	17-18	18-19
Grade 11	1.85	1.67	0.00	27.78	26.67	26.79	70.37	71.67	73.21
All Grades	1.85	1.67	0.00	27.78	26.67	26.79	70.37	71.67	73.21

Communicating Reasoning Demonstrating ability to support mathematical conclusions									
Grade Level	% Above Standard			% At or Near Standard			% Below Standard		
	16-17	17-18	18-19	16-17	17-18	18-19	16-17	17-18	18-19
Grade 11	0.00	1.67	0.00	38.89	41.67	39.29	61.11	56.67	60.71
All Grades	0.00	1.67	0.00	38.89	41.67	39.29	61.11	56.67	60.71

### Conclusions based on this data:

- 0% of students scored "At" or "Above" standard in Math (overall)
- One year growth occurred in the area of "Communicating Reasoning" for students scoring "At" Standard
- One year drop occurred in the areas of "problem solving" and "concepts and procedures"

# School and Student Performance Data

**Conclusions based on this data:**

1. The majority of our bilingual learners are levels 2 and 3.
2. Highest percentage of bilingual learners in 17/18 & 18/19 scored in the "somewhat/moderate" range for Reading and Listening.
3. Bilingual learners have traditionally been strong in the speaking area, scoring "well developed".

# School and Student Performance Data

## Student Population

Due to the COVID-19 pandemic, state law has suspended the reporting of state and local indicators on the 2020 Dashboard. However, available data that would have been included in the Dashboard are reported on the Department's web site if they were determined to be valid and reliable. Information regarding the reporting status of data is available at [COVID-19 and Data Reporting](#).

This section provides information about the school's student population.

2019-20 Student Population			
Total Enrollment	Socioeconomically Disadvantaged	English Learners	Foster Youth
109	89.9	25.7	3.7
This is the total number of students enrolled.	This is the percent of students who are eligible for free or reduced priced meals; or have parents/guardians who did not receive a high school diploma.	This is the percent of students who are learning to communicate effectively in English, typically requiring instruction in both the English Language and in their academic courses.	This is the percent of students whose well-being is the responsibility of a court.

2019-20 Enrollment for All Students/Student Group		
Student Group	Total	Percentage
English Learners	28	25.7
Foster Youth	4	3.7
Homeless	2	1.8
Socioeconomically Disadvantaged	98	89.9
Students with Disabilities	14	12.8

Enrollment by Race/Ethnicity		
Student Group	Total	Percentage
African American	9	8.3
American Indian	3	2.8
Asian	4	3.7
Filipino	2	1.8
Hispanic	61	56.0
White	30	27.5

### Conclusions based on this data:

1. Our population serves an At Risk population of students. 90% are low socioeconomic disadvantaged. Ongoing supports, monitoring, intervention and resources are needed to help our students and families.
2. 13% of population have disabilities
3. 5% are foster youth or homeless

# School and Student Performance Data

## Overall Performance

The data provided below is from the 2019 Fall California School Dashboard. Due to the COVID-19 pandemic, state law has suspended the reporting of state and local indicators on the 2020 Dashboard. However, available data that would have been included in the Dashboard are reported on the Department's web site if they were determined to be valid and reliable. Information regarding the reporting status of data is available at [COVID-19 and Data Reporting](#).

### 2019 Fall Dashboard Overall Performance for All Students

Academic Performance	Academic Engagement	Conditions & Climate
<b>English Language Arts</b>  No Performance Color	<b>Graduation Rate</b>  Green	<b>Suspension Rate</b>  Yellow
<b>Mathematics</b>  No Performance Color		
<b>College/Career</b>  Orange		

### Conclusions based on this data:

1. Improved teaching and intervention is needed to improve mastery of content within ELA and Math. E.L. strategies within the classroom need to improve and focus on E.L. reclassification.
2. College & Career Pathways have not been established for 2018. Next school year SLHS will have clear pathways for students to complete.
3. Graduation rate has increased due to intervention, guidance and individual academic plans for each student. We will continue to refine our processes to improve. Suspension rates have decreased as a result of positive recognition, flexible "means of correction", and positive school culture.

# School and Student Performance Data

## Academic Performance English Learner Progress

The data provided below is from the 2019 Fall California School Dashboard. Due to the COVID-19 pandemic, state law has suspended the reporting of state and local indicators on the 2020 Dashboard. However, available data that would have been included in the Dashboard are reported on the Department's web site if they were determined to be valid and reliable. Information regarding the reporting status of data is available at [COVID-19 and Data Reporting](#).

