February 1, 2023

Dear MJUSD Community,

Last night during a Special Board Meeting we celebrated the first students to graduate from the Marysville School for Adults since we reopened the program in September. These students earned the necessary credits during the fall of 2022 to obtain their high school diplomas. We are so proud of them and look forward to graduating many more students in the years to come! Please join me in extending a heartfelt congratulations to:

- Adela Gomez Cortes
- Enrique Garcia
- Jose Magaña
- Jose De Dios
- Antonio Tapia Martinez

The Marysville School of Adults was reopened after having been closed for almost 10 years. In this short time, we have already served more than 220 adult students. If you know of someone who is interested in completing their high school diploma, learning English as a Second Language or preparing for their Citizenship or GED exam, please email adulthood@mjud.k12.ca.us or call 530-740-6420.

After the celebration, the Board of Trustees and Executive Cabinet members participated in a Governance training in the Conference Room. The training is provided annually to review roles and responsibilities as well as Board Governance bylaws as recommended by the California School Boards Association (CSBA).

The Board of Education holds regular meetings once a month to conduct school business, however, Special Board Meetings are sometimes scheduled to take action on an important item(s) of business, as needed.

The next regular monthly Board meeting is scheduled for Tuesday, February 7, at 5:30 pm. Please join us in person or watch via livestream.

As always, please email me at fasrani@mjud.k12.ca.us or call me at (530) 741-6000 with any questions, concerns or suggestions that you may have. Wishing each of you a wonderful rest of the week!

Sincerely,

A handwritten signature in blue ink that reads "Fal Asrani".
