

MJUSD ENERGY MANAGEMENT PROGRAM

MONTHLY REPORT – JUNE 2026

SitealogIQ is pleased to provide the June 2026 Monthly Report for the Marysville Joint Unified School District Energy Management Program. This monthly report will summarize current (2025-2026) academic year energy usage and cost data and compare it to baseline (2018-2019) and previous (2024-2025) academic year data for the months of July through April only.

This information can also be found on the district's interactive online Energy Dashboard.