This section provides a view of the percentage of current EL students making progress towards English language proficiency or maintaining the highest level.

### 2019 Fall Dashboard English Learner Progress Indicator

This section provides a view of the percentage of current EL students who progressed at least one ELPI level, maintained ELPI level 4, maintained lower ELPI levels (i.e, levels 1, 2L, 2H, 3L, or 3H), or decreased at least one ELPI Level.

### 2019 Fall Dashboard Student English Language Acquisition Results

Decreased One ELPI Level	Maintained ELPI Level 1, 2L, 2H, 3L, or 3H	Maintained ELPI Level 4	Progressed At Least One ELPI Level
15.3	26.9	7.6	

#### Conclusions based on this data:

1. 15.3% decreased one level
2. Professional Development for E.L. strategies and intervention will help capture level 2 students.
3. Provide integrated and Designated E.L. strategies and schedules to support EL learners.

# School and Student Performance Data

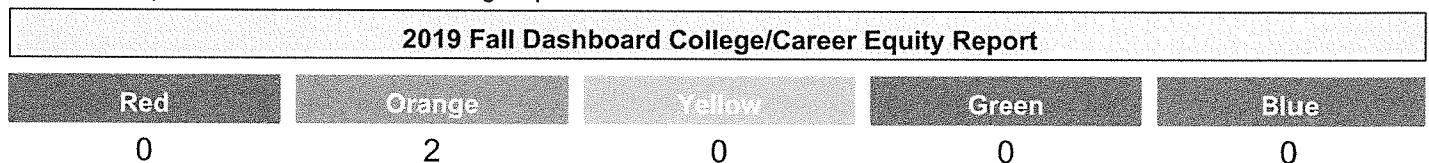

## Academic Performance College/Career

The data provided below is from the 2019 Fall California School Dashboard. Due to the COVID-19 pandemic, state law has suspended the reporting of state and local indicators on the 2020 Dashboard. However, available data that would have been included in the Dashboard are reported on the Department's web site if they were determined to be valid and reliable. Information regarding the reporting status of data is available at [COVID-19 and Data Reporting](#).

The performance levels are color-coded and range from lowest-to-highest performance in the following order:

This section provides number of student groups in each color.

This section provides information on the percentage of high school graduates who are placed in the "Prepared" level on the College/Career Indicator.

2019 Fall Dashboard College/Career for All Students/Student Group		
All Students	English Learners	Foster Youth
 Orange 4 Increased +4 75	 No Performance Color 0 Maintained 0 20	 No Performance Color 0 Students
Homeless	Socioeconomically Disadvantaged	Students with Disabilities
 No Performance Color Less than 11 Students - Data Not Displayed for Privacy 4	 Orange 2.9 Increased +2.9 69	 No Performance Color Less than 11 Students - Data Not Displayed for Privacy 8

### 2019 Fall Dashboard College/Career by Race/Ethnicity

African American	American Indian	Asian	Filipino
 No Performance Color Less than 11 Students - Data Not Displayed for Privacy 4	 No Performance Color Less than 11 Students - Data Not Displayed for Privacy 1	 No Performance Color Less than 11 Students - Data Not Displayed for Privacy 3	 No Performance Color Less than 11 Students - Data Not Displayed for Privacy 1
Hispanic	Two or More Races	Pacific Islander	White
 Orange 2.4 Increased +2.4 42	 No Performance Color Less than 11 Students - Data Not Displayed for Privacy 2	 No Performance Color 0 Students	 No Performance Color 4.5 Increased +4.5 22

This section provides a view of the percent of students per year that qualify as Not Prepared, Approaching Prepared, and Prepared.

### 2019 Fall Dashboard College/Career 3-Year Performance

Class of 2017	Class of 2018	Class of 2019
Prepared	0 Prepared	4 Prepared
Approaching Prepared	13.9 Approaching Prepared	8 Approaching Prepared
Not Prepared	86.1 Not Prepared	88 Not Prepared

#### Conclusions based on this data:

1. In 2018 SLHS had 0 students prepared for college/career.
2. In 2019 SLHS increased the # of students prepared from 0 to 4. Result of moving "approaching prepared" students over to prepared.

# School and Student Performance Data

## Academic Engagement Chronic Absenteeism

The data provided below is from the 2019 Fall California School Dashboard. Due to the COVID-19 pandemic, state law has suspended the reporting of state and local indicators on the 2020 Dashboard. However, available data that would have been included in the Dashboard are reported on the Department's web site if they were determined to be valid and reliable. Information regarding the reporting status of data is available at [COVID-19 and Data Reporting](#).

## Academic Engagement Graduation Rate

The data provided below is from the 2019 Fall California School Dashboard. Due to the COVID-19 pandemic, state law has suspended the reporting of state and local indicators on the 2020 Dashboard. However, available data that would have been included in the Dashboard are reported on the Department's web site if they were determined to be valid and reliable. Information regarding the reporting status of data is available at [COVID-19 and Data Reporting](#).

The performance levels are color-coded and range from lowest-to-highest performance in the following order:

This section provides number of student groups in each color.

2019 Fall Dashboard Graduation Rate Equity Report				
Red	Orange	Yellow	Green	Blue
0	0	1	1	0

This section provides information about students completing high school, which includes students who receive a standard high school diploma or complete their graduation requirements at an alternative school.

2019 Fall Dashboard Graduation Rate for All Students/Student Group		
All Students	English Learners	Foster Youth
 Green 82.7 Increased +3.5 75	 No Performance Color 80 Increased +8.6 20	 No Performance Color 0 Students
Homeless	Socioeconomically Disadvantaged	Students with Disabilities
 No Performance Color Less than 11 Students - Data Not Displayed for Privacy 4	 Green 81.2 Increased +5.4 69	 No Performance Color Less than 11 Students - Data Not Displayed for Privacy 8

### 2019 Fall Dashboard Graduation Rate by Race/Ethnicity

African American	American Indian	Asian	Filipino
 No Performance Color Less than 11 Students - Data Not Displayed for Privacy 4	 No Performance Color Less than 11 Students - Data Not Displayed for Privacy 1	 No Performance Color Less than 11 Students - Data Not Displayed for Privacy 3	 No Performance Color Less than 11 Students - Data Not Displayed for Privacy 1
Hispanic	Two or More Races	Pacific Islander	White
 Yellow 76.2 Maintained -2.6 42	 No Performance Color Less than 11 Students - Data Not Displayed for Privacy 2	 No Performance Color 0 Students	 No Performance Color 90.9 Increased +5.7 22

This section provides a view of the percentage of students who received a high school diploma within four years of entering ninth grade or complete their graduation requirements at an alternative school.

### 2019 Fall Dashboard Graduation Rate by Year

2018	2019
79.2	82.7

#### Conclusions based on this data:

1. Graduation percentages and numbers have increased.
2. Individual academic plans, guidance and intervention have been effective tools to achieving graduation.
3. Building strong relationships with students and built in guidance has been effective. Students set quarter credit goals and monitor their progress. Constant follow-up with students and remaining flexible has helped increase our graduation rate.

# School and Student Performance Data

## Conditions & Climate Suspension Rate

The data provided below is from the 2019 Fall California School Dashboard. Due to the COVID-19 pandemic, state law has suspended the reporting of state and local indicators on the 2020 Dashboard. However, available data that would have been included in the Dashboard are reported on the Department's web site if they were determined to be valid and reliable. Information regarding the reporting status of data is available at [COVID-19 and Data Reporting](#).

The performance levels are color-coded and range from lowest-to-highest performance in the following order:

This section provides number of student groups in each color.

2019 Fall Dashboard Suspension Rate Equity Report				
Red	Orange	Yellow	Green	Blue
0	2	0	2	0

This section provides information about the percentage of students in kindergarten through grade 12 who have been suspended at least once in a given school year. Students who are suspended multiple times are only counted once.

2019 Fall Dashboard Suspension Rate for All Students/Student Group		
All Students	English Learners	Foster Youth
 Yellow 6.5 Declined Significantly -3.5 184	 Orange 4.5 Increased +2.1 44	 No Performance Color Less than 11 Students - Data Not 2
Homeless	Socioeconomically Disadvantaged	Students with Disabilities
 No Performance Color Less than 11 Students - Data Not 5	 Green 6 Declined Significantly -4.1 167	 No Performance Color 5.3 Declined -7.2 19

### 2019 Fall Dashboard Suspension Rate by Race/Ethnicity

<b>African American</b>  No Performance Color 33.3 12	<b>American Indian</b>  No Performance Color Less than 11 Students - Data 4	<b>Asian</b>  No Performance Color Less than 11 Students - Data 6	<b>Filipino</b>  No Performance Color Less than 11 Students - Data 2
<b>Hispanic</b>  Orange 5.6 Increased +0.3 107	<b>Two or More Races</b>  No Performance Color Less than 11 Students - Data 2	<b>Pacific Islander</b>	<b>White</b>  Green 3.9 Declined -12.7 51

This section provides a view of the percentage of students who were suspended.

### 2019 Fall Dashboard Suspension Rate by Year

<b>2017</b>	<b>2018</b>	<b>2019</b>
	10.1	6.5

#### Conclusions based on this data:

- Suspension percentages and rates have decreased each school year.
- Suspension of "Hispanic" students have increased.
- The strength of this school is it's positive culture and sense of family. This is one of the largest reasons for the decrease in suspensions. Other factors that lead to positive school climate include positive recognition, clear expectations (PBIS) and alternative interventions as a means to correct behavior to avoid suspension.

# Goals, Strategies, & Proposed Expenditures

Complete a copy of the following table for each of the school's goals. Duplicate the table as needed.

## LEA/LCAP Goal

District LCAP Goal #1: Improve Academic Performance by creating an academic system that addresses and engages the various identified needs of all MJUSD students.

District LCAP Goal #2: Improve the physical and emotional conditions of MJUSD schools to address the needs of the whole student.

District LCAP Goal #3: Build a system of specific supports for our E.L. (English Learner), foster and low SES students.

District LCAP Goal #4: Improve the meaningful school to home relationship

District LCAP Goal #5: Improve employee morale by creating policies that support the well-being of staff.

## WASC Goal

Goal 1: Critical Area 1: The administration and staff will improve instructional methodologies across disciplines to provide consistent instructional strategies to all students but also continuing to focus on struggling EL students and Special Education students.

Goal 2: Critical Area 2: The administration continues with ongoing professional development to provide support and facilitate the well being of students on the socio-emotional level ensuring a safe environment for all students.

Goal 3: Critical Area 3: The administration continues to provide support to individual teachers including continuing the PLC model for implementation of Common Core Standards and 21st century skills.

Goal 4: The administration and staff continue to provide opportunities for all students to participate in schoolwide decision making expressing their ideas for academic enrichment and for extra-curricular activities.

## Goal 1

Improve instruction across disciplines to increase rigor and provide consistent instructional strategies and intervention to all students especially those identified as "At Risk" (struggling), E.L. and Special Education students.

## Identified Need

Academic rigor must increase within all aspects of the school building. Forms of intervention and extension to maximize the potential of all learners. Students who are struggling must be caught early and provided immediate intervention. Analysis of state testing results over a 3 year period indicates growth in English but low percentages of students reaching or exceeding standard. Survey data from students and staff indicate that research based strategies are needed to improve instruction and achievement. Nearly 28% of SLHS enrollment each quarter are Bilingual Learners and 10% of our population are on an IEP. Continued refinement and growth to support these learners is needed to meet their needs fully.

## Annual Measurable Outcomes

Metric/Indicator	Baseline/Actual Outcome	Expected Outcome
Professional Development: Staff Attendance of	Attend District Trainings Virtually	Attend at least 1 training beyond district offered trainings

Metric/Indicator	Baseline/Actual Outcome	Expected Outcome
trainings/conferences/workshops		& at least 30% staff attend a P.D. conference
Professional Development: (Share new information with the team) Google Team Drive & PLC Agenda's & meetings	Learned about distance learning best practices, google classroom, digital apps and hybrid learning implementation.	Documentation should be housed within one of the three options to share information with the PLC team to improve instructional planning and intervention. Focus on SEL, in-person instruction, and formative assessments
Resource/Intervention: Reclassification Data	7 reclassifications in 2020-21 = 25%	Goal: Reclassify at least 30% of our E.L. students
Resource/Intervention: Graduation Data	61 graduates in 2020-21	70+ graduates
Resource/Intervention: CAASPP scores increase (Math, ELA)	No scores available at this time	ELA: At standard (Looking for positive growth) Math: At Standard (looking for positive growth)
Attendance Data	96.1 % avg. for 2020-21 school year	97.5% average for 2021-22
C.I.A. Common Informative Assessment Data through PLATO	ELA: 52% "At or Meeting Learning Standard" in 2020-21	ELA: 40% MATH: 10%
PLATO Credits Earned	94+325+235= 654 in 3 quarters in 2020-21	700+ credits total in 4 quarters within 2021-22
Workshop & Parent Meeting Attendance Data	No data available	Contingent upon health & safety guidelines for MAX cohorts

Complete a copy of the Strategy/Activity table for each of the school's strategies/activities. Duplicate the table, including Proposed Expenditures, as needed.

## Strategy/Activity 1

### Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

All At Risk Students. P.D. focus will be driven to push academically high students with rigor and struggling learners with intervention and supports.

### Strategy/Activity

Professional Development:

Increase research based methodologies and strategies for E.L, SPED, and At Risk Youth. Every

staff member will attend at least 2 professional growth trainings, workshops, or conferences per year that are related to our Critical Growth Areas, Schoolwide Learner Outcomes, or SMART Goals.

Examples include but are not limited to:

- sub costs associated with the opportunities below:
- WASC Visits
- UDL Training
- TPT training
- Project Based Learning
- E.L. Training
- CCEA conference for continuation high schools
- PLC conference
- Electronic/virtual webinar and trainings
- Google Training for all staff
- District P.D.
- On-site workshops/trainings
- Off-site workshops/trainings
- Off-site classroom observations
- County workshops/trainings & conferences
- Expenditures to include conferences, transportation, lodging, extra duty, sub costs, fees, etc.
- Professional Development materials/books/videos/resources/subscriptions for staff to learn and implement new strategies to ensure that all learners reach mastery of Common Core Standards

### Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Amount(s)	Source(s)
2,472	Targeted Carryover

### Strategy/Activity 2

#### Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

Intervention & Extension of rigor for all 11th & 12th grade At Risk Students with special focus on struggling, E.L. and Special Education students.

#### Strategy/Activity

Resource/Intervention with Secondary Student Support Specialist position:

Build in intervention and supports within the school day to ensure that all students understand the content and maximize learning potential. Student Support Specialist will provide direct academic support within classrooms of greatest need as determined by the administrator and PLC team. Students who need academic intervention will be identified and provided direct support by the Secondary Student Support Specialist (push in / Pull out model) in CORE academic content areas. This position provides the following intervention to students:

- Push-in intervention within the classroom during normal instruction
- Flexible pull-out intervention for re-teach (small group or 1 on 1)
- Built in intervention & study hall as an actual class period to receive additional help, complete missing assignments, tutoring and intervention
- Drop –in class periods for support as needed
- Home visits to increase attendance and remove barriers
- Connection between School and Home
- SST Meetings

Other duties may include: Meeting with students for low level counseling services and refer more severe counseling needs to the guidance counselor. Providing low level social/emotional intervention to improve academic focus. Communicating with parents about progress and supports at home. E.L. focus to provide ongoing support to second language learners and reclassify eligible students out of E.L. classification.

### **Proposed Expenditures for this Strategy/Activity**

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Amount(s)	Source(s)
32,404	Title I
8,000	Title I Carryover

### **Strategy/Activity 3**

#### **Students to be Served by this Strategy/Activity**

(Identify either All Students or one or more specific student groups)

All Students

#### **Strategy/Activity**

Instructional Technology & Materials and Supplies (Teaching & Learning):

Support teachers in engaging students in achieving content mastery and 21st Century Skills. Expenditure is primarily for student use supplemental materials, subscriptions, teaching guides/supports that help extend learning through demo's, visual learning and hands on activities.

- \* Chromebooks and chromebook cases for onsite and offsite learning
- \* Smartboards for classrooms to implement differentiated instruction within the classroom to meet the needs of all learners
- \* Laptops will be used for instructional delivery of distance learning grade level content. The laptops will help fill an equity gap for all learners by using the online curriculum, google classroom, zoom and video features to deliver high quality instruction and intervention to all learners.
- \* Ipad tripods to support the recording of instruction for online learning and support.
- \* Apps or Extension purchases to improve instruction. Example, Doceri for ipad and laptop to teach from different parts of the classroom and manipulate the smartboard remotely.

\*Desktops, laptops/ chromebooks, printers & visual aids to promote 21st Century skills embedded within the daily curriculum. Aimed at all students achieving mastery on content standards.

\* Reading Intervention & supports

\* Writing resources for mastering writing standards and creating student portfolio's of work

\* Math Intervention & support programs & materials

\* Resource curriculum and support materials for targeted population: E.L. & Low Socio-Economic Disadvantaged Youth struggling to meet grade level standards. ELD programs to develop skills and reclassify to demonstrate grade level competency. Including support materials for behavioral/social/organizational needs to achieve academic success & college/career readiness. Specifically, Botvin Life Skills curriculum.

\* Technology, devices, cameras, and support materials to aid online video conferencing, instruction, and support.

#### **Proposed Expenditures for this Strategy/Activity**

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Amount(s)	Source(s)
24,741	Targeted
8,147	Title I Carryover

#### **Strategy/Activity 4**

##### **Students to be Served by this Strategy/Activity**

(Identify either All Students or one or more specific student groups)

All Students

##### **Strategy/Activity**

Lesson Development & Intervention or Extension:

Struggling Learners & Those At RISK Of Not Graduating:

Winter Intersession: Building in opportunities for students to attend a staff led Winter Intersession to achieve additional credit or credit that was previously failed in an online format. Analysis of student grades, transcripts and attendance will be used to determine focus group. This would be limited to 5 credits utilizing the Edmentum PLATO courseware and available staff at the hourly rate. The goal is to provide additional opportunities for all students to understand the content and achieve their academic and post-secondary goals.

Summer School: Built in 3 week Summer School at the start of the summer. Priority will be given to 5th year Senior students to finish credits or reduce the number of credits to graduate from high

school and current year juniors who need additional remediation and/or enrichment. 10 credits will be possible during this 3 week summer school and two academic classes of greatest need.

Summer planning & collaborative session: One full day on site during the summer for all staff to be paid the hourly rate to collaborate and plan lessons and formative assessments for the upcoming school year. Teachers will be put on a supplemental service agreement. The planning and collaborative session will ensure that the school year will have an effective start with students and that daily lessons and units will maximize instructional time. Intervention will be strategically planned within the school day. All data will be housed within the google TEAMDRIVE that is shared among all staff members. This data will be used to evaluate effectiveness at the end of the school year during our Evaluation process.

### Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Targeted Carryover

# Goals, Strategies, & Proposed Expenditures

Complete a copy of the following table for each of the school's goals. Duplicate the table as needed.

## LEA/LCAP Goal

LCAP Goal #3: Increase parent, family, and community involvement in the education of all students.

## WASC Goal

Goal 4: Critical Area 4: The administration and staff increase opportunities for all students, outside of leadership class, to participate in school-wide decision making to provide additional opportunities to express their ideas for enrichment and extra-curricular activities.

## Goal 2

Increase student, parent and community involvement in the education of all students.

## Identified Need

Parent communication occurs through many channels and levels currently. The participation level outside of the South Lindhurst High School campus is lacking. The relationship between school and home must be strong and consistent to reach the full potential of all students. An example of poor parent participation can be seen through survey data. Only 5 parents completed a survey during the 2018-19 year about our school and educational program. This survey was communicated through: website, phone system text message, and the remind app.

## Annual Measurable Outcomes

Metric/Indicator	Baseline/Actual Outcome	Expected Outcome
Parent Surveys	4 parents completed survey in 2020-21	40 parents complete surveys in 2021-22
Parent Sign-In Sheet Data or Zoom Participants	Avg. 6 participants in each zoom in 2020-21	Avg. 20- 30 parents attend parent meetings/workshops either in person or on zoom in 2021-22

Complete a copy of the Strategy/Activity table for each of the school's strategies/activities. Duplicate the table, including Proposed Expenditures, as needed.

## Strategy/Activity 1

### Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

All Students & families

## Strategy/Activity

## Parent Involvement:

Increase parent involvement and communication with our families. Providing a multitude of opportunities for our parents to stay connected, involved, and equal participants in the education and development of our students. Communication will involve internet, electronic media technology, apps, paper, and mailers.

- Supplies for parent involvement nights, parent meetings, workshops, FAFSA, Back to School Orientation Night, Site Council, ELAC, etc.
- Purchase communication app to send out weekly newsletters to families and students to keep them connected and informed
- Parent Involvement Handbooks
- Parent online video conferencing & 1 on 1 support meetings
- Support meetings for at risk & targeted populations (Parents with students). Materials and supplies to conduct safe meetings.
- Project Faire's for different content areas

## Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

# Goals, Strategies, & Proposed Expenditures

Complete a copy of the following table for each of the school's goals. Duplicate the table as needed.

## LEA/LCAP Goal

District LCAP Goal #2: Improve the physical and emotional conditions of MJUSD schools to address the needs of the whole student.

District LCAP Goal #5: Improve employee morale by creating policies that support the well-being of staff.

## WASC Goal

Goal 2: Critical Area 2: The administration continues with ongoing professional development to provide support and facilitate the well being of students on the socio-emotional level ensuring a safe environment for all students.

## Goal 3

Improve the social-emotional well being of all students and staff while ensuring a safe learning environment.

## Identified Need

16 months of distance learning and a COVID-19 Pandemic has taken a toll on the psyche and well-being of all students and staff. Research shows that human beings do not function at a high level when they do not feel connected or safe. A tiered approach must be taken to professionally grow as a staff, recognize behaviors that warrant support, and appropriately act upon those observations to provide care and support to the individual. The goal is to create a safe family atmosphere that supports social-emotional well being so each person can be their best in school. Academics and behavior will improve as a result.

## Annual Measurable Outcomes

Metric/Indicator	Baseline/Actual Outcome	Expected Outcome
Professional Development		All staff attend at least 1 SEL training
Survey Data		90% or higher rating in safety, comfortability, and support
Attendance Data		Increase in attendance % each quarter
Graduation Data		70+ graduates

Complete a copy of the Strategy/Activity table for each of the school's strategies/activities. Duplicate the table, including Proposed Expenditures, as needed.

## Strategy/Activity 1

### Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

All students in need

### Strategy/Activity

Professional Development:

\*Attend PBIS training (safe school culture, consistent expectations, relationships, positive behaviors)

\*Conscious Discipline

\*Universal Design For Learning

\*Suicide Prevention Training

### Proposed Expenditures for this Strategy/Activity

Budget Reference	Amount
Goal 1	78,764.00
Goal 2	393.00
Goal 3	2,000.00
Goal 4	
Goal 5	
Goal 6	

# School Site Council Membership

California Education Code describes the required composition of the School Site Council (SSC). The SSC shall be composed of the principal and representatives of: teachers selected by teachers at the school; other school personnel selected by other school personnel at the school; parents of pupils attending the school selected by such parents; and, in secondary schools, pupils selected by pupils attending the school. The current make-up of the SSC is as follows:

- 1 School Principal
- 4 Classroom Teachers
- 1 Other School Staff
- 0 Parent or Community Members
- 6 Secondary Students

Name of Members	Role
David Jones	Principal
Merri May	Other School Staff
Jessie Smith	Classroom Teacher
Kevin Sweetwood	Classroom Teacher
Daniel Underwood	Classroom Teacher
Eugene Duggan	Classroom Teacher
Estevan Plo	Secondary Student
Juliet Sanchez	Secondary Student
Chu Lien Lor	Secondary Student
Randall Cooper	Secondary Student
Breanna Cauthon	Secondary Student

At elementary schools, the school site council must be constituted to ensure parity between (a) the principal, classroom teachers, and other school personnel, and (b) parents of students attending the school or other community members. Classroom teachers must comprise a majority of persons represented under section (a). At secondary schools there must be, in addition, equal numbers of parents or other community members selected by parents, and students. Members must be selected by their peer group.

## Recommendations and Assurances

The School Site Council (SSC) recommends this school plan and proposed expenditures to the district governing board for approval and assures the board of the following:

The SSC is correctly constituted and was formed in accordance with district governing board policy and state law.

The SSC reviewed its responsibilities under state law and district governing board policies, including those board policies relating to material changes in the School Plan for Student Achievement (SPSA) requiring board approval.

The SSC sought and considered all recommendations from the following groups or committees before adopting this plan:

**Signature**

**Committee or Advisory Group Name**

English Learner Advisory Committee

The SSC reviewed the content requirements for school plans of programs included in this SPSA and believes all such content requirements have been met, including those found in district governing board policies and in the local educational agency plan.

This SPSA is based on a thorough analysis of student academic performance. The actions proposed herein form a sound, comprehensive, coordinated plan to reach stated school goals to improve student academic performance.

This SPSA was adopted by the SSC at a public meeting on October 6, 2021.

Attested:

Principal, David Jones on 10-6-2021

SSC Chairperson, Kevin Sweetwood on 10-6-2021
